It is taught that the scientific method is supposedly designed specifically to isolate preconceptions and beliefs from so-called "scientific conclusions." The taint of biased conclusions and allegedly inconsistent preconceptions is supposed kept separate from the data, in what we are encouraged to believe are pure "scientific results."

If this were really true, why would NASA and other military government agencies in the U.S., for instance, hide the true facts of many discoveries in space from the public? For example, do you really believe -- with all the incredible pictures of distant galaxies produced by the Hubbell telescope in earth orbit -- that amazingly vivid close-up pictures of the various planets of our own solar system, including the moon itself, have not been taken and analyzed thoroughly?

So what exactly do these images reveal that is so startling that NASA is concealing these truths behind a smokescreen of media disinformation and outright lies? Exactly why did the so-called "space race" come to a grinding halt three decades ago, and has never been resumed, while the new "space program" has morphed instead into a race to build an earth-orbit satellite-based weapons system dubbed "Star Wars" by our political leaders?

This program has been resurrected, along with carving out of cavernous, massively huge underground bases and facilities, even long after the "Cold War" came to a grinding halt with the fall of the Soviet Union. What do those who are behind-the-scenes of these activities know that you and I presumably don't?

It should be obvious that there can be only one correct interpretation of scriptural prophetic symbols, even though a particular symbol may stand for several different things. In fact, there is hardly ever a need for guesswork, since many of the symbols are in fact revealed somewhere else in scripture.

The key we need to understand first is that no scripture or scriptural prophecy is to be privately interpreted, so we must truly be led by the same spirit that inspired sacred men of old, who first wrote scripture for their use, for our use today, and for those who lived from then until now (cf. II Peter 1:20-21). Private interpretations of prophecy begin with human reasoning and political attempts to force-fit the prophecies into current popular beliefs of our age. The majority are seldom right when it comes to such spiritual matters, but it is a fact that, through the ages, most people have been notoriously ignorant and blinded to the events of their age in the perspective of scriptural prophecy.

Today, for instance, if modern “scientific”-minded men and women suddenly became aware of our Creator’s existence, or the existence of his angels (spiritual or physical aliens to us humans), doubtless they would still discount all that scripture reveals to us about their true nature (how there are, in reality, evil as well as righteous angels, for instance), and would doubtless consider the wicked angels—those who oppose their Creator’s will—as our “friends,” and our Creator as an interloping “enemy” who must be vanquished or defeated militarily at all costs, for the sake of “national security” and “self defense.”

Could this be why NASA (the National Aeronautics and Space Administration) was set up as a fifth branch of the U.S. military armed forces (but ostensibly as a quasi-“civilian” agency), the true purpose of which, according to its enabling legislation, is the development of space-based weapons systems, military space outposts, and the defense of the United States (and the world, in that order)?

Is the race to the moon, and now to the planet Mars, for the purpose of establishing a militarized perimeter about the earth, to “defend” humanity from the perceived threat of the true Savior’s imminent return to earth, to destroy and put a permanent end to the militant and militarized power of all nations, to bring them under the control of His world-ruling Kingdom, rather than the dis-“United” Nations?

One thing that is abundantly clear from the prophecies surrounding Mystery Babylon is the fact that they pertain to a world-ruling bestial government of cruel violence that will finally fight against the Savior Himself, at the time of His return to earth, accompanied by world-devastating plagues, comet and meteor strikes, major earthquakes, and similar massive and deadly catastrophes.

The entire book of Revelation, from the 6th chapter through the 20th chapter, concerns this still future time, when all of these things—similar to the plagues on ancient Egypt—will strike the wicked and powerful earthly nations and leaders who, like ancient Pharaoh, wish to make everyone else on earth their “corporate” or national bond slaves, and refuse to let them go free!

At the time of the end the nations of this world have dirty secrets they cover-up under the rubric concept of alleged "national security." Patriots from all nations will fight to preserve the final, ultimately evil scheme of world government, believing it is the only way they will preserve their own nation, way of life and religions, regardless of the inherent corruption and flaws underlying each of these.

Two men, from beyond the veil of ages past, will stand up and -- for three and a half years -- speak out boldly to expose the dirty secrets, sins and crimes of those in power, their militaries, bureaucrats, and even ordinary citizens. These two men will be imbued with such special power that any attempts to silence them -- all the SWAT teams, special commando units, stealth bombers, paramilitary, whatever -- will be instantly destroyed by their fiery command!

