Failing to understand the correct identification of modern nations in scriptural prophecy -- particularly the United States, Great Britain (also specifically named and prophesied in scripture), Germany, Russia, China and Japan (among others) -- has resulted in the utter failure of prophecy theorists to correctly understand all of the prophecies related to this age.

#### 1. The Twelve Tribes of Yasrael:

The English and related European peoples -- the Germans, Irish, Scottish, English, French and Scandinavians, among others -- are all direct descendants from the ancient twelve tribes of Yasrael, who are almost entirely unaware of their true ancestry.

All twelve Yasraelite tribes were prophesied to become great nations on earth in their own right (Genesis 17:5, 49:1-28; Deuteronomy 15:6, 26:19, 28:1; Romans 4:17-18; Revelation 7:4-8).

Disobedience to their Creator's covenants and Law was also prophesied to be the temporary downfall (still future) of all these nations (Deuteronomy 28:37, 65, 30:1-3; "Hosea" 8:10, 9:17; "Joel" 3:2 "Amos" 9:9; Luke 21:24).

The prophet discovered that the United States, as a whole, is described prophetically as mainly descendants of Ephraim (while the United Kingdom, along with Canada and Australia, are descendants of Manasseh), according to the prophecies of Genesis 48:17-20, and particularly the entire book of "Hosea."

Most of the descendants of the rebellious, stiff-necked, backsliding Yasarel are presently situated in Europe, Great Britain, Australia, Canada and the United States.

#### 2. America / Ephraim:

While a more accurate modern translation of the blessing on Ephraim, in which nations can also be rendered as states in modern English, reads: "Nevertheless, his [Manasseh's] younger brother [Ephraim] will be greater than he, and his descendants will become a united states.... "So he put Ephraim ahead of Manasseh." (Genesis 48:19 and verse 20!)

The prophet Yahvsave ("Hosea") was given a rather long prophetic message about the rebellious, stiff-necked, backsliding Yasarel — and in particular Ephraim — as chiefly guilty, among all the nations their descendants would one day become. The prophecy given about Ephraim reads somewhat like a modern history of the United States, unsurprisingly. For example, concerning the Civil War, in which the

north rebelled against the constitution permitting secession of states, while the mainly agricultural south rebelled against the economic suppression of the industrial north:

"The rebels are deep in slaughter, I will discipline all of them." ("Hosea" 5:2)

The modern age of Commandment despising secularists, agnostics, and humanists, with their Hollywood movie and television-inspired profligacy and whoredom, are also accurately described:

"They are unfaithful to Yahveh; they give birth to illegitimate children." ("Hosea" 5:7)

Even the present-day corruption of law enforcement into code enforcement, of a growing police state oppression, by way of courts of law (false law), and the intense idolatry of idol worship via media-promoted "stars" and "celebrities," was also prophesied:

"Ephraim is oppressed, trampled in judgment, intent on pursuing idols." ("Hosea" 5:11)

The unwillingness to abide by the Creator's Law and Commandments of the descendants of Yasarel, and mainly Ephraim, is described as similar to the sin of Adam:

"Like Adam, they have broken the covenant —they were unfaithful to me there." ("Hosea" 6:7)

All the while professing to be a "religious" people and country, from the head politicians on down to the popular preachers and priests, sexual promiscuity is one of the highlights of the peoples of modern Yasarel, led by Ephraim in particular:

"I have seen a horrible thing in the house of Yasarel. There Ephraim is given to prostitution and Yasarel is defiled." ("Hosea" 6:10)

The era of gangsterism down to the modern-day crimes of hold-ups and robberies, beginning with deceitful and greedy party politicians, down to the modern form of highway robbers called police and highway patrols, via asset forfeiture flaws, is also prophetically described:

"They practice deceit, thieves break into houses, bandits rob in the streets.... "They delight the king (President, Governors, "superior" and federal court judges, etc) with their wickedness, the princes (Politicians, Senators, Representatives, lower and state court judges, etc) with their lies," ("Hosea" 7:1, 3)

