BRIEFLY, it's About:

The \$50 Secret – How It Works

✦ Core Mechanics:

1. **Share the Secret** (10 minutes/day via text, social media, or chat).
2. **Get Paid \$25** when someone joins as an affiliate (\$49.95).
3. **Earn \$5** when *their* friends join.
4. **Earn \$2.50** when *their* friends' friends join... **10 layers deep.**

💡 Viral Math (The "Cycle" Example):

- **Cycle 1:** You get **10 people to JOIN** → **\$250** (\$25 x 10).
- **Cycle 2:** Those 10 **each get 10 to JOIN** → **\$500** (\$5 x 100).
- **Cycle 3:** Those 100 **each get 10 to JOIN** → **\$2,500** (\$2.50 x 1,000).
- **Total (3 Cycles): \$3,250...** and it **keeps growing**. You can have **unlimited cycles!**

🗣️ Key Point:

*"You don't even know these people—the **system tracks** it for you!"*
