CANDID REVIEW **This 5-Page PDF is "long" - but it is 100% transparent, and unvarnished.**

Q: First, **could LiveGood** 'possibly' offer us … **More FREEDOM** in our lives … more **HEALTH Freedom + FINANCIAL Freedom + TIME Freedom** => in **ONE** place? Hmmm.

To begin, LiveGood - founded in 2022, is located in Florida. It operates globally - has **50+** Health & Wellness products - has **2 million+** members & growing fast >>> Corp. TEAM.

Some say it operates primarily as - a "Membership-Based, Deep Discount, Buyer's Club" - like Costco or Sam's Club.

Ben Glinsky, Founder and CEO, is an 'enthusiastic visionary' - (7-min video) >>> HERE.

PRODUCTS - The product portfolio includes a large variety of Multivitamins / Coffee **+** many others - for weight loss / sleep quality / inflammation / muscle recovery / probiotics+ / skin care / immune system care / cardiovascular health / liver support / energy / pets -- all being manufactured in the USA, at cGMP and NSF full 'certified' facilities. Many of LiveGood's products are **USDA Organic** ++. Just look at their >>> Super GREENS - and >>> Super REDS. The emphasis is always >>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>> HIGHEST Quality, at LOWEST Cost.

LiveGood considers our **HEALTH** the major reason for their beginning, in 2022 - and rightly so. They've addressed this - with their Health Products. Dr. Ryan Goodkin**:** >>> The "**Health Assessment**" >>>>>>>> Click HERE.

As well, LiveGood developed a simple way to give its Affiliates generous **FINANCIAL** Rewards.

The FUTURE? - What does LiveGood see, planning ahead? >>>>>>>>>>>>>>>>>>> See HERE.

V Our HEALTH V

Yes, our personal H-E-A-L-T-H is our "first", and "most precious", ASSET - on planet earth => bar none!

HEALTH? = Proper Diet + Exercise [control weight] + Supplements + Mindset + DE-Stress ++

TRUST? As I write this REVIEW of LiveGood, I realize that you likely don't know anything about ME - so why should you "take my word" for this? With your permission, may I at least share with you, some very *warm comments* that I've received - and for which I'm eternally grateful? >>> **KIND WORDS**.

Up Front - In addition to my background as a Business & Financial Consultant, and as a *strong* Natural Health & Wellness Advocate - I've also personally been involved in many different Home eBusinesses - some good - some NOT so good - in Affiliate Marketing / Network Marketing / Direct Marketing / etc. Frankly, it is "not always easy" to *evaluate* potential Home-Based eEnterprises - and this is why I wish to be "brutally **frank**" here.

This - in particular - has always been *one of my "pet peeves"* - since I have a "background" in NWM (which is what LiveGood is :>). As I was privileged to serve on the Board Of Directors of the - "Association of Network Marketing Professionals" - (ANMP.com) for four (4) years, representing my country, Canada - that experience alone, gave me a deep *inside look* at so many different Companies / CEOs / etc - Pro and CON - and so I feel that at least, I have a "reasonably" good FEEL for this industry … and I have always advised people … to simply "tread carefully" when they consider any such (Network Marketing) eBiz. **My private thoughts, on NWM** >> **HERE**.

Consequently, as good as LiveGood might be - like ALL things created by we "humanoids", it's still NOT perfect, in my view. I feel it does have a few "flaws" - and likely, a few "critics". However - and with **NO hype** … let's continuue**:**

!! Total MEMBERSHIP cost = ($9.95/mo US) !!

Ok, IF you think you **might** be interested in ALSO generating a part-time (or even a FULL-time) **INCOME** from this, become an AFFILIATE (**$40** - "once" only, for LiveGood) … then - you simply tell / share this with many "others" [family / friends / neighbors / relatives / associates / health pros - on Social Media / Facebook / Twitter / YouTube / etc / etc] … and, join their Private FB Groups.

Target Audience: In addition to every … Mom / Dad / Brother / Sister / Aunt / Uncle / Cousin / Grandparent … go for MDs / NDs / Health Enthusiasts / Weight Management Seekers / Natural and Alternative Health Supporters / Existing Supplement Users / Network Marketers - Affiliate Marketers - Entrepreneurs / People with Specific Health Concerns, or Issues / Holistic Health Advocates / etc / etc … the market is endless …

COMPENSATION Plan, for LiveGood Affiliates …

EXPERIENCE? Perhaps you already have a background in Network Marketing / Affiliate Marketing / Direct Sales (or are currently involved in one - like each one of the LiveGood "Leadership Team" certainly had been).

OR, maybe you have not had such experience - it truly does NOT matter. All you really need to do is SHARE the LiveGood Health PRODUCTS **+** eBiz OPPORTUNITY - with many others.

PROMOTE: Simply "tell others" about LiveGood - let them know that you feel this is "something very special" (assuming you DO) and promote it ONline and OFFline - at work / school / the gym / with family / friends / associates / health professionals / on Social Media / Facebook / Twitter / LinkedIN. You get the picture. >>>>>>>>>>>>>>>>>>>>>>> Here are some STATS.

Are YOU **Age 50**, or more (like ME :>)? IF so - I "urge" you to check out my next link, where I list some "critical reasons" about **WHY** "I" took these factors into play - when "**I**" decided to join LiveGood >>>>>>> **See HERE**.

NEXT STEP

Yes, I covered a "lot" of information above, in my own **CANDID Review** of this company, LiveGood. My goal was simply to provide you with "accurate" information - as "I" see it. IF this sounds "intriguing" to you - I recommend that you go over this Review again … and as many times as is necessary - until you feel quite comfortable - IF you should wish to consider taking the NEXT STEP.

NWM Despite my caution (above) on Network Marketing (i.e. **LiveGood**) - I do feel *"this" company IS vastly DIFFERENT* - LOW barrier to "entry" - LOW-LOW "price point" for its Health Products [the competition simply can't touch them] … HIGH-HIGH product "quality" (educated, highly skilled, in-house Product Developers) … extremely "generous" (revolutionary!) Compensation Plan (compared to traditional MLMs) - an expert Corporate Leadership Team - with ready, willing Marketing Support, and Product Education, for its Customers / Members / Affiliates. And these are just a few of the reasons - as "**I**" saw it.

Although LiveGood is **not** perfect - and while there are NO "guarantees" in this life … none … I do see LiveGood as an - "under one roof" - prime opportunity, to be able to gain … MORE **FREEDOM** in our lives … **HEALTH** Freedom **+** **FINANCIAL** Freedom **+** **TIME** Freedom**.** An even "bigger" picture? >>> OWNERSHIP.

This CANDID REVIEW does cover a lot of info. about LiveGood (and with many separate "links", etc) … but I sincerely hope it has helped YOU to gain a better picture of what is being offered by this SUBSCRIPTION company, in supplying for us - More FREEDOM in our lives (Health / Financial / Time).

"**I**" decided to become an AFFILIATE with LiveGood, for their PRODUCTS, and, to build an important / strong / successful - and lasting - Home eBIZ with them … AND, with many future partners … people like YOU. This IS different! **:>)**

If YOU would like to experience this too … I invite you to join with me - as a Customer, or Member, or Affiliate … with **LiveGood**. **I** (we) will absolutely, H.E.L.P you.