Even the modern form of regicide, assassinations, or just dethroning rulers and voting to elect new ones, the emigration of many different races into first America and then the U.K. and European nations, along with foreign aid and outsourcing of jobs and industry to other nations, is adequately revealed far in advance of these mainly modern activities:

"All of them are hot like an oven; they devour their rulers. All their kings fall, and none of them calls on me. "Ephraim mixes with the nations; Ephraim is a flat cake not turned over (i.e. like a burned pancake, racially speaking, white on top, black or dark brown on the bottom, socially). "Foreigners sap his strength, but he does not realize it. His hair is sprinkled with gray, but he does not notice.... "Destruction to them, because they have rebelled against me!...

"They do not turn to the Most High; they are like a faulty bow. "Their leaders will fall by the sword (In modern terms: guns, rifles, "smart" bombs, etc) because of their insolent words. For this they will be ridiculed in the land of Egypt." ("Hosea" 7:7-9, 13, 16)

Modern "peace accords" and alliances with Egypt and Russia, along the inevitable frustrated and thwarted results, were also prophesied in this remarkable book of scripture:

"Ephraim is like a dove, easily deceived and senseless — now calling to Egypt, now turning to Assyria. "When they go I will throw my net over them; I will pull them down like birds of the air. When I hear them flocking together; I will catch them." ("Hosea" 7:11-12)

Even the modern way state and national leaders are set up to rule over Americans, without considering the Creator's will, by popular vote (or more likely, voting fraud), is also adequately described with haunting prophetic precision:

"They set up kings [leaders, presidents] without my consent; they choose princes [congress, judiciary] without my approval." ("Hosea" 8:4)

Of course, these things are equally true of all the modern nations of Yasarel, from the U.K., Canada and Australia, to the nations of Europe as well.

In fact, the very idea of actual prophecy, or prophets, existing in modern times is considered a sign of mental insanity today:

"Because your sins are so many and your hostility so great, the prophet is considered a fool, the inspired man a maniac. "The prophet, along with my Almighty One, is the watchman over Ephraim, yet snares await him on all his paths, and hostility in the house of his Almighty One." ("Hosea" 9:7-8)

The modern prophet of the restoration has countless times faced just such hostility, being "excommunicated" on numerous occasions, having been physically accosted and attacked at religious meetings, having police called to bar his entrance, or merely ostracized, ignored and regarded with suspicion by others, in numerous locales.

Damning prophetic evidence of the insanity of modern-day Ephraim in particular, was set forth anciently in this remarkable prophecy, describing the needless slaughter of innocent children through abortion, in the fires of the modern idol of "Moloch" known today as "medicine," along with increasing difficulties in conceiving children and infertility, and the loss of our young in needless undeclared wars, as follows:

"Ephraim 's glory will fly away like a bird — no birth, no pregnancy, no conception. "Even if they rear children, I will bereave them of every one. Woe to them when I turn away from them! I have seen Ephraim, like Tyre, planted in a pleasant place. But Ephraim will bring out their children to the slayer (i.e. abortionists). "Give them, O Yahveh — what will you give them? "Give them wombs that miscarry and breasts that are dry!" ("Hosea" 9:11-14)

The self-righteousness of modern America in particular, but also of Canada, Great Britain, Australia and the nations of Europe, and their prosperity in relation to other nations, while relying on a corrupt currency and monetary system that results in every form of pricing, packaging and advertising fraud, is also described in accurate detail in this amazing prophecy, along with aggressive military actions against foreign nations to rob them of their control of, or profit from, their natural resources (oil being chief), with the final devastating result on our own country, are also set forth prophetically:

"Give careful thought to your ways. You have planted much, but harvested little. You eat, but never have enough. You drink, but never have your fill. You put on clothes, but are not warm. You earn wages only to put them in a purse with holes in it." ("Haggai" 1:5-6)

