

More **FREEDOM**, Yes! => But **FIRST**:

This Raw **TRUTH** => Will **SHOCK** You!

We may have 'already spoken' by phone, and briefly - I also shared with you, **(2)** problems: **1<sup>st</sup>** was about the **S-T-R-E-S-S** that many (most) **PROFESSIONALS** are going through right now (including - Realtors - Nurses - Teachers + ) ... and **2<sup>nd</sup>** was about an **Ugly T-R-U-T-H** being exposed [on **Consumer Fraud**]! ... and a **Brilliant SOLUTION** ... for BOTH of these PROBLEMS ... and one that is helping tens of thousands of people - to create a BETTER LIFE for themselves, their families, their friends! **And YOU can too!** What follows is a B-R-I-E-F overview only. Also, with **JOB LOSSES + INFLATION + high INTEREST RATES**, etc, many in North America ARE really HURTING right now - and "what follows" might truly help them too.

**BOTTOM LINE** - For years, our Group has helped people make a **Smart SWITCH** - one that has given them => **more FREEDOM** (**Financial** freedom + **Health** freedom + **Time** freedom). HOW? Well, we became a trusted source for them - AND, we gained their confidence - AND, we provided them with continual proof. **BUT ... first:**

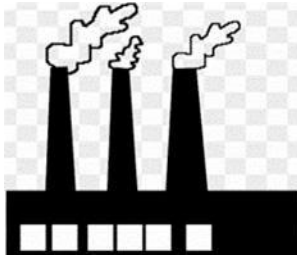

There are some [shocking!] "realities" at play right now - that very few of us, as savvy CONSUMERS, are even aware of ... and they will most likely **SHOCK you** - as they did me! First, a little BACKGROUND ...

The TRUTH here, is absolutely "**appalling**" in its reach ...

**The GIANT 'RETAILERS'** - We get many of our goods at the BIG BOX Stores: Walmart // Target // CVS // Amazon // Best Buy // Home Depot, etc. and, as much as most of us do "like" to shop at these "Big Guys" - many of us may not know that when we do give "our money" to these BIG Box Stores ... we are really saying that ... it is "good to send money - to other countries" - instead of "keeping it right here" - **LOCALLY** - supporting, and "helping average North American families", especially in "these" uncertain times.

This is **NOT** to "bash" These B-I-G GUYS (the massive **Retailers**) - NO! ... this is simply to 'expose' a sober **T-R-U-T-H** ... one the vast majority of consumers are **not** aware of. Yes, the **INTERNET** has changed the way we, as consumers, shop. But taken together, the **BIG BOX Retailers** can cause harm to traditional **LITTLE Guy Retailers**.

**The (11) 'MANUFACTURERS'!** - Ok, these Big Box **RETAILERS** [Walmart, etc], sell us millions of "goods" - primarily, from **ELEVEN (11)** different, gigantic **MANUFACTURERS** - "conglomerates" that own virtually **97%** of ALL brands! And these same Manufacturers control virtually ALL of the shelf space - real estate - advertising - the W-O-R-K-S! To see this >>>> [Click HERE](#) + >>>> [HERE](#)!

And WE are "paying" for all this - in essence, they CONTROL us with it! These are the Manufacturers, like - **Procter & Gamble** // **Johnson & Johnson** // **Unilever** // **Merck** // **Pfizer**, etc. - with their **TOXIC Chemicals** - such as -.Formaldehyde-releasers // BPA // Parabens // Diethyl Phthalate (DEP) // Polycyclic musks // Quaternium-15 // Tagates.// Triclosan // 1,4 Dio-xaneh // BPA => which are linked to many of their ...

**PRODUCTS:** Make-Up // Sunscreen // Perfume // Baby Powder // Cleaning Products // Plastic Water Bottles // Cookware // Air Fresheners // Spray Cleaners (Clorox - Fantastik - Febreze - Formula 409 - Easy-Off - Lysol - Mr. Clean - Spic & Span) // Body Wash // Dental Floss // Deodorant // Bug Repellent // Candles - etc) ...

**RESULT?** - hormone disruption - birth defects - diabetes - obesity - certain cancers - heart disease - and much M-O-R-E!

---

**CHOICES?** - So, you and I walk into any **BIG BOX Store** - thinking we have all of these many "different" choices - yet, it all winds back, mainly to these **(11)** Multi-National, globally influential, **MANUFACTURING Conglomerates**! Truthfully - we really do NOT have a lot of "choice" at all. Let's "dig deeper" on this - - -

**OWNERSHIP?** - Now, "behind" these Manufacturers (all of which are PUBLIC companies) => the question is - who actually **OWNS** **them** (the shareholders)?

Well, the major stockholders, in most of them (and this is public info) are => **Blackrock** // **Vanguard** // **State Street**. So, the DOLLARS that we spend at these Big Box Stores & Manufacturers actually go to a very SMALL handful of BILLIONAIRES ... basically, it's the BIG Guys -vs- the LITTLE Guys - like you and me. Now, note THIS - - -

Average **WORKERS**, globally (the "little guys") **lost \$3.7 TRILLION** in "wages" during the **COVID PANDEMIC** (women, and Gen Z, suffering the "biggest" losses) - "earnings" lost - due to Small Businesses "closing" // "layoffs" // etc ... whereas, during this exact same period - **BILLIONAIRES**, globally, **made \$3.9 TRILLION** => an exact **TRANSFER OF WEALTH** => but, in the **WRONG** direction! So, those that needed it the "least" (those Billionaires) - took away \$3.9 Trillion (with a "**T**") - from those that needed it the "most"!

