 - Efficiency Improvement: 10
 - Quality Improvement: 7
 - Inventory Improvement: 1
 - Safety Improvement: 8
 - 5S Improvement: 1

Featured K3E of the Month

Pictured Below:

The new racking aisle next to the floor boxes has a lot of floor and forklift traffic, but no mirror to see around corners. It was suggested and a maintenance work order was placed to hang a new mirror on the main walkways and in the aisle where the turns are. This ensures visibility of traffic in the area.
