

# BUILD A BETTER FUTURE

## Learn How You Can Truly O-W-N Your Life!

---

**Q:** Are you unhappy with your life, the way it is? Do you want a better future, but you're not sure how to make it happen? Here's the TRUTH:

One-third (1/3rd) of all North Americans are dissatisfied with the future they, and their families, are facing ... according to a recent Gallup survey. Even among those who are satisfied ... their 'optimism' about the future is at its lowest - in over (40) years ... and especially so, when Global PANDEMICS threaten us!

-- "*The future belongs to those who believe in the beauty of their dreams.*" — Eleanor Roosevelt

-- "*Life can only be understood backwards; but it must be lived forwards.*" — Søren Kierkegaard

**YES, this IS in Y-O-U-R Hands ...**

**The FUTURE you Create IS up to YOU!**

FOR A  
**BETTER  
TOMORROW**

## But H-O-W?

First, we are ALL enduring "incredible" T-H-R-E-A-T-S to our humanity right now ... the CLIMATE CRISIS ... the COVID-19 PANDEMIC ... the RACISM RIOTS ... the ever RAMPANT UNEMPLOYMENT CRISIS ... the POLITICAL CHAOS ... the huge ECONOMIC MELTDOWNS ... on, and on, and on! And so, WE need to do everything within our power to build a **BIG F-O-R-T-R-E-S-S** around us, and around our families, and friends >>> one that NOTHING can ever penetrate!

One of our very first priorities, from this, should be - getting a SOLID, dependable, INCOME flowing - month after month, and ideally, one that could become RESIDUAL (passive) over time - so that we could "relax" from the ever, on-going, emotional pressure of that >>>> DAILY GRIND!

**STABLE  
INCOME**

**Total WELLNESS** -- for YOU first -- then for OTHERS! And, in that process - build a STABLE INCOME ... giving you (and them!) many **O-P-T-I-O-N-S** (greater Health / Financial / Time >>>> FREEDOM).

### **Q: Will Y-O-U be Ready?**

ONE of the very BEST ways we can begin to build our ROCK-SOLID FORTRESS is via a successful Home-Based eBUSINESS, and the “finest” model we can use for this is a => Direct2Consumer [D2C] Marketing eBiz >>> and please know - this is not an “MLM”!

IMPORTANT! - This recommended Home-Based [D2C] SIDE eBIZ is not an “MLM” / Network Marketing business. It is a 35-year old, family run, “manufacturing” business, doing over \$2-Billion/year in sales ... that offers its loyal Customers [located in 18 different countries] an Online **Wellness Shopping Club** - with over [450] Healthy / Safe / Chemical- Free Products & Services ... for the very same Household / Personal / Pet Care items that they’re already buying at say, Walmart / BestBuy / Target / Amazon.

BUT, with “our” [D2C] eBiz, they get these items without all the dangerous TOXINS and Chemicals found in “their” goods! And, with “our” [D2C] eBiz, they are getting them - at LESS COST - delivered right to their door each week / month. So ... what this “really” means is - there’s no NEW Money required here ... it’s simply SWITCHING STORES ... for better / cleaner / safer / cheaper goods - and their happy Customers “love” this!

PROFIT SHARING - Yes, they offer a highly attractive “Word Of Mouth” REFERRAL Program, and BONUS Compensation, which is where the RESIDUAL (passive) Income flow kicks in, IF Customers “wish” to partake in this part of their program - as a [D2C] eBiz Builder.

## **ROCK SOLID**

MORE - it is the ONLY Business Model that I know of - that provides you with (4) Powerful Economic Forces - all together - under one roof - running simultaneously: COMPOUNDING + LEVERAGE + RESIDUAL INCOME + real PEACE OF MIND. AND, you can do this in your SPARE TIME >>> it will not interfere with your ‘primary’ career!

**Also, think of this ...**

**This Is K-E-Y!** - As you build your FORTRESS, it “must” be **SECURE!** Same thing applies to the Business Model you have - to help you “build” your Fortress - it too, must be **ROCK SOLID!**

It will **HELP** you in your quest to **BUILD A BETTER FUTURE** - for yourself - for your family - and for others >>> a [Direct2Consumer \(D2C\)](#) **WELLNESS** Home eBusiness!
