

COMPENSATION PLAN

Anovité offers the exact same **Financial Rewards Plan** - for EVERYBODY ... including **Healthcare Professionals**. :>) It is both *simple* - and *lucrative* ... with **fifteen (15)** separate ways to get paid. Unlike many companies - that focus primarily on recruiting people, **Anovité Affiliates** are paid “when their products are purchased” by your Patients / Clients / Customers. There are **NO** start-up costs / **NO** upfront capital needed / **NO** monthly or annual fees / **NO** purchases required / **NO** personal guarantees. Stay for 8-days ... 8-years - there is **NO** cost.

SUPPORT - The Company provides, at **NO** charge: a highly-automated Marketing System / full Professional Training / Personal Coaching ... making it especially “ideal” for today’s very busy, (“non-sales”) **Health Professionals**. Also, my OWN Team has “superb” leadership at the **top!** :>)

What sets **Anovité** apart here is - YOU can still earn \$\$\$... “without ever purchasing Anovité **PRODUCTS** yourself” (although you’ll likely WANT to!) ... and/or ... “without ever building an **Anovité BUSINESS** yourself (in addition to that of your practice).

If you have at least **one (1)** Patient / Client / Customer ... who places an order of **\$50 or more** (if you did not place an order yourself) - in the past **30 days** - YOU qualify to earn commissions. Nice. **Have a look at some DETAILS >>> [Click HERE](#).**

The **Anovité** plan operates on a **BINARY Compensation** structure - which means you build two (2) **TEAMS**: a left leg + a right leg. You earn commissions based on the sales volume in both teams, and the plan is designed to reward you for “balancing” the sales between both sides, over time. Your commissions are determined by the “product volume” assigned to each product - or to product package ... but what is unique about **Anovité’s BINARY System** is this ... YOU qualify for different “ranks” too - based on the actual “dollar amount” of the sale.

In “addition” to the *generous BINARY commissions* - **Anovité** also offers several other ways to earn. For example - Leadership Pools, that reward top performers, with shared **BONUS** funds - Lifestyle BONUSES, for hitting specific income, or volume, goals - Matching BONUSES, where you earn a percentage of your Affiliates’ earnings. There’s also a Fast Start BONUS, on the first order of any new Patients / Clients / Customers (or Associates) that you enroll. Associates get paid every **week** - which means they can see the rewards of their hard work, on a regular basis. **Here’s some “more” info. >>>>>> [Click HERE](#).**