This is detailed more completely, in reference mainly to modern day Ephraim, or the United States of America, as follows:

"Ephraim feeds on the wind; he pursues the east wind all day and multiplies lies and violence. He makes a treaty with Assyria and sends oil to Egypt.... "The merchant uses dishonest scales; he likes to defraud. "Ephraim boasts, I am very rich; I have become wealthy. With all my wealth they will not find in me any lawlessness or sin.— "Therefore they will be like the morning mist, like the early dew that disappears, like chaff swirling from a threshing floor, like smoke escaping through a window.... "The guilt of Ephraim is stored up, his sins are kept on record. "Pains like a woman in childbirth come to him, but he is a child without wisdom; when the time arrives, he does not come to the opening of the womb.... "I will have no compassion, even though he thrives among his brothers. An east wind from Yahveh will come, blowing in from the desert; his spring will fail and his well dry up. His storehouse will be plundered of all its treasures." ("Hosea" 12:1, 7-8, 13:3, 12-15)

As the prophet ended his accurate foretelling of things to come, centuries and millennia in advance, he also defined the difference between those who are the Creator's elect and everyday Americans, Canadians, Britons, Australians, and Europeans, among others:

"Who is wise? He will realize these things. Who is discerning? He will understand them. "The ways of Yahveh are right; the righteous walk in them, but the rebellious stumble in them." ("Hosea" 14:9)

Also regarding America, long after the fall of ancient Babylon, another prophecy of a coming destruction of a modern Mystery Babylon superpower nation, of which the United States appears to be the ultimate fulfillment, was given in words hauntingly similar to those of the prophet just quoted:

"Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: "With such violence the great city of Babylon will be thrown down, never to be found again"" (Revelation 18:21).

Not only that, but the major city in America today -- in fact in the entire modern world, New York City -- the "Big Apple" -- is the subject of numerous scriptural prophecies in both Old and New Testaments. In fact, New York City is a prophetic type for the entire nation of America. It represents what will happen to the United States in the very near future. The description of Mystery Babylon the Great, in Revelation 18,

is that of a city, of which New York fulfills all the fascinating facets of the pithy prophecy, in minute detail.

### 3. Great Britain / England:

Of Manasseh Yasarel said: "He also will become a people, and he also will become great," (Genesis 48:19) just as the main country of the United Kingdom is otherwise called "Great Britain" to this day.

### 4. The United Kingdom:

The United Kingdom are descendants of Manasseh.

### 5. Canada:

Canadians and Australians, are descendants of Manasseh.

### 6. Russia / Assyria:

Modern-day Assyria is none other than Russia, and Russians are Modern day descendants of the ancient Assyrians.

### 7. Israel:

"Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts." ("Jeremiah" 51:27).

The modern day Ashkenazim are none other than the middle ages converts to Judaism, whose descendants today (mostly of the bloodthirsty "Zionist" persuasion) have falsely laid claim to what is now called "Israel," under the assumed but false name of "Jews," who are also to be found throughout Europe, and even America today.

This is, in fact, the little horn speaking swelling words of vanity and arrogance, a nation unlike any other before it or since, busily engaged in unrooting three other modern nations in this day and age, heavily engaged in intrigues and covert actions around the world in many other nations, including in America.

To rightly understand these prophecies, you must first divest yourself of all the propaganda, deceitful lies, fearful and hateful accusations, and all the political deceptions that are so prevalent today. There is

a people that, while irreligious in the whole, also lays claim to being religious at their core as a nation, relying not on the heavenly Creator to fight their battles for them, but rather upon their own might and supposed strength of arms, "intelligence" operatives and assassins, false flag murders, bombings, wars, and similar intrigues; that even now is engaged in violent, destructive attempted genocide, while also claiming to be victims (largely falsely, as true uncensored historical, indisputable facts prove, such as Almanac world population statistics for every year prior to, during and following WWII, published before the holocaust myth began to be taught as "fact") of this very sort of opposition, or attempted "extermination," over the years.

