

MARKETPLACE

[Our RETAIL PARTNERS - Making YOUR World More Affordable!]

In addition to **30%–50%** discounts on our Manufacturers' [safer!] products, our Preferred Members & Marketing Execs **also** receive a **ton** of additional benefits => through their **Retail MARKETPLACE Partners** [see below] ...

Our Manufacture has hundreds of thousands of Preferred Members & Mktg Execs in the United States and Canada alone. They use the 'purchasing clout' of ALL of them to negotiate substantial **rebates** on thousands of products and services - from over 1000 national Brand Names (the Retail Partners). These Brands pay out exciting rebates - and our Manufacturer "doubles" those rebates, and transfers them back to each of their Customers & Mktg Execs [us] - in the form of **Loyalty Shopping Dollars** - to be spent on purchasing their OWN ["safer"] products. **But that's not all!** They also pay **COMMISSIONS** to their Support Teams [Mktg Execs] - whenever one of 'their' Customers purchases from a Retail Partner! 😊

YES - their Marketing Execs receive a **commission** - whenever their customers purchase from a Retail Partner through our Manufacturer's **Retail Marketplace**.

They think it's only fair - since their Mktg Exec brought the new Customer to them. That is, Mktg Execs take their Customer to shop at one of the **1000+** Retail Partners - the Retail Partner pays the Mktg Exec's Manufacturing Co. - . and they pass that payment back - not only to the new Customer - but also - to those who "introduced" that new Customer to them - their Marketing Executives [us / you]!
