

CASSI ...

This lovely lady is the person who inspired ME to explore **Affiliate Marketing** - something that I had not been familiar with, myself (since I'm a Business & Financial Consultant). 😊

Quite by accident, I had been surfing the Internet one day - and I came across her 'superior' Website / Blog - about all things DIGITAL ... and I became captivated.

Her enthusiasm / wisdom / credentials / explicit information ... they ALL captured my immediate attention, and I kept on revisiting her site! The schooling I received there was priceless ... causing me to "keep on digging" ...

Hello, and **WELCOME!** My name is **Peter Arnold**, and as mentioned, my own profession has been that of Business & Financial Consultant, and my own site is at ... [Virtual Wealth Plan](#) ... but this PDF is not to be **(Click) >>>** about me ... it's focus will on **CASSI**, and her world. 🍷

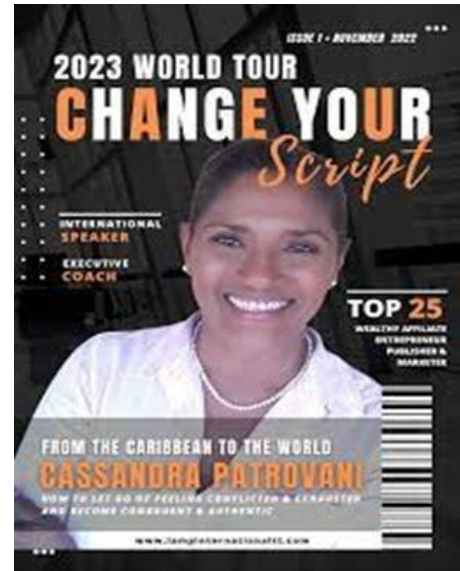

Ok - as I kept coming back to visit with **Cassi P.** (her full name is Cassandra Patrovani) - I also discovered that she had 'advanced' her own **Affiliate Marketing success** because of TRAINING - via **Wealthy Affiliate University** - an Educational Platform that she says she was truly blessed with - at completion of their **Online Entrepreneur Certification (OEC) Course** for all **Affiliate Marketers**. However, she let her MIND be completely open to LEARNING and then, taking ACTION (as you know, on 'other' Pages here, I'm letting you decide on that).

But first - have a look at WHY this lady SO "influenced" my own decision:

HER

= Name: Cassandra Patrovani // admired Public Speaker // Facilitator // Writer // Change & Behaviour Professional // Blogger // Coach // Consultant // Mentor // Affiliate Marketer.

= in Oct, 2019 - she learned of **Wealthy Affiliate**, and after seeing some material Online - she studied it - then joined **WA** and "rapidly" rose to their **Ambassador** rank (their highest level).

= She currently lives in Trinidad & Tobago - as a Single Parent, with her (talented) daughter (Zafirah) ...

= As an Entrepreneur, she has started businesses in New Zealand, the USA, and Trinidad. She has lived, and worked, all over the world - in England - in the USA - in Africa - New Zealand - Central America (to name a few) ...

= She now has **4** Websites and **8** excellent Income Streams (for example, from her [flagship] "**Consulting Website**" alone ... after only her first **4-mos** at **Wealthy Affiliate** - Cassi started "earning money" Online - and now, she gets ... Consulting Fees // Google AdSense income // Writing engagements // Affiliate referrals and revenue // Social Media followers // Search Engine rankings)! ...

= She also admits that - "working Online has given me the lifestyle that includes freedom - flexibility - networking - passive income - learning - bottomless growth! I started to earn income, from my **WA** training, and efforts, within my **1st yr** ... a few \$\$ then, have grown to **5-digits/mo** now - looking for **6-digits/mo** income!"

SHE
IS CLOTHED IN
STRENGTH
AND
DIGNITY,
AND SHE
LAUGHS
WITHOUT FEAR
OF THE FUTURE.

Cassi's Website / Blog ...

As I kept going back to Cassi's Website / Blog ('CassieOfTroy' - see below) - and kept reading her many Blog Posts there ... I found myself thinking ... perhaps "I" should be learning more about this whole - **Affiliate Marketing** thing - and also, about **Wealthy Affiliate** (one of the world's very best known TRAINING Platforms for Affiliate Marketers) ... all, as being a possible - extra "financial resource" - for some of my clients (and maybe - even for "me")! 🇻

So, I decided to "introduce" myself to Cassi, by posting a message in her COMMENTS Section, in two (2) of her Blog Posts. So to see these (scroll way down) - and, to **READ her Posts** >>>>>>> [Click HERE](#) + [HERE](#).

Cassi's (5-min) VIDEO - about "Creating A Meaningful Life" - and her strong thoughts, excitement, & future expectations - about the whole INTERNET world that is consuming us, etc. To watch this >>>  [Click HERE](#).

THE FINAL WORD

[[Cassi tells us - "the deep training that is available within the **WA** community is simply unparalleled. You gain university-level education - on everything **Internet** related: SEO - Keywords - Rankings - Google - Bing - YouTube - Pinterest - Facebook - LinkedIn - Websites/Blogs - Marketing Funnels - etc. But, what YOU then have to determine is - whether you have the patience, tenacity, passion, and resilience ... to (eventually - not quickly!) become a "professional" **Affiliate Marketer** - and build a happy FUTURE!"]]

I felt Cassi was very SPECIAL => this is WHY "I" joined with her, and began my own intensive study - of "both" **Affiliate Marketing** and **Wealthy Affiliate** - and why "YOU too" would have access to her => and, this great opportunity.