The intrigues it has spawned have already caused the fall of the kings and nations of Iraq and Libya, and most recently Egypt, and is presently seeking the downfall of Syria also, and even Iran, by similar means. It has also long been involved in intrigues to bring down the government of Iran, which in the past was ruled over by a dictatorial leader installed by American and British intrigue, the former Shah of Iran. The untold misery, suffering, death, destruction, and conflict instigated by this one arrogant and conceited nation called "Israel" — composed not of native inhabitants, but of invaders who have stolen from, and driven out, those who are, and were — in this age is incalculable. Any who dare speak up against its excesses and evils are quickly silenced by the scurrilous, malicious, and entirely false label of "anti-Semite" (Even against those who, unlike most who call themselves "Jews" today, are legitimate heirs and descendants of Sem through Abraham, Yatsaq and Ya'acob).

In terms of world-ruling (pagan religious) empires, there have been seven in history with ties to the middle east (Yaravsalem), in particular, beginning with the nation of ancient Egypt. At the time the prophet of the scriptural book of Revelation was given this prophecy, five had already fallen, one then was, and a seventh was yet to come. First there was, of course, Egypt, then Assyria, followed by Babylon, Medo-Persia, then Greece. These were the five that had fallen. The one that then was, of course, was the Roman (Christian) Empire itself. There was one that was to come, that did not arise until modern times, in fact, which even now is trampling down the sacred promised land and filling it with bloodshed, violence, and every other sort of evil. That is the so-called "secular" (actually irreligious) government of Zionism, based upon the one religion (Judaism) that extolls, above scripture itself, a false "authority" known as "the Babylonian Talmud," with which it rules by means of deception and intrigue (mainly through its Mossad covert agents around the world). It is easy to see how, out of the five major religions that predominate in the world today, this one little (mostly anti-religious regime), abominable head of Zionism could very well be guilty of being anti-Messianic in nature.

It is also fairly obvious why this startling truth has been invisible to the world and, as a whole, unknown; in a world that wonders after this beast, and fears to oppose it in any way, no matter how great the atrocities it commits! These include setting up false front "opposition" such as " Hamas " — a supposed Palestinian "Islamic" organization — which acts only in ways that evoke "provocation" for "retaliation," while never doing any real harm or damage to its alleged "enemies." Compare this to the massive harm and damage being waged in an all-out war of genocidal aggression against the native Palestinian people, including the elderly, women, children, injured, etc.; especially those now crowded by the millions into a narrow piece of land called the Gaza strip, with no escape from their tormentors, captors and murderers!

Claiming to be the "promised seed" and descendants of Abraham, a descendant of the son of Noah named Sem, while actually admitting to being of oriental stock through the offspring of a different son of Noah, Yapheth and his grandson Askenaz in particular (Genesis 10:2-3); i.e. "dwelling in the tents of Sem," (Genesis 9:27) modern Ashkenazim "Jew" Zionists, in particular, are actually the bad seed sown among the Creator's select people of Yisrael ("Matthew" 13:24-30). For instance, falsely claiming to be a fulfillment of the gathering of the Creator's people (descendants of Ya'acov), out of all nations, being restored to "their rightful inheritance," Zionist "Israel" today does not also exhibit the other requisites of those prophecies, of living at peace with their neighboring nations, much less with the "strangers" or "foreigners" in the same land (cf. Leviticus 19:33-34, 24:22; Ezekiel 47:22-23)! Some of the native peoples whom the Zionists have persecuted, and murdered, include those actually descended from Yisrael and Abraham, within the land of their promised inheritance, such as the murder of British officers just prior to declaring the new nation (which was not, and will endure for but a short while compared to other nations) of "Israel," in 1948 (or 1908 A.R.).