The lines are already being drawn for the final major battle -- the greatest in all history, in fact -- when the entire world will seek to preserve its tenuous hold on its corrupt forms of government and ways of war against perceived enemies. This will ultimately lead to attacking the returning Savior Himself, and those accompanying Him, depicting this as an alien culture and race seeking to overthrow the world

order, and utterly destroy civilization as we know it.

The Son is also depicted as angry and wrathful, as when He returns to earth and fights against the world's nations and their armies, navies, air forces, elite combat troops, special forces, SWAT teams and secret agents, in one penultimate climactic battle known as Armageddon ("John" 3:36; Romans 1:18, 2:5-8; Ephesians 5:3-6; Colossians 3:5-6; Revelation 6:16-17, 11:17-18, 14:9-11, 18-20, 16:12-16, 19:11-21).

Ten behind-the-scenes, unelected and nonaligned power brokers will conspire together to make their version of a world government, under a true despotic tyrant (the worst in our old sad world's entire history to date) a brief and cursed reality (verses 12-13), and they will commit the utterly evil crime of attempting to use modern technological weapons of warfare against the returning Savior Himself, whom they see as an alien outsider and interloper, not to mention "traitor" to their internationalist "paradise" (verse 14).

And those then living on the earth will, apparently, unite together in this wicked rebellion against our heavenly Creator who is King of kings and Sovereign of sovereigns, intent on worshipping their "mighty one" of weapons of mass destruction instead (Revelation 13:3-4, 8), (10.) a man, who will preach false salvation, will be someone the entire world will embrace and follow, because of all the comforting, easy to swallow lies and things he will teach them (Revelation 13:4, 8, 14; and also: Daniel 11:31-32).

"Let nobody deceive you by any method: because that day will not come, unless there first comes a rebellion, and the man of sin [lawlessness] is revealed, the man doomed to destruction" (II Thessalonians 2:3).

"The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast. "They will have one purpose and will give their power and authority to the beast." (Revelation 17:12-13)

"They will make war against the Lamb, but the Lamb will overcome them because He is Sovereign of sovereigns and King of kings -- and with Him will be His called, chosen and faithful followers." (Revelation 17:14)

"One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The entire world was astonished and followed the beast. Men worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can make war against him?" All inhabitants of the earth will worship the beast -- all whose names have not been written in the book of life belonging to the Lamb that was slain from the creation of the world." (Revelation 13:3-4, 8)

Unknown to most of his loyal and faithful followers, what this man says will actually be blasphemous (Revelation 13, verses 1, 5, 6), and will actually be cursing the true Creator and Savior, as if they are some alien interlopers, which will inspire most rebellious, sinful and arrogant modern men and women to do the same eventually (Revelation 16:9, 11, 21; and see: Daniel 11:36-38)!

A time of wrath and great mercy is coming upon the entire earth; wrath to the enemies of Creator Yahveh and His people, and compassion and salvation to His chosen elect, along with whoever is worthy enough to survive the coming carnage. These things must come to pass simply because the earth – and all life upon it – are now in the process of being corrupted through genetic tampering, massive chemical and drug pollution of the environment and food and water supply, widespread and deliberate pollution of the atmosphere with chem-trails from military and commercial aircraft – in a covert attempt at population decimation, by nefarious forces in control of what people falsely think of as their “own” government – among other similar great evils.

How could the merciful Creator’s justifiable wrath not be stirred by what is being done to corrupt and ruin His perfect creation by insane science, out-of-control political greed, stupidity, avarice and cupidity, and equally mad presidential/military ambitions?

The ancient prophets of Yahveh spoke and wrote of these things, and what is about to transpire on earth, flabbergasted and chagrined by what they witnessed in prophetic visions of things yet to come:

“Yahveh, I have heard of your fame; I stand in awe of your deeds, O Yahveh. Renew them in our day, in our time make them known; in wrath remember mercy.

“The Almighty One came from the southland, the Sacred One from Mount Paran.

“His glory covered the heavens and His praise the earth. His splendor was like the sunrise; light flashed from His hand, where His power was secreted.

“Plague went before Him; pestilence followed His steps. He stood, and shook the earth; He looked and caused the nations to tremble. The ancient mountains crumbled and the age-old hills collapsed. [Major earthquakes, the worst of which are still to come!]

