Answered by Sahyra Zamudio

**Summary**

El from Advise Market contacts Sahyra at ABC to discuss a payroll error involving Eric Lopes' hours. The hours were incorrectly listed as 79, and El seeks to have six hours deducted from their pay. Sahyra confirms receipt of the email and agrees to make the necessary correction. El also mentions a similar issue for Travis, which Sahyra acknowledges. The conversation concludes with both parties confirming the actions to be taken and ending on a positive note.

**Account Management****Action Items**

1. Sahyra to correct the payroll records as discussed.

Good morning

Hey there was a mistake on Erick lopez check. His hours worked 73.46 + 6hrs of sick pay you added the hours right but you did not.

Subtract his sick pay from his hours available

And if you can please do a new check for araceli chavez 64.15 + 15hrs of sick pay
