Hello, and **WELCOME** to this Page! My name is **Peter Arnold**. As a "semi-retired" Business and Financial Consultant (and, a Natural Health & Wellness Advocate), I am delighted to be able to "review" for you - a TOP source - for providing TRAINING / MARKETING TOOLS / SUPPORT … for "any" Home Based eBusiness you might wish to pursue (most likely, on a "part time" basis, at first). ---------- (**BIO**) >

!important Before going further, please go over this "short" piece >> Click HERE.

Yes, and given "today's" economic situation, a Part-Time, Home Based, Online eBusiness (call it a Side-Hustle) might well be able enhance your financial future [and your family's]. Whether you're a NEWBIE - with no experience [like "I" was] - or, an EXPERIENCED Marketing Pro - no matter!

The **HBA** Training / Marketing Tools / Support, are ALL outstanding … for everything you'll need, to create a nice Side eBiz, that will produce on-going PASSIVE Income Streams for you.

Ok, what follows is about AFFILIATE Marketing … and my message to you, on this PDF, is simply to I-N-F-O-R-M you - about the **HBA** (The Home Business Academy), and its many Digital Training / Marketing / Support benefits … for "any" business you're in … or you might pursue.

Also, this (**HBA**) is not any kind of hypey scam, or scheme, like the many we see all over the Internet / Social Media / AI Bots / Digital Sites / etc, these days.

However, **HBA** does incorporate some of the "really good parts" of **AI** (Artificial Intelligence) into its program, by including an "AI Assistant" [called "EMERSON"] - to help its users generate *smart content* [*Ads / Book Chapters / eMails / Sales Page Copy / Headlines / Video Scripts / Blog Posts / Info. on Social Media / Poetry / etc / etc. / etc*] - also, becoming a "welcome" TIME SAVER for its users.

In addition, HBA offers daily MASTERMIND CALLS - for education on Marketing / Techy Stuff / Lead Generation / Customer Acquisition / Funnel Building / Full Q&As / and much, much more.

But FIRST … I want to "interrupt" here - to share with you ["in case" you haven't heard], something I've been working on - for those of us who are [or, "will soon be"] … age 50+ …

This "fast growing" segment of our people could very well be facing *some financial uncertainties,* that will call for CAREFUL PLANNING, and this is exactly why I've been working on what "I" see as a very good SOLUTION for this … i.e. - *to be better prepared* for the future >>> the **HYBRID** Retirement Lifestyle,

And this is where **HBA** [and possibly "other" sources] can **shine**.

Ok … Back to HBA …

"LEVERAGED" Freedom - This is about you having all the "tools / systems / resources - in place" - for more TIME [i.e. YOU "not having to do everything by yourself" = LEVERAGE -- no matter what business / product / service / resource / MLM opportunity - that you might be in, or that you decide on building / promoting].

ALSO, to encourage & help "others" - in getting "their" Side eBusinesses going - you'll want to steer them to **HBA** too (as an **HBA** Affiliate) ... and, in so doing, YOU pick up very nice "additional revenue" streams ... since **HBA** pays an (**80%**) commission on all (**4**) of its own digital products.

Below, is **not** to try to SELL you - anything … it is strictly to EDUCATE you - about all this.

---------- "Errors and Omissions Excepted" (E&OE) ----------

As good as **HBA** is (and I, personally, believe it IS) … like ALL things created by we "humanoids" - it is still NOT perfect, in my view. I feel it does have a few "flaws" - and, it does have its "critics". Nevertheless, and with NO hype **…**

HBA (**The Home Business Academy**) - the COMPANY - was founded in 2016, by Paul H. and Mike H. - the two owners - who have worked together, as "eBiz. Partners" - since 2011.

HBA is located in Idaho, USA >>>>>>>>>>>>>> Click HERE.

The (**3**) **HBA** "Monthly Member Subscription" PRODUCTS**:** (**$10/mo**) … (**$25/mo**) … (**$125/mo**) USD … and with the real opportunity to earn monthly (on-going) RESIDUAL Income, from each >>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>> Click HERE.

NOTE: The *majority* only go for the **1st** (**2**) = **$35/mo** 'total'.

The (**one pay't only**) "FINANCIAL EDUCATION" product from **HBA**: Money Management -- Asset Building (and protection) -- Tax Planning -- Debt Elimination -- Passive Income Resources -- Retirement Planning, etc -- for more peace of mind - greater happiness - enhanced Time, and Financial Freedom - for all. To see this >> Click HERE.

The **HBA** COMPENSATION Plan is *extremely* generous. It offers an (**80%**) Commission - on ALL four (**4**) products - paid weekly … with NO point systems - NO volume requirements - NO ongoing production requirements - NO complex hoops to jump through - NO 'recruiting' / 'ranks' / 'labels' / 'big leader-boards' / 'multi-level' payouts [not MLM].
