UBI number: 604-054-816

Dear Employer:

We are charging a penalty

We must charge a $250.00 penalty because you made one or more errors on your unemployment tax and wage report. Three types of errors lead to penalties.

- Not sending a required report.
- Sending a report that has invalid or missing information.
- Using a form that our agency did not print, such as a photocopy.

Please pay by February 28, 2026

- Pay the penalty electronically at secureaccess.wa.gov, or
- Mail a check to our address below. Please include your ESD number on the check.

You made the following error

- Invalid or missing Standard Occupational Classification or missing Job Title for 194 out of 195 entries. SOC codes and Job Title cannot be amended, please correct on your next quarterly report.

Please call with corrections only if your penalty is due to missing SSN or hours.

Please call your local tax office at 855-829-9243 to provide correct information because we will need it if one of your employees applies for unemployment benefits. Please note that your call will not prevent the penalty.

Helpful hints

- Our tax software makes it easy to file your taxes electronically, and it keeps you from making most mistakes that lead to penalties. To get it free, please visit esd.wa.gov/file-taxes.
- If you need a paper tax form or more wage forms, please e-mail us at taxforms@esd.wa.gov. Please include the number of employees you have so we can send the correct number of forms.

Get more information

- To read the penalties law, please visit apps.leg.wa.gov/rcw and enter 50.12.220 in the search box.

- If you have questions, please contact your local tax office at OlympiaAMC@esd.wa.gov or 855-829-9243.

You have the right to appeal this decision

You must file your appeal in writing by February 28, 2026. State the decision you are appealing and the reason you disagree with the decision. Include your name, business name, address, telephone number and ESD number. Sign the appeal and send it to your local tax office or mail to:
