

More **FREEDOM**, Yes! => But First:

This Raw TRUTH => Will **SHOCK** You!

**>> CLICK <<**

We may have 'already spoken' by phone, and briefly - I also shared with you, (2) problems: 1<sup>st</sup> was about the **S-T-R-E-S-S** that many (most) **(Click) >> PROFESSIONALS** are going through right now (including - Realtors - Nurses - Teachers + ) ... and 2<sup>nd</sup> was about an **Ugly T-R-U-T-H** being exposed [on **Consumer Fraud**]! ... and a **Brilliant SOLUTION** ... for BOTH of these PROBLEMS ... and one that is helping tens of thousands of people - to create a BETTER LIFE for themselves, their families, their friends! **And YOU can too!** What follows is a B-R-I-E-F overview only. Also, with **JOB LOSSES + INFLATION + high INTEREST RATES**, etc., - many in North America ARE really HURTING - and "what follows" might truly help them too.

**BOTTOM LINE** - For years, our Group has helped people make a **Smart SWITCH** - one that has given them - **much more FREEDOM** in their lives ((**Financial** freedom + **Health** freedom + **Time** freedom)). H-O-W? Well, we became a trusted source for them - AND we gained their confidence - AND we provided them with continual proof. **BUT ... first:**

**SHOCKING!** In "addition to" the **INFLATION + high INTEREST RATES + SCAMS** out there - other (shocking!) "realities" are at play - that very few of us, as CONSUMERS - are even aware of, and that will likely **SHOCK** you too ... as much as they did me.

Yes, the TRUTH here is absolutely "**appalling**" in its overall application ...

**The GIANT RETAILERS** - We get many of our goods at the BIG BOX Stores - Walmart // Target // CVS // Amazon // Best Buy // Home Depot, etc. and - as much as most of us do "like" to shop at these "Big Guys" ... many of us may not know that when we do "give our money" to these Big Box Stores - we are really saying that - it is "good to send our money to other countries", instead of keeping it right here, 'supporting' them, LOCALLY.

This is **NOT** to "bash" These B-I-G GUYS (the massive **Retailers**) - NO! ... this is simply to 'expose' a sober T-R-U-T-H ... one that the vast majority of consumers are **not** aware of.

**[| Note:** In a Side eBiz ... I work with a trusted, North American - CONSUMER GOODS MANUFACTURER - helping people **Switch Their Spending** - "from" the highly **TOXIC** products they're buying each month, over at WALMART ... TARGET ... AMAZON, etc., - to our WELLNESS products, instead - which are ALL => **100% CHEMICAL FREE**, healthy, **SAFE**, and even less expensive! MORE on this, below! **]]**

**The (11) 'MANUFACTURERS'!** - Ok, the [Big Box RETAILERS](#) [Walmart, etc], sell us millions of "goods" - mainly, from **ELEVEN (11)** different, [huge MANUFACTURERS](#) - "conglomerates" - that own virtually **97%** of ALL brands! These "same" Manufacturers control virtually ALL of the shelf space - real estate - advertising - the W-O-R-K-S. To see this >>>> [Click HERE](#) + >>>> [HERE](#).

**PRODUCTS we use:** [Make-Up](#) // [Sunscreen](#) // [Perfume](#) // [Baby Powder](#) // [for Cleaning](#) // [Plastic Water Bottles](#) // [Cookware](#) // [Air Fresheners](#) // [Spray Cleaners](#) (Clorox - Fantastik - Febreze - Formula 409 - Easy-Off - Lysol - Mr. Clean - Spic & Span) // [Body Wash](#) // [Bug Repellent](#) // [Deodorant](#) // [Candles](#) // [Dental Floss](#) - on, and on)! Now, look at THIS:

**MANUFACTURERS we patronize**, like - [Procter & Gamble](#) // [Johnson & Johnson](#) // [Unilever](#) // [Merck](#) // [Pfizer](#) // etc, - who "lace" (innocent!) consumers with:

**[TOXIC Chemicals](#)!** - such as - Formaldehyde-releasers // Parabens // Asbestos // BPA // Diethyl Phthalate (DEP) // Pesticides // Polycyclic musks // Mercury // Quaternium-15 // Tagates // Triclosan // 1,4 Dioxane, etc.

**RESULT?** - Many of these "poisons" have been inked to: [hormone disruption](#) - [birth defects](#) - [diabetes](#) - [obesity](#) - [heart disease](#) - [certain cancers](#) ... and much M-O-R-E!

