Taxpayer rights and sources for assistance

The Internal Revenue Code (IRC) gives taxpayers specific rights. The Taxpayer Bill of Rights groups these into 10 fundamental rights. See IRC Section 7803(a)(3). IRS employees are responsible for being familiar with and following these rights. For additional information about your taxpayer rights, please see the enclosed Publication 1, Your Rights as a Taxpayer, or visit irs.gov/taxpayer-bill-of-rights.

Taxpayer Advocate Service

The Taxpayer Advocate Service (TAS) is an independent organization within the IRS that helps taxpayers and protects taxpayers' rights. TAS can offer you help if your tax problem is causing a financial difficulty, you've tried but been unable to resolve your issue with the IRS, or you believe an IRS system, process, or procedure isn't working as it should. If you qualify for TAS assistance, which is always free, TAS will do everything possible to help you. To learn more, visit taxpayeradvocate.irs.gov or call 877-777-4778.

Tax professionals who are independent from the IRS may be able to help you.

Low Income Taxpayer Clinics (LITCs) can represent low-income persons before the IRS or in court. LITCs can also help persons who speak English as a second language. Any services provided by an LTC must be for free or a small fee. To find an LTC near you:

- Go to taxpayeradvocate.irs.gov/litcmap;
- Download IRS Publication 4134, Low Income Taxpayer Clinic List, available at irs.gov/forms; or
- Call the IRS toll-free at 800-829-3676 and ask for a copy of Publication 4134.

State bar associations, state or local societies of accountants or enrolled agents, or other nonprofit tax professional organizations may also be able to provide referrals.