**KILLING Small Businesses!** - YES, we all know what happens when BIG BOX Stores come to town => the SMALL Businesses are often put OUT of business! Yes, the "evils" of => **GOLIATH**!

Despite the ravages of **COVID** on tens of thousands of Small Businesses, world wide - or, a lack of capital funding - or, poor marketing practices - the fact is, the competition from **BIG BOX Stores** >>> H.U.R.T. them!

And when this happens, the whole community changes, in part, because the BIG BOX intrusion can - undermine Small Business ENTREPRENEURIALISM - undermine RETAIL WAGES - create a false sense of PROSPERITY. NOT a really 'desired' outcome! No.

**Our KIDS + Our HOMES!** - In many cases it's our CHILDREN who get hurt - because they too, get into this **TOXIC** stuff. In a lot of cases, the damage becomes "permanent" - and some times, these children even LOSE THEIR LIVES! And our HOMES! ... ALL part of the "negligent business model" of these careless **Manufacturing** Conglomerates!

# THE REAL COST

So, it is "truly" a **DAVID & GOLIATH** situation here - between **OUR** Manufacturer ... of Clean / Safe / Healthy products ... and all those **GIANT OFFENDERS** -- who are "wealthy" -- and could truly, CARE LESS about this!! # The SWITCH

We "switched" our Group [The Patriot SWITCH Team] - to an exceptional [family-owned] **small USA-RETAILER (and Manufacturer!)** - who "competes" directly - with **(3)** of these **massive MANUFACTURERS** ... head-to-head ... on **400+ PRODUCTS** ... 'against' these (3) - in particular: Unilever - Proctor & Gamble - Johnson & Johnson.

**A "USA" COMPANY** - Basically, everything is made "in the USA", by 3000+ USA employees - whose taxes are paid "within" the USA. This outstanding Enterprise has been in business for **38+ yrs** now - and they manufacture all of their OWN (safe!) outstanding products.

**They have a FACTORY, Direct-To-Consumer** "eBiz model" - one that operates an ONLINE eStore - in (19) countries ...

You buy at WHOLESALE - "directly" from them - there there are NO middle-man people! Call it => [RespectfulCommerce.com](http://RespectfulCommerce.com).

This **D2C / ReC** company manufactures all its OWN products - but it completely avoids all stores, all advertisers, and all middlemen - relying instead - strictly on "word-of-mouth" marketing - from its existing, loyal CUSTOMER base [a gigantic one].

**PRINCIPLES** - What we found, first - in this family-owned Factory - was => an overwhelming Corporate HONOR, with things done - the RIGHT WAY - for the RIGHT REASONS - to the RIGHT PEOPLE.

They have established a strong CULTURE - one in which, not only their EMPLOYEES - but also, their CONSUMERS - are happy - and therefore => their 38+ year old **D2C eBUSINESS** continues to flourish!

**PRODUCTS** - Then, we found that their WELLNESS Products were - of High QUALITY ... of Superior SAFETY ... of Reasonable PRICING - and with => an "already established" **RE-ORDER RATE - of 97%!** (Yes!) Their loyal consumers do LOVE these **400+ Products!**

Most importantly, they would NEVER, ever risk YOUR health by using "unsafe" ingredients. Further - they have NEVER paid out one single penny ... in "any" type of Product LIABILITY CLAIM ... NO LAWSUITS ... within their nearly (40) year history! **Sincerely, this IS a - "sensible" - "clean" - "no-hype" opportunity.**

**AND, this could be a HOME-Based ('Side') eBiz - 'especially' attractive for => WOMEN!** 😊

**SAVINGS:** By “skipping” certain products in the B-I-G BOX stores, with their heavy COSTS - and instead, going Factory Direct - YOU “**SAVE 60%!**” Our eStore puts it all into => **BETTER** ingredients - and far **S-A-F-E-R** ingredients, and much **HEALTHIER** ingredients.

So - at the end of the day - you’ll get better, safer, healthier, and superior, **Wellness PRODUCTS** - Online - delivered directly to your front door - and for **L-E-S-S money!**

**REFERRALS?** - As the excitement level grows - from "discovering" this extraordinary Manufacturer - Happy Consumers DO "quickly tell OTHERS" about it - and, when THESE ‘OTHERS’ join (and they “also” shop) => big **Referral REWARDS\$** are "paid out"! **See HERE!** 😊

**EXTRA INCOME (Residual)?** - We have many thousands of people earning an extra: **\$500/mo** - **\$1,000/mo** - **\$5,000/mo** - **\$10,000/mo** +

Home Based - ONLINE - And what’s so great about this is => it does NOT INTERFERE with “whatever else” you might be doing, as it can simply become a ‘**SIDE HUSTLE eBiz**’ - from getting others to **SWITCH STORES** too!
