

HBA - COMPEN\$ATION Potential

(From Promoting HBA's Products & Services - via their own **Affiliate Program**)

Revenue Streams - Ok, FIRST, there are “many” different sources of income & cash flows available, from **HBA's** “own” products & services alone ... **BUT**, the far “bigger picture” - from using the HBA Business & Training Platform - could be grouped into **(3) M.A.I.N. Sources** (for busy Entrepreneurs / Home eBiz Owners / Moms & Dads / Professionals / etc):

- 1)** Those wishing to grow / expand their “**existing**” **business**, using HBA's Marketing Tools (Store Owner / Restaurateur / Network Marketer / Designer / etc. With just their \$25/mo ‘Funnel Builder’ alone).
- 2)** Those wanting expert “training” for how to create their own **Affiliate Marketing** Online eBiz (a NICHE) to market “other” people's products & services - like becoming a Clickbank or Amazon Affiliate).
- 3)** Those who mainly wish to “**promote**” **HBA to others**, using its **Affiliate Program** (**80%** comm).

----- “Errors and Omissions Excepted” (E&OE) -----

[[Some will do **#1 only** ... some will do **#2 only** ... some will do **#3 only** ... and some will choose to combine **#1** or **#2** - along with **#3** (i.e. promoting HBA's (3) Monthly MEMBERSHIP Programs ... the **\$10/mo** LET'S **GOAL** App - the **\$25/mo** FUNNEL Builder Subscription - or the more “advanced” **\$125/mo** PREMIUM Subscription - or all 3).]]

[[BUT frankly, the **\$25/mo** [“All-In-One”] Membership has everything you'll need - at least in the beginning - and after only **(2)** sales [of “either one” - or all 3 Monthly Memberships] – you're already into immediate profit - because of the **(80%)** COMMISSIONS (paid weekly) from HBA. You must “own” any product, to get “paid” on it. This has - **NO** point systems - **NO** volume requirements - **NO** on-going production requirements - **NO** “hoops” to jump through - **NO** ‘multi-level’ payouts [like **MLMs**].]]