**CHOICES?** - So, you and I walk into any [BIG BOX Retail Store](#) - thinking we have all of these many "different" choices ... yet, it all winds back to these **(11)** Multi-National, globally influential, [huge MANUFACTURING Conglomerates](#)! Truthfully - we really do NOT have a lot of "choice" at all. Let's dig "deeper" on this - - -

**OWNERSHIP?** - Now, "behind" these Manufacturers (all of which are PUBLIC companies) => the question is - who actually OWNS them (who are the shareholders)?

Well, the major stockholders, in most of them (and this is public info.) are => [Blackrock](#) // [Vanguard](#) // [State Street](#). So, the DOLLARS that we spend at these Big Box Stores - and Manufacturers - actually go to a very SMALL handful of BILLIONAIRES. So, basically - it is the BIG Guys -vs- the LITTLE Guys - like you and me. Now, note THIS:

Average **WORKERS**, globally (the "little guys") lost **\$3.7 TRILLION** in "wages" during the **COVID PANDEMIC** (women, and Gen Z, suffering the "biggest" losses) - "earnings" lost - due to Small Businesses "closing" // "layoffs" // etc. (we don't want this to happen again)!

Whereas during this exact same period, **BILLIONAIRES** globally, made **\$3.9 TRILLION**!

This was an exact **TRANSFER OF WEALTH** => but, in the **WRONG** direction! So, those that needed it the "least" (the Billionaires) ... took away **\$3.9 Trillion** (with a **"T"**) ... from those that needed it the "most".

**KILLING Small Businesses** - YES, we all know what happens when B-I-G BOX Stores come to town - S-M-A-L-L Businesses are often put OUT of business. Yes, the “evils” of => [GOLIATH](#).

Despite the ravages of **COVID** on tens of thousands of Small Businesses, world wide -- or, a lack of capital funding -- or, poor marketing practices -- the fact is => the **competition** from BIG BOX stores **HURT** them.

And when this happens, the whole community changes, in part, because the BIG BOX intrusion can undermine Small Business ENTREPRENEURIALISM - undermine RETAIL WAGES - create a false sense of PROSPERITY. NOT really a ‘desired’ outcome.

**B-U-T**

**IT**

**GETS**

**MUCH**

**WORSE!**

**SEE**

**THE**

**NUMEROUS**

**L-A-W-S-U-I-T-S**

**LAWSUITS** - All we have to do is GOOGLE it, and we will quickly learn there are numerous articles on => **RECALLS & FINES** => on **Product Liability LAWSUITS**. To see "more" on this => [Click HERE](#).

And these are real stories - about real people - just like you and me, that drink and eat these UNhealthy - UNSafe products - or somehow get them on our skin, or in our eyes => because of those "product **MANUFACTURERS**".

**Our KIDS + Our HOMES!** - In many cases it's our CHILDREN who get hurt - because they too, get into this **TOXIC** stuff. In a lot of cases, the damage becomes "permanent" - and sometimes, these children even LOSE THEIR LIVES! And our HOMES! - ALL part of the "negligent business model" of these careless Manufacturing Conglomerates!

**WARNINGS!** - Kids don't READ! Look at the Warning Label on products, like **CLOROX!**

**Cheaper to Just 'PAY OUT'?** - So, what they figured out is => it was simply making more "financial sense" TO **PAY \$\$\$ OUT** when our kids get hurt - than it does => to make SAFE PRODUCTS! WOW.

They certainly DO "know how" to make safe products - but then, the "ingredients are more expensive" for that safety => so guess what???

Their **PROFITS** get hit! It's all about the M-O-N-E-Y - period - period! It is a very DIRTY business secret ... but => it gets even WORSE ...

**It's Built Right INTO The Pricing** - Every time you and I "buy" one of their products - like say, when we buy a **jug of TIDE** - a nickel, or a dime, or two cents (don't know how much exactly, but "some part" of that purchase price) => actually goes into a "fund" ... to P-A-Y for their **LEGAL DEFENSE costs** - every time one of their [numerous!] **LAWSUITS** occurs.

In other words, WE are (indirectly) paying for their need to "cover" the **NEGLIGENCE Litigations** they face! It's very convoluted - again, it's their "dirty little secret".

