A TOP TRAINING RESOURCE for => Affiliate Marketers

Yes, you CAN gain **MORE FREEDOM** in your Life!

Hello, and **WELCOME!** My name is **Peter Arnold**, Canada. I'm a Business & Financial Consultant, and a Natural Health & Wellness Advocate, and I'm delighted to share with you, a PROVEN **Training** Platform, that could truly, help you enhance your financial future - and even PART TIME. >>> My **BIO**

SBI! (SoloBuildIt) has been described, by some, as ... *a “business-in-a-box, and - an MBA - all rolled into one pkg”*. And it's been an amazing EDUCATIONAL experience for me, personally, as I became more involved in it - especially, having tried SO many others (Affiliate Marketing **TRAINING Resources**). From my own experience here's an **overview**:

UP FRONT - SBI! is one of the most popular & most helpful **AFFILIATE MARKETING** TRAINING Resources ... and active Support Communities ... **and**, its been found to be a **Financial LIFESAVER** -- especially for >>>> those **AGE 50+** -- and, for >>>> **WOMEN**.

After **28+** years in business, **SBI!** (a Montreal, Canada, co.) is - 150,000+ strong - active in Canada / United States / Europe / Australia / Central America / South America - and, taking “newbies” - from ZERO - to PROFITABLE - as “successful” **Affiliate Marketers** - by offering them ALL of their training / tools / functioning websites / on-going coaching.

SBI! - It has been considered one of the most (if not the most) technologically advanced, sophisticated, and progressive **TRAINING Resource** Platforms, for **Affiliate Marketers**.

COLLEGES / UNIVERSITIES: In fact, numerous accredited learning institutions around the globe, have selected **SBI!** as their chosen resource - to teach their undergraduates, MBAs, and their Continuing Education students *eBusiness*.
e.g., ... The Citadel ... Baruch College (part of City University of New York) ... the University of Wisconsin-Fox River ... Graceland University ... Humber Institute of Technology & Business
MORE.

Just let the above “sink in” for a moment.

 [[This Platform (**SBI!**) is not one of those “hyped-up” MLM things - like Amway - OR, any “rah-rah” **Affil. Mkt’g** deal - like Wealthy Affiliate -or- like Legendary Marketer -or- Modern Wealthy -or- Launch You, etc - with their very “costly” **UPSELLS**. NO - this is **SBI!** - a low cost / solid / trusted / well “proven” Affiliate Marketing **TRAINING Platform**. YES, **SBI!** - is - DIFFERENT ... and, it is a **TRAINING Resource** that aligns itself with - “common sense” - “integrity” - “values”.]]

Does this mean that **SBI!** is “perfect”? **NO!** Absolutely not (there are lots of **SBI!** critics ... many, who would openly “debate” its perfection)! In fact, many would *prefer* - The Authority Site System / The Affiliate Lab / Authority Hacker / etc - which “are” excellent too - but they’re “far” *more costly*, and they cater to the *more experienced*.

NOT PERFECT

Like everything else that is - *run by* “humanoids” - **SBI!** **does** have its faults ... but show me ANY other **Training** Platform - ANYWHERE - in **Affiliate Marketing** ... with the Fans / Credibility / Integrity / Simplicity / Low Cost / + - that **SBI!** has (at least - as “I” see it).

FINALLY A **TRAINING Resource** - for Affiliate Marketers -- at it's **VERY BEST**.