#### 8. Ararat:

Ararat, on Bible maps placed due north of ancient Babylon, and a little east of ancient Nineveh (also due north of ancient Babylon), situated between the Black and Caspian Seas, today occupies the nations of Turkey, Syria, Georgia, Armenia, Azerbaijan, Iraq and northern Iran.

#### 9. Iran:

The Medes, formerly of the "Medo-Persian" empire (which destroyed ancient Babylon), in fact are the peoples of modern-day Persia, or Iran!

"Yahveh has stirred up the kings of the Medes, because His purpose is to destroy Babylon.... "Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts. Prepare the nations for battle against her – the kings of the Medes, their governors and all their officials, and all the countries they rule" ("Jeremiah" 51:11, 27-28).

#### 10. Iraq:

The nation of Iraq, situated between the Black and Caspian Seas, is in Ararat.

#### 11. Tyre:

Ancient Tyre is a prophetic metaphor for any such economically/politically powerful cities built, as it was, on land reclaimed from the sea, as was Venice also, for instance.

"Your oarsmen [leaders] take you out to the high seas. But the east wind will break you to pieces in the midst of the sea (peoples, in other prophecies)." ("Ezekiel" 27:26)

This relates directly to the east wind of Katrina, and the destruction and havoc it helped to inflict upon the modern Tyre of New Orleans! Of course there is another type of Tyre in the modern world, a once

famously prosperous island situated off the mainland of Europe, known today as Great Britain, with its super prosperous City of London. The modern prophet sees this as a prophetic fore-type of what will eventually become of both New York City and Washington D.C., both built on land reclaimed from swampy marshland, and both former or current seats of government of the United States, the former also being the seat of the bestial prototype called the "United" Nations!

Nebuchadnezzar's dream vision symbolism revealed:

The city of Babel developed into the first true world power under the leadership of a king by the name of Nebuchadnezzar.

This king and his kingdom were the subject not only of much of Daniel's prophetic scripture, but also represents the start or genesis of a prophetic sequence of world powers, directly descended -- one after the other -- from this ancient Babylonian empire. This progression of world powers leads to the last days -- still yet future -- just prior to the Savior's return to rule earth and all nations.

In Daniel 2:31-33 king Nebuchadnezzar's vision of the image was revealed through Daniel:

"You, O king, looked and beheld an enormous image, whose brightness was dazzling, standing before you; and its form was terrifying. "The image's head was composed of pure gold, its breast and arms were made of pure silver, its belly and thighs were of brass, his legs of iron, and its feet were made of a mixture of part iron and part clay."

The explanation of these symbols is revealed in verses 37-43:

"You, O king, are a king of kings: because the Almighty One of heaven has given you a kingdom, power, strength and glory... You are that head of gold. "And after you shall arise another kingdom inferior to yours [the two arms represented the Medes and Persians, ruled by a common king represented by the breast or heart, who was Cyrus the Persian also known as Darius the Mede]. Next a third kingdom of brass, will rule over all the earth."

The entire earth, in those days, was limited to the European, Asian and African continents. The Greek kingdom under first Alexander the Great and then under his four generals, ruled over the entire known earth of that age. Continuing:

"And the fourth kingdom will be strong like iron; just as iron breaks in pieces and smashes everything else [such as the other metals/nations preceding it]: and just as iron breaks all these, likewise it shall break in pieces and crush all the others."

That kingdom was the terrible Roman Empire -- divided and standing, as it did, upon two legs or capitals -- ruled from both the Eastern empire with its capital located at Constantinople, and from the Western empire with its capital situated at Rome!

"And just as you saw the feet and toes, partly of potter's [baked] clay and partly of iron, the kingdom will

be divided; but there will remain in it the strength of iron, just as you saw the iron mixed with clay. "And as the toes of the feet were part iron and part clay, this kingdom will be partly strong and partly brittle. And just as you saw the iron mixed with baked clay, so the people will be a mixture and will not remain united, any more than iron mixes with clay."

