COLOSTRUM6 Products

(Its **FLAGSHIP** product - its ingredients are in **ALL** their products)

(Powder)

(Capsules)

(Chews)

About the POWDER >>> [Click HERE](#)

About the Powder DOSAGES >>> [Click HERE](#)

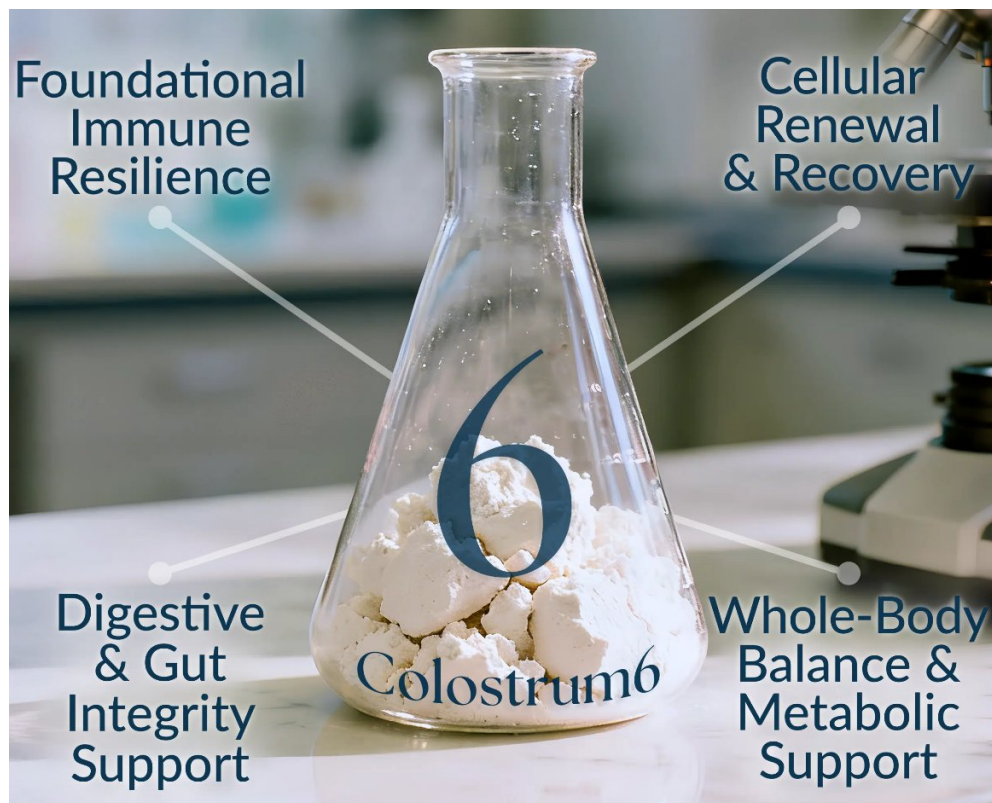

Colostrum6 is a “cornerstone” **Whole FOOD**, with over 700 constituents, that naturally balance, and regenerate, the body. It is grass fed, **BOVINE colostrum**, which is **99% bioidentical to HUMAN colostrum** (mother’s “first” milk), but Col.6 is “hundreds of times” more powerful. It contains: the IGF-1 super-family (anti-aging support) - **over 95 IMMUNE factors** (for health & wellness) - all of our essential amino acids / fatty acids / glycol-nutrients ... along with metabolic factors / vitamins / minerals / enzymes / etc / etc / etc. There are **172,000 Scientific Studies**, and **140+ Editorials & Research Articles** globally, “fully supporting” the health benefits of Bovine Colostrum, and all of its bioactive components. There are *100’s of peer-reviewed Reports* on its benefits + WAPF + the [LAB Report](#) + those in prestigious [PubMed](#).

COLOSTRUM6

172,000+ SCIENTIFIC STUDIES

True **COLOSTRUM** exists for only a short biological window. After **(6) hours**, its composition begins to change, and dilute. Anovite's **Colostrum6** is sourced exclusively "within" that critical **6-hr** window - preserving the complete bioactive profile that nature intended. Often called "*Life's First Food*" - it has 700+ nutrients, and bioactive components, to: ignite the Immune System / support Digestive & Gut Integrity / Cellular Renewal & Repair / Energy / Mental Clarity / Physical Vitality. Anovite "controls its own production" of Colostrum6, to ensure batch-to-batch consistency - and they "verify every lot" - via independent, third-party testing - including Cornell University / ARL Laboratories / Eurofins.
