

This Raw TRUTH => Will **SHOCK You!**

We have 'already spoken' by phone, and I briefly shared with you, three (3) things: **1st**, was my GIFT to you [a **FREE eBook**, that I wrote, specifically to help REALTORS – [see below] ... **2nd**, was about an **Ugly TRUTH - exposed [Consumer Fraud]**! ... and **3rd**, was a **BRILLIANT SOLUTION** ^{^(Click)^} for the **PROBLEM** in (#2) above => and one that is helping tens of thousands of people to create a **BETTER FUTURE** for themselves!

Yes, people are HURTING! What follows can truly help ...

BOTTOM LINE - Our Group has been helping 'tens of thousands' of people **Make A Smart SWITCH**", for years - to approx. **400+** "unique & superior" Consumer Goods that are manufactured (made) => in **North America**. WHY? because WE became a trusted source for them -- by gaining their confidence ... because of the P-R-O-O-F.

These products are some of the very same things we buy - and run out of - all the time - every week / month / year - over, and over again. BUT ... "first things first":

SHOCKING! - There is a shocking "reality" at play, that very few of us, as product consumers, are aware of ... one that will likely SHOCK you - as it did me (and most others)!

Yes, the TRUTH here is absolutely "**appalling**" in its application ...

The GIANT RETAILERS - We get many of our goods at the BIG BOX Stores - Walmart // Target // CVS // Amazon // Best Buy // Home Depot, etc. and, as much as most of us do "like" to shop at these "Big Guys" ... many of us may not know that when we do "give our money" to these Big Box Stores - we are really saying that - it is "good to send our money to other countries", instead of "keeping it here" - and "helping average North American families" - in these times.

This is NOT to "bash" These B-I-G GUYS (the massive Retailers) - NO! ... this is simply to 'expose' a sober T-R-U-T-H – one that the vast majority of consumers are **not** aware of.

The (11) MANUFACTURERS - Now ... "behind" these BIG BOX Retailers are the product MANUFACTURERS ... and, as it turns out => there are "only" **ELEVEN** of these different Manufacturing Conglomerates, that => own **97%** of ALL brands ... and these Manufacturers => control virtually ALL the shelf space - ALL the real estate - the advertising - the WORKS! SEE it => [Click HERE!](#)

PRODUCTS we use: [Make-Up](#) // [Sunscreen](#) // [Perfume](#) // [Baby Powder](#) // [for Cleaning](#) // [Plastic Water Bottles](#) // [Cookware](#) // [Air Fresheners](#) // [Spray Cleaners](#) (Clorox - Fantastik - Febreze - Formula 409 - Easy-Off - Lysol - Mr. Clean - Spic & Span) // [Body Wash](#) // [Bug Repellent](#) // [Deodorant](#) // [Candles](#) // [Dental Floss](#) - on, and on)! Now look at THIS:

CONTROL - and WE "pay" for all this, because in essence, these B-I-G Manufacturing Giants - they CONTROL us! These are companies like - **Procter & Gamble** // **Johnson & Johnson** // **Lever Bros** // **Merck** // **Pfizer** // etc, - who "lace" innocent consumers with:

TOXIC Chemicals! - such as -.Formaldehyde-releasers // Parabens // Asbestos // BPA // Diethyl Phthalate (DEP) // Pesticides // Polycyclic musks // Mercury // Quaternium-15 // Tagates.// Triclosan // 1,4 Dioxaneh, etc.

RESULT? - Many of these "poisons" have been inked to: [hormone disruption](#) - [birth defects](#) - [diabetes](#) - [obesity](#) - [heart disease](#) - [certain cancers](#) ... and much M-O-R-E!

CHOICES? - So, you and I walk into any BIG BOX Store - thinking we have all of these many "different" choices ... yet, it all winds back to these **(11)** Multi-National, globally influential, **MANUFACTURING CONGLOMERATES!** Truthfully - we really do NOT have a lot of "choice" at all. Let's dig "deeper" on this - - -

OWNERSHIP? - Now, "behind" these Manufacturers (all of which are PUBLIC companies) => the question is - who actually OWNS them (the shareholders)?