This last part of the image seen in Nebuchadnezzar's dream vision represents the same kingdom of ancient Rome, in modern guise, embodied or personified in a group of nations or states that are supposed to be united in purpose, that are really divided politically, ethnically, religiously and culturally.

It is a system of rule dominating the entire world, which is divided into ten regions (or toes), and separated into two hemispheres (the two feet), composed of five regions each (five toes on each foot).

Interesting enough, our modern world is divided into exactly ten economic regions, in two hemispheres, of five regions per each hemisphere.

The basic world dominated governmental system ruling over or influencing, generally controlling or attempting to dominate, all of these regions is none other than democracy!

Like the ancient Roman Empire from which these present world powers developed, the hemispheres are the eastern and western hemispheres. The eastern includes Europe and is headquartered in Great Britain, while the western is centered in the United States of America.

The five regions or areas of political influence in the eastern hemisphere are roughly divided into Russia and its satellite states in Asia minor, China and its satellite nations in Asia, Japan and its pacific satellite islands, western Europe and the U.K., including Israel, South Africa and Australia, and Africa, including Egypt.

The five regions or areas of political influence in the western hemisphere are divided roughly into Canada, including Greenland and Newfoundland, The United States and its satellite possessions, Mexico, Central America, including Cuba, and South America and its related possessions.

The borders of some of these regions, such as between Russia and its eastern European satellites, are in flux to some extent, but the regions basically represent the ten toes of the image from Nebuchadnezzar's dream vision.

As with ancient Rome (the legs of iron), which was dominated by the western capital in Italy (Rome, after which the entire Roman Empire was named), today the western capital of the two feet (the "great toe" of the western world), the United States, dominates the entire world with its political and military exports.

The eastern capital, or "great toe," being the United Kingdom, although a major influence in its part of the world, doesn't wield anywhere near the influence of its western world counterpart.

Although communist for most of the 20th century, if anything Russia and China have become more westernized, to all outward appearances (first when each nation absorbed communism direct from New

York City, and now socialized democracy from the same source).

In many ways, such as the moral crisis facing the U.S. today, the waves of immigrants changing our form of government, an ongoing financial crisis, and a general social malaise brought about by lethargy and indolence, created by a glut of ready entertainments, and now by computer games and the Internet's many distractions (which did not exist when this article was first published), the United States has been aptly named "the modern Romans."

But how can the U.S. be said to be directly descended from the ancient world-ruling Roman Empire? The answer may amaze you.

First, America's style of government was based largely and patterned directly upon the ancient Roman and Greek models. The name, organization and operation of one of the major institutions of government -- the Senate -- was directly borrowed from the Roman Senate.

Second, the capital of Rome's westernmost outpost was Eborac, England, which developed into the name York (meaning: boar or pig), and finally Yorkshire. This capital of Roman Britain is today the largest county in England, and the capital of North Yorkshire is the town of York.

Many nations attempted to colonize North America, beginning over 400 years ago. The Dutch founded a colony they called New Amsterdam, in what became New York state, which was under the Dutch government from 1609 to 1664. However, immigrants from England soon overran the colonies, and this one in particular, under British government control, was then renamed New York (meaning: New Eborac, or "new pig"). Today, though the nation's capital is presently and ostensibly Washington D.C., the original capital and true hub of international influence and financial or political control was and still is centered in New York City, in the state of New York.

This one city, more than any other, became the real melting pot of every race known to man, and is home to the major manipulators of world commerce and government today, through Wall Street (the stock, bond and commodities markets), Madison Avenue (advertising, stage, radio, television and film entertainment venues), and the United Nations (the prototype for a world government), the Council on Foreign Relations and the Trilateral Commission (representing the true ruling powers invisibly controlling America and, by extension, the world).