“His ways are everlasting. I saw tents of Cusan in distress, the dwellings of Midian in anguish [modern day Kuwait and Saudi Arabia].

“Were you angry with the rivers, O Yahveh? Was your wrath against the streams? Did you rage against the sea when you rode your horses and your victorious chariots? [Or: UFOs; Unidenti- fied Flying Objects, in modern parlance.]

“You uncovered your bow, you called for many arrows. You split the earth with rivers; the mountains saw you and writhed. Torrents of water swept by; the deep roared and lifted its waves on high [enormous tsunamis].

“Sun and moon stood still in the heavens at the glint of your flying arrows, at the lightning of your flashing spear [perhaps solar flares and other similar earthshaking, great cosmic displays of lightning between heavenly bodies of the solar system; such as apparently caused the craters, rifts and chasms seen on the surfaces of the moon, Mars and numerous other planets and moons of this solar system – including the Grand Canyon, and the nearby Sunset Crater, and all of the other smaller craters within it – and in many other locations still visible on earth].

“In wrath you strode through the earth, and in anger you threshed the nations. You came out to save your people, to save your anointed one.

“You crushed the leader of the land of wickedness, you stripped him from head to foot. Pause and carefully consider this.

“With his own spear [Missile, laser or particle beam weapon?] you pierced his head when his warriors stormed out to scatter us, gloating as though about to devour the wretched who were in hiding.

“You trampled the sea with your horses, churning the great waters.

“I heard and my heart pounded, my lips quivered at the sound; decay crept into my bones, and my legs trembled.

“Yet I will patiently wait for the day of calamity to come on the nation invading us.

“Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, I will yet rejoice in Yahveh, I will be joyful in the Almighty One my Savior.

“The Sovereign Yahveh is my strength; He makes my feet like the feet of a deer, He enables me to go on the heights...” (Habakkuk 3:2-19).

Like some nightmarish science-fiction scenario, humanity will fight the coming Kingdom of peace, and its Prince, the returning Savior Yahveh, with false conviction of their “right” to continue destroying the earth and all life upon it.

The invading “aliens” will, however, include the prophets, apostles, righteous men, women, and kings from ancient times, up to and including some contemporary men and women, all of whom will take part in the wedding supper of the Lamb in heaven, before the throne of the Ancient of Days, Yahveh the Father; as participants in the first and more glorious resurrection.

When the dead come back to life, and are raised up in the first resurrection (only), incorruptible spirit beings no longer subject to death, a period of three and a half years will elapse. During this time those who remain on earth, but did not qualify for this monumental blessing of the ages, all those who will maintain their faith, will be persecuted and attacked, tortured, starved, imprisoned and finally beheaded by the coming bestial ruler over the entire earth.

This despot, along with the false-accuser, adversarial serpent/dragon spirit being that possesses him, is the one whose head will finally be crushed, and who will ultimately be destroyed by the returning Savior in a volcanic Lake of Fire!

Populations will be decimated, with few surviving this terrible time; which is about to take place in short order, a very few years from this late date.

The time sequence of end-time events begins with three kings, or countries and their rulers, being

suppressed; something already nearly completely fulfilled at this present time! After this, the upcoming world dictator will try to institute a new world calendar, thereby overthrowing all national laws or statutes supposedly based upon the Creator's Commandments, but just as flawed and errant as the governments pretending to be "righteous" or "just," by means of carnal "criminal" laws and pilfering statutes.

In particular, the tyrants' aim will be to finally destroy the strength of the actual descendants of Yasarel, the United States, Canada, United Kingdom, Europe and Australia, while proclaiming the supposed "death" "inconsequential existence" of the Creator; declaring the beast power the "supreme authority" over all the earth, "in perpetuity."

After the resurrection, during the time of the Lamb's wedding supper celebration in heaven, for a period of about 30 days, an angel (in a "flying saucer" or UFO) will traverse the world, warning the inhabitants of the earth of the coming judgment, and to repent of their sins (Revelation 14:6-13); while the 144,000, who refuse to worship the beast, or his image, and reject his mark, name and number, are sealed and protected (Revelation 14:1-5).