Well, the major stockholders, in most of them (and this is public info) are => [Blackrock](#) // [Vanguard](#) // [State Street](#). So, the DOLLARS that we spend at these Big Box Stores - and Manufacturers - actually go to a very SMALL handful of BILLIONAIRES. So, basically - it is the BIG Guys -vs- the LITTLE Guys - like you and me. Now, note THIS:

Average **WORKERS**, globally (the "little guys") **lost \$3.7 TRILLION** in "wages" during the COVID PANDEMIC (women, and Gen Z, suffering the "biggest" losses) - "earnings" lost - due to Small Businesses "closing" // "layoffs" // etc ...

Whereas - during this exact same period - **BILLIONAIRES**, globally, **made \$3.9 TRILLION** => an exact TRANSFER OF WEALTH => but, in the WRONG direction! So, those that needed it the "least" (the Billionaires) - took away **\$3.9 Trillion** (with a "T") - from those that needed it the "most"!

KILLING Small Businesses! - YES, we all know what happens when B-I-G BOX Stores come to town -- S-M-A-L-L Businesses are often put OUT of business! Yes, the “evils” of => **GOLIATH!**

Despite the ravages of **COVID-19** on tens of thousands of Small Businesses, world wide - or, a lack of capital funding - or, poor marketing practices - the fact is, the **competition** from BIG BOX Stores H.U.R.T. them!

And when this happens, the whole community changes, in part, because the BIG BOX intrusion can - undermine Small Business ENTREPRENEURIALISM - undermine RETAIL WAGES - create a false sense of PROSPERITY. NOT really a 'desired' outcome!

B-U-T

IT

GETS

MUCH

WORSE!

SEE

THE

NUMEROUS

L-A-W-S-U-I-T-S!

LAWSUITS! - All we have to do is GOOGLE it, and we will quickly learn there are numerous articles on => **RECALLS & FINES!** => on **Product Liability LAWSUITS!** To see "more" on this >>> [Click HERE!](#)

And these are real stories - about real people - just like you and me, that drink and eat these UNhealthy, UNSafe products - or somehow get it on their/our skin, or in their/our eyes => because of "product MANUFACTURERS"!

Our KIDS! - In many cases it's our CHILDREN who get hurt - because they too, get into this **TOXIC** stuff. In a lot of cases, the damage becomes "permanent" - and sometimes, these children even LOSE THEIR LIFE! And - this is all part of the "negligent business model" of these careless Manufacturing Conglomerates!

WARNINGS! - Kids don't READ! Look at the [Warning Label](#) on a product like **CLOROX!**

Cheaper to Just 'PAY OUT'? - So, what they figured out is => it was simply making more "financial sense" TO **PAY \$\$\$ OUT** when our kids get hurt - than it does => to make SAFE PRODUCTS! WOW!

They certainly DO "know how" to make safe products - but then, the "ingredients are more expensive" for that safety => so guess what???

Their **PROFITS** get hit! It's all about the M-O-N-E-Y - period - period! It is a very DIRTY business secret ... but => it gets even WORSE! ...

It's Built Right INTO The Pricing! - Every time you and I "buy" one of their products - like say, when we buy a **jug of TIDE** - a nickel, or a dime, or two cents (don't know how much exactly, but "some part" of that purchase price) => actually goes into a "fund" - to **P-A-Y** for their **LEGAL DEFENSE costs** - every time one of their [numerous!] **LAWSUITS** occurs!

In other words, WE are (indirectly) paying for their need to "cover" the **NEGLIGENCE Litigations** they face! It's very convoluted - again, it's their "dirty little secret"!

So, it is "truly" a **DAVID & GOLIATH** situation here - between **OUR** Manufacturer ... of Clean / Safe / Healthy products ... and all those **GIANT MANUFACTURERS** -- who are "wealthy" -- and could truly, CARE LESS about this!! **See DETAILS! >>>>>>> [CLICK HERE!](#)**

[[IMPORTANT! - There will be **many** Goods & Services 'needed' [from **some** BIG BOX Stores, "including" Walmart, etc] - that our Store does NOT carry (i.e. stoves - fridges - furniture - toys - electronics - clothing - etc), BUT, we can help you there, too! - with a **Retail PARTNERS** option => of over **1,000** 'OUTSIDE' Stores – again, "including" Walmart , etc- [and all Online!] - bringing **EXTRA** Rewards & BENEFITS for YOU [with its **MBNA C. Card**] => via its **[MARKETPLACE!](#)**]]

The SWITCH

SWITCH - In any event, WE decided to "switch" over, and our **Switch TEAM** found an exceptional MANUFACTURER - located in the USA ... that "effectively competes" with these massive BIG BOX conglomerates, head-to-head, on about **400+ superior PRODUCTS** ... AND, it's completely - out of the mainstream - basically "off the grid".