New York City is also an amazing carbon copy of the ancient city/nation state of Babylon -- based on maritime law through ancient Rome, and more anciently the law of merchants and contract law, which started with Babylon and was transposed to the Medo-Persian Empire, the Greek Empire of Alexander the Great and his four generals, the Roman Empire, of which England was its furthest outpost, and finally transposed from the United Kingdom (or the City of London, to be more precise) to New York City, and from there to all of America, Canada, and the rest of the world.

This ancient system of Admiralty law (maritime law under martial law, during wartime or a period of national emergency, which nearly always exists to one degree or another) brought inland via adhesion contracts and the courts through an un-American debt-based fiat paper currency system, is still alive

today!

Prophetic "Sacred Calendar" Insight:

The sixth annual sabbath being the new-cycle celebration of the first day of the seventh cycle month, which is also the Feast known as Reva, or shout of alarm (the fifth millennial "work day"), covers the periods of major turmoil, of wars and pestilence, famine and economic upheavals, beginning with the establishment of the world's oldest Parliament in Iceland (930 C.E.), and spanning through the overthrow of the Muslim Caliphates in Europe, the plague (Bubonic) of the Black Death, and the resulting rise of Protestantism, the French and American revolutions, the Civil war, World War I and the Communist revolutions in Russia and China, the "great" Depression, World War II, the Cold War, Korean and Vietnam wars, the final fall of Communism in Russia, and the wars in Afghanistan, Bosnia, Iraq, Libya, and soon Syria and possibly even Iran, and finally America and England.

Still Future Prophecy:

The bestial conspiracy to control all nations on earth, and all peoples, under a one-world tyranny, is a very old one, dating back nearly two and a half centuries.

Their secretive societies, where the actual purposes of the founders and controllers are hidden from all but the highest initiates, include Scottish Rite Free Masonry, which Albert Pike (1809-1891) joined in Charleston, South Carolina in 1858, became the Grand Commander of its Supreme Council in 1859; finally writing and publishing its most important book: *Morals and Dogma*, in 1871.

Albert Pike openly admitted to involvement in a worldwide group of conspirators, revealing the conspirators' plot to foment a third world war between the powers of the East (Islam and its allies in Russia and China) and the West (Israel and its allies, such as the United States, Western Europe, England, Australia, Canada, etc.). The stated purpose is for all present world powers to destroy themselves, leaving these treasonous traitors, who have their well-stocked and fortified deep underground shelters to wait out the devastation, in control of what remains of the world.

This is leading up to the climactic conflict, where the final "coalition" of Babylonian nations of this age will ultimately meet its Maker.

The time sequence of end-time events begins with three kings, or countries and their rulers, being suppressed; something already nearly completely fulfilled at this present time! After this, the upcoming world dictator will try to institute a new world calendar, thereby overthrowing all national laws or statutes supposedly based upon the Creator's Commandments, but just as flawed and errant as the governments pretending to be "righteous" or "just," by means of carnal "criminal" laws and pilfering

statutes. In particular, the tyrants' aim will be to finally destroy the strength of the actual descendants of Yasarel, the United States, Canada, United Kingdom, Europe and Australia. The beast power will do away with the daily offering of morning and evening prayers, at the Al'Aqsa mosque on the former Temple Mount, by descendants of Abraham through Yasrael, setting up the beast's abominable image there, which starts the clock ticking on the 1,260, 1,290 and 1,335 days.

In view of the prophesied consortium of nations to be raised against Babylon, who will destroy and burn it (possibly with nuclear holocaust and conventional warfare), the ancient prophet Yehonatan revealed they would be led by, and also include:

“Yahveh has stirred up the kings of the Medes, because His purpose is to destroy Babylon....

“Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts. Prepare the nations for battle against her – the kings of the Medes, their governors and all their officials, and all the countries they rule” (“Jeremiah” 51:11, 27-28).

