

Dear Reader:

You'll find this Page (**PDF**) has "many" different **HYPERLINKS** included!

SUGGESTION - Since "time" is so very scarce, and precious (for ALL of us) - we recommend you simply "read through" this **PDF** first -- "without" clicking on any of the **HYPERLINKS** ((the **Click HERE's**)) to get "the BIG picture" first. Later, come back and re-read ("clicking on" those Hyperlinks - as each one E-X-P-A-N-D-S on that topic).

Again ... after you have gone through this - do come back - & do **CLICK** on each of the **HYPERLINKS** (the **Click HERE's**) - but also, "remembering" to keep clicking on your ...

'**BACK**' **BUTTONS** - Don't forget to click (and 'keep' clicking on) your **BACK Buttons** (upper left) on your screen - after you finish reading each **HYPERLINK** -- to get back to "this" one (the MAIN Page). Otherwise, you'll EXIT your screen (& "lose" this **orig** PDF).

We're ALL bombarded with "information overload" these days - I do apologize if I'm guilty of that here - I just want you to have the F-A-C-T-S about all of this! 😊

Here's to a "**PHONE Connect**" afterwards?

(Now, Click your **BACK** Button - Upper Left)
