

## It's All About => DAVID -vs- GOLIATH

---

The whole world around us (our families / friends / co-workers / relatives / neighbors) - we are ALL "giving our **hard earned dollars**" - every single day / week / month / year:

**to** - the B-I-G GUYS - the MEGA-RICH RETAILERS - those ENORMOUS 'MACHINES' that are owned by the world's very WEALTHY (now "rocketing into SPACE - with "our" Consumer \$\$!) - Retailers like [Walmart](#) / [Amazon](#) / [Target](#) / [Superstores](#) / [Costco](#) / [Kroger](#) / [Walgreens](#) / [Home Depot](#) / [etc.](#) - those who "could 'likely' care LESS" about Consumer HEALTH & SAFETY, or of the VALUE of their Products and Services!

**Q:** What if WE - the LITTLE people (the **DAVIDS**) - were to BAND TOGETHER - to bring us ALL a far BETTER Solution (against the **GOLIATHS**) for our [Laundry Soap](#) / [Toothpaste](#) / [Shampoo](#) / [Dish Detergent](#) / [Nutritional Supplements](#) / [Floor Cleaners](#) / [Personal Care](#) / [Nutrition](#) / [on and on, and on](#) - [for 450+](#) different, important items??

**Q:** What if WE - the MINI people - were to UNITE - to "take away some of their CASH FLOW" - and see it "re-directed" >>> to US, for a far HEALTHIER / BETTER CAUSE??

**HOW?** - WE simply CHANGE STORES ourselves, and then REFER OTHER Shoppers as well - to a solid, 35-year old, FAMILY OWNED 'MANUFACTURER' - of [Cleaner](#) / [Safer](#) / [Healthier](#) / [Better](#) and [Less Expensive](#) Products and Services ... the very same ones that they are already buying "elsewhere" every day, "anyway" ... **but** - "without" all of the dangerous **CHEMICALS!**

**REFER  
A FRIEND!**

**IMPORTANT** - NObody would be "spending any NEW or MORE \$\$" than they were before - to make this [much better] switch-over ... and then, we simply TELL OTHERS.

And, WE "help others" to REFER SHOPPERS to them, too >>> so they too, can witness that "magical" Customer EXPERIENCE that occurs - after they only SWITCH STORES - and start "using" these SUPERIOR Products! That's ALL WE NEED TO DO! That's IT! And, the mission of - "seeking to stay HEALTHY" has never been more urgent (**COVID**)!

---

**AND, consider these ...**

**M-O-R-E Chemicals** - the "triclocarban" in [Soaps](#) // the "retinol palmitate" in [Skin Care Creams & Lotions](#) // the "triclosan" in our [Toothpaste](#) // the "oxy-benzine" in [Sunscreen](#) // the "fragrances" in [Hair Care](#) ... **all** the "PEG's" / "cetareths" / "polyethyelene" / "parabens" / "propyl" / "isopropyl" / "butyl" / "isobutyl" / "DMDM hydantion" / "formdehyde & toluene" / "dibutyl (DBT)", just in [Nail Polish & Polish Remover](#) alone - on, and on!! Wow! It's not "much wonder" we see **so** much SICKNESS - and **so** many UNHEALTHY people – everywhere, today!

**MORE!** See **GOLIATH** => on [STERIODS!](#) >>> [Click HERE!](#)

YES - by just "transferring" over to this **Online WELLNESS CLUB** - as "millions" have already done, over the past 35+ years ... and by instead, spending our money with a manufacturer that "actually CARES" about our WELL-BEING ... and by "converting our WHOLE HOUSE over to these greatly superior Products ... we can enjoy a Better LIFE.

**AND => there's M-O-R-E ...**

**PROFIT SHARING!** - Of great interest to many is this - IF we were to put in some - "**Sweat Equity**" - into **CUSTOMER REFERRALS**, to our Manufacturer - WE / YOU / your FAMILY >>>> will not only live "healthier, happier lives" - we could also **EARN SIGNIFICANT \$\$\$** -- from their **LOYALTY SHOPPING DOLLARS** + their MONTHLY CAR PAYMENT Reward + many "other" attractive **BONUSES** - that could be earned, as well! So, the "upside" - within this is >>> completely UNLIMITED (IF that's of interest to us)!

AND - even more importantly => we/you could also develop a "stable / solid / on-going / long term [predictable]" - **RESIDUAL** (Passive) **Income** - for greater economic security!

**Thus - EMPOWERING you [ALL of us] >>> for a BETTER FUTURE!**

Let's **W-I-N** over **GOLIATH!** => Just **ASK US** for the **DETAILS!**