So, it is "truly" a **DAVID & GOLIATH** situation here - between OUR eStore **RETAILER**, of Clean / Safe / Healthy products ... and all of those **GIANT MANUFACTURERS** - who are "wealthy" - and could truly, CARE LESS about this!! See DETAILS! >>>>> [CLICK HERE](#). What's been missing here (sadly!) is >>>> [Consumer EDUCATION](#).

**IMPORTANT** We're talking only about the "necessities" here - the "essentials". There will be **many** Goods & Services 'needed' [from **some** BIG BOX Stores, "including" Walmart, etc] - that our eStore does NOT carry (i.e. stoves - fridges - furniture - toys - electronics - clothing, etc).

**BUT** - we can even help you there, too! - with a **Retail PARTNERS** option - of now, over **1,000** 'OUTSIDE' Stores - again, "including" Walmart, etc- [and all Online] - bringing us (you) **EXTRA** Rewards & BENEFITS for YOU [with its **MBNA M/Card**] >>>>>> via the [MARKETPLACE](#). 😊

# *The* SWITCH

**SWITCH** - WE decided to "switch" - and our **TEAM** [The **SWITCH** Team] found an exceptional, small, Direct-To-Consumer **RETAILER** (and the manufacturer) ... who "competes" with **(3)** of these **massive MANUFACTURERS** ... head- to-head ... on **400+ PRODUCTS** - against - Unilever - Proctor & Gamble - Johnson & Johnson.

**A "USA" COMPANY** - It is family owned, with basically everything made "in the USA" -- by 3000+ USA employees -- whose taxes are paid "within" the USA. This outstanding eBiz Enterprise has been in business for over 38 years now - and they manufacture all of their products themselves.

**They Have a Factory, Direct-To-Consumer "eBiz model"** ... with an **ONLINE eStore** (of **WELLNESS** products, in 19 countries ).

This means you buy at **WHOLESALE** - "directly" from them - and there are **NO "middle" people** involved. None.

This **D2C** company manufactures all of its **OWN** products - but it completely avoids all stores, all advertisers, and all middlemen - relying instead - strictly on "word-of-mouth" marketing - from its existing, satisfied, loyal **CUSTOMER** base [and it's a gigantic one].

**PRINCIPLES** - What we found, first - in this family-owned Factory - was => an overwhelming Corporate **HONOR**, with things done - the **RIGHT WAY** - for the **RIGHT REASONS** - to the **RIGHT PEOPLE**.

They have established a strong **CULTURE** - one in which, not only their **EMPLOYEES** - but also, their **CONSUMERS** - are happy - and therefore => their **38+** year old **D2C eBUSINESS** continues to flourish.

**PRODUCTS** - Then, we found that their (**Wellness**) Products were - of High **QUALITY** - of Superior **SAFETY** - of Reasonable **PRICING** - and with => an "already established" **RE-ORDER RATE** - of **97%** (unheard of). Their loyal consumers **LOVE** their **400+ PRODUCT Portfolio**.

Most importantly, they would **NEVER**, ever risk **YOUR** health by using "unsafe" ingredients. Further, they have NOT paid out one single penny in "any" type of Product **LIABILITY** Claim - NO LAWSUITS - within their nearly (40) year history! Never.

**AND**, this could be a **HOME-Based** ('Side') **eBiz**, 'especially' attractive for => **WOMEN**. 😊

**SAVINGS** - By "skipping" certain products in the B-I-G BOX Stores - with all of their heavy COSTS - and instead, going Factory Direct – YOU will "**SAVE 60%**". And our eStore puts it all into => **BETTER** ingredients - **S-A-F-E-R** ingredients - and **HEALTHIER** ingredients.

So - at the end of the day - you get better, safer, healthier - and cheaper - **Wellness PRODUCTS** - from Online - delivered to your front door [again, for LESS money]. 😊

**REFERRALS?** - As the excitement level grows - from "discovering" this extraordinary USA Manufacturer - Happy Consumers DO "quickly tell OTHERS" about it - and when THEY join (and they "also" shop), big **Referral REWARD\$** are "paid out" to the REFERORS. **See HERE**.

**EXTRA INCOME (Residual)?** - We have many thousands of people earning an extra: **\$500/mo** - **\$1,000/mo** - **\$5,000/mo** - **\$10,000/mo** +

Home Based - ONLINE - And what's so great about this is => it does NOT INTERFERE with "whatever else" you might be doing, as it can simply become a '**SIDE HUSTLE** eBusiness' - from getting others to **SWITCH STORES**.