After this the final deadly seven plagues of the Creator's wrath will pour forth, against the rebellious inhabitants of the earth, for a period of about 40 days, which will culminate in the final battle of the beasts' war against the returning Savior, and His elect and angels at Megiddo, called Armageddon; shortly after the Savior returns to the Temple Mount, following a great earthquake, when the Mount of Olives is torn in half, resulting in a valley running east and west down the middle of it (Revelation 11:13; "Zechariah" 14:3-4)!

The end of the daily prayers on the Temple Mount will be a key, pivotal event (cf. Daniel 9:27, 11:31, 12:11; "Matthew" 24:15-16; Mark 13:14), that will signal the start of all these startling, final disasters of the despotism, that is even now conspiring and working silently to install into power over all nations on earth, in the days and few years remaining before the true Y2K (year 2,000 A.R.); which occurs in the Gregorian calendar year 2030 (the first resurrection being some time before that?)!

Then, immediately following this last terrible persecution, signs in the sun, moon and stars (or planets) will occur that will create hysteria and terror among all the inhabitants of the earth; those who are not expecting just punishment for their evil ways ("Matthew" 24:29; Mark 13:24-25; Luke 21:25-26).

Following this, there will be a sign in the sky heralding the Savior's imminent return, but instead of rejoicing over this it will cause all nations to grieve, despair, and complain bitterly.

Then, under a deluded belief that this is some unwanted malevolent alien invasion of flying saucers come to destroy the earth and all its inhabitants, the armies of the world will all come together in the middle east, in a futile attempt to fight against and defeat the returning Savior ("Matthew" 24:30-31; Mark 13:26-27; Luke 21:27-28).

The final prophecy found in the Old Testament also reveals what will soon take place, and is even now in the process of being fulfilled (by this very report, for instance)! This ministry has long worked to

restore the Law and Commandments of Creator Yahveh to their rightful place of respect, honor and obedience. Many hitherto lost things – such as Yahveh’s (and particularly Yahvsave’s) sacred name, the true sacred calendar, sabbaths and Feasts – have been restored only through this ministry, which has taught in the same spirit as the ancient prophet EliYahv, through prophecies and visions. Do yourself a favor, and please heed these words, if you wish to find the promised blessings of Creator Yahveh’s coming Kingdom on earth:

“Certainly the day is coming; it will burn like a furnace. **All the arrogant and every evil-doer will be stubble, and the day that is coming will set them on fire,**’ says Yahveh of hosts. ‘Not a root or a branch will be left to them. But for you who revere my name, the sun of righteousness will rise with healing in its wings. “And you will go out and leap like calves released from the stall. Then you will trample down the wicked; they will be ashes under the soles of your feet on the day when I do these things,’ says Yahveh of hosts.

“**Remember the Law of my servant Moses**, the decrees and laws I gave him at Horeb for all Yasrael.

“Look, **I will send you the prophet EliYahv before that great and dreadful day of Yahveh comes.** He will turn the hearts of the fathers to their children, and the wicked to the righteousness of the elect [correct rendition, according to the Septuagint translation, and as told to the Baptist’s father ZecharYahv – “Zechariah” – by an angel; recorded in Luke 1:17]; or else I will come and strike the earth with total destruction” (Malachi 4:1-6).

Two of America’s founders, John Adams (second president of the United States) and Thomas Jefferson (third president of the United States), both lifelong close friends, died on the very same day – July 4th, 1826 – the 50th anniversary of the Declaration of Independence, written largely by Jefferson, with significant help and advice from Adams. Their legacy, now largely forgotten by a new generation of Americans, raised and schooled to be mostly ignorant of their own heritage, marks this as a prophetic sign – a warning – of America’s just end, as humanity’s final fading hope for freedom on its own terms swiftly fades away!

Thus, the end of the United States of America, although it begins a very tumultuous and terrible time on earth for all the descendants of Ya’acob, or Yasrael, will finally conclude with a just and swift judgment against the wicked rulers of earth, and their armed forces.

Then, once the smoke clears and the worldwide devastation has finally ended, the prophesied new millennial age of peace, prosperity, spiritual and physical abundance, and the actual pure truth will at long last prevail over all the nations on earth.

Then, and only then, will humanity finally qualify to take their place amongst the other races of heavenly realms (“aliens,” or “angels” – meaning: “messengers”), from other planets and solar systems throughout the vast reaches of space, known as Creator Yahveh’s creation!
