

537 M-O-R-E “WATCHLIST” COMPANIES!

This List includes the names of the companies recognized as **Money Circulation** companies, who are using **MLM** (Multilevel Marketing) payment systems to get money - from gullible people!

NOTE: These companies have - UNVIABLE Company plans - MISLEADING information on their Websites - an extremely DECEPTIVE Business Model. In fact, they're falling into the whole ambit of => **CASH CIRULATION**, because of their reckless [and weird] Compensation Strategy!