A "USA" COMPANY - It is family owned, with basically everything made "in the USA" -- by 3000+ USA employees -- whose taxes are paid "within" the USA. This outstanding eBiz Enterprise has been in business for over **37 years** now - and they manufacture all of their products themselves.

They have a **FACTORY DIRECT (D2C // a Direct-To-Consumer)** "business model" - operating 100% ONLINE, from Home.

This means you buy at WHOLESALE - "directly" from them - and there are NO "middle" people! None.

This **D2C** company manufactures all of its OWN products - but it completely avoids all stores, all advertisers, and all middlemen - relying instead - strictly on "word-of-mouth" marketing - from its existing, satisfied, loyal CUSTOMER base [and it's a gigantic one].

PRINCIPLES - What we found, first - in this family-owned Factory - was => an overwhelming Corporate HONOR, with things done - the RIGHT WAY - for the RIGHT REASONS - to the RIGHT PEOPLE.

They have established a strong CULTURE - one in which, not only their EMPLOYEES - but also, their CONSUMERS - are happy - and therefore => their 37+ year old **D2C eBUSINESS** continues to flourish!

PRODUCTS - Then, we found that their (Wellness) Products were - of High QUALITY - of Superior **SAFETY** - of Reasonable PRICING - and with => an "already established" **RE-ORDER RATE - of 96%** (unheard of)! Their loyal consumers LOVE their **400+ PRODUCT Portfolio!**

Most importantly, they would NEVER, ever risk YOUR health by using "unsafe" ingredients. Further, they have NOT paid out one single penny in "any" type of Product LIABILITY CLAIM ... **NO LAWSUITS** ... within their nearly (40) year history!

NEVER.

SAVINGS - By "skipping" the B-I-G BOX Stores -- with all of their heavy COSTS - and instead, going Factory Direct - YOU "**SAVE 60%**"! Yes. This Enterprise puts it all into => **BETTER ingredients** and far **S-A-F-E-R ingredients** - and much **HEALTHIER ingredients**.

So - at the end of the day - you get better, safer, healthier - and superior - **Wellness PRODUCTS** - from Online - delivered directly to your front door - for LESS money! 😊

REFERRALS? - As the excitement level grows - from "discovering" this extraordinary USA Manufacturer - Happy Consumers DO "quickly tell OTHERS" about it - and when THEY join (and "also" shop) - **Referral REWARDS** are "paid out" to the REFERORS!

EXTRA INCOME (Residual)? - We have many thousands of people earning an extra: **\$500/mo** - **\$1,000/mo** - **\$5,000/mo** - **\$10,000/mo** +

Home Based - ONLINE - And what's so great about this is => it does NOT INTERFERE with "whatever else" you might be doing, as it can simply become a '**SIDE HUSTLE** eBusiness' - from getting others to **SWITCH STORES!**

EXAMPLES of Stable [RESIDUAL] Monthly Income (taken from STATS - 'Actual' Earnings!)

- a) Refer (70) new SHOPPERS (SD) => [high = \$197,000/yr] - [avg = \$ 75,000/yr] + [Car Bon \$ 500/mo]
- b) Refer (115) new SHOPPERS (ED) => [high = \$820,000/yr] - [avg = \$180,000/yr] + [Car Bon \$1000/mo]
- c) Refer (160) new SHOPPERS (ND) => [high = \$1.5 mill./yr] - [avg = \$470,000/yr] + [Car Bon \$1200/mo].

MORE EXAMPLES (\$ approx): Refer (10) = \$2,000/mo -- Refer (40) = \$5,000/mo + [Car Bonuses]

SO many people are hungry for additional INCOME, since COVID, and with INFLATION raging (as this is written) - and GAS PRICES soaring - etc, etc! But the wonderful thing here is => such EXTRA Income can be generated AUTOMATICALLY - "while" YOU are yourself, enjoying all of these => **better** / **safer** / **healthier** Consumer PRODUCTS -vs- continuing to support => those **(11) unsavory CONGLOMERATES!**

Note - this [as a SIDE eBIZ] is absolutely NOT an **MLM** // Network Marketing. NO. But, ALL of what you review here WILL be fully explained - IF you decide to JOIN with us!
