

THIS is the HBA Leader “I” chose to Partner with.

YES, Amy Starr Allen has been an outstanding success in the MARKETING world, for many, many years ... both Online, and Offline ... with many different companies.

She has also been a very strong LEADER - with a “big heart” - with high values -and she “chose” to go to **HBA** ...because she was “in alignment” - 100% ... with their entire culture.

Here she is with the Co-Founders of **HBA** - i.e. Mike Hobbs (L), and Paul Hutchings (R). Amy has become one of **HBA's** top leaders, and also, a strong advocate of their stated company MISSION ("Freedom, Through Principle Centered Leadership"). She has her own *YouTube Channel* (with 800+ Teaching Videos) - and also, her own private *FACEBOOK Group*

(which I wanted to be a part of). Here's a recent Facebook post of hers >>>>>>>> [Click HERE](#).

Amy Starr Allen is a single mother, and entrepreneur, who has been marketing Online for 17+ years - and who is “committed” to helping others achieve their goals ... in Internet Marketing ... in Branding Strategies ... in their Home Businesses ... by “reducing the learning curve” - so that they can succeed much faster than she did.
