This is an *in demand* **2017 FILM**, critiquing the health impact of MEAT / FISH / EGGS / POULTRY / DAIRY Products [consumption of] - and questions the practices of the leading HEALTH - and BIG PHARMA - organizations. It advocates a [Whole Food](#) (Vegan) PLANT-BASED diet. It's not as "strict" as Dr. John McDougall's [STARCH-Centered](#) [Vegan] [DIET](#) - but similar. ME? I'm [Vegetarian](#) (no animals whatsoever, but 'occasional' dairy [eggs and cheese only] 😊)

The health film that health organizations don't want us to see! '**What the Health**' is the groundbreaking, follow-up, film from the creators of the orig. award-winning documentary - COWSPIRACY. This film will expose the "collusion and corruption" - in government - and in big business - that IS keeping us SICK!