According to the modern prophet, America will bite off more than it can chew, should it ever get directly involved in another attack on Iran, which now has both Russia and China itching, ready, willing and able to take the United States down a peg, or all the way if needed. Which will most likely spell the end of the United States of America, both as a world power and as a nation in its own right, thereby opening the door for the emerging beast power and religious despot to finally arise, to corrupt and deceive the entire world!

Since wars between major industrial powers and corporations in the disguise of nations, will no longer be seen as being viable (with the major exceptions being any nation or leader – such as Iraq, Afghanistan, Libya, Syria, Iran, etc., that refuses to go along with the long-planned “one world government” despotism), the increasing trend of nations will be to turn inward, to attack and persecute anyone and everyone among their populace who are seen as “dangerously” different or non-conformist.

Along with other countries, most of them Muslim, the United States is busily alienating in the region – such as Libya, Afghanistan, Pakistan and even China and Russia, among others – there is a potential for a major alliance against the United States to break out of this region on some future day.

According to scriptural prophecy this alliance will strike modern Mystery Babylon from the north (just as ancient Medo-Persia attacked ancient Babylon from the north), unexpectedly and effectively ending the adulterous and volatile nation (see: “Jeremiah” 50:3, 9, 41, 51:48).

The most direct route for a coalition of nations from this region of the world to swiftly and unexpectedly attack the United States is over Siberia and Canada, from the north, with the blessing of the former head of many of these countries – via the former communist Soviet empire – the nation of Russia/Assyria!

If economic and world history is any guide, this coalition will be joined and led by none other than China, America's largest creditor, just as Medo-Persia was ancient Babylon's main creditor, and Greece was later

Medo-Persia's, and Rome was still later Greece's. Throughout history, in turn, each new conquering world power was, in fact, the main creditor of the former world power they finally subdued and subjugated.

Apparently, according to scriptural prophecy (especially Revelation 17:16, where the great whore, Mystery Babylon's, end is described as: "they will eat her flesh and burn her with fire"), the United States will end its reign of terror over the nations of the earth in a devastating and conclusive nuclear holocaust.

And the only safe place to be, in relation to the United States, when that day comes, is anywhere other than North America!

A time of wrath and great mercy is coming upon the entire earth; wrath to the enemies of Creator Yahveh and His people, and compassion and salvation to His chosen elect, along with whoever is worthy enough to survive the coming carnage.

The ancient prophets of Yahveh spoke and wrote of these things, and what is about to transpire on earth, flabbergasted and chagrined by what they witnessed in prophetic visions of things yet to come:

"Yahveh, I have heard of your fame; I stand in awe of your deeds, O Yahveh. Renew them in our day, in our time make them known; in wrath remember mercy.

"The Almighty One came from the southland, the Sacred One from Mount Paran.

"His glory covered the heavens and His praise the earth. His splendor was like the sunrise; light flashed from His hand, where His power was secreted.

"Plague went before Him; pestilence followed His steps. He stood, and shook the earth; He looked and caused the nations to tremble. The ancient mountains crumbled and the age-old hills collapsed. [Major earthquakes, the worst of which are still to come!]

"His ways are everlasting. I saw tents of Cusan in distress, the dwellings of Midian in anguish [modern day Kuwait and Saudi Arabia].

"Were you angry with the rivers, O Yahveh? Was your wrath against the streams? Did you rage against the sea when you rode your horses and your victorious chariots? [Or: UFOs; Unidenti- fied Flying Objects, in modern parlance.]

"You uncovered your bow, you called for many arrows. You split the earth with rivers; the mountains saw you and writhed. Torrents of water swept by; the deep roared and lifted its waves on high [enormous tsunamis].

"Sun and moon stood still in the heavens at the glint of your flying arrows, at the lightning of your flashing spear [perhaps solar flares and other similar earthshaking, great cosmic displays of lightning between heavenly bodies of the solar system; such as apparently caused the craters, rifts and chasms seen on the surfaces of the moon, Mars and numerous other planets and moons of this solar system –

including the Grand Canyon, and the nearby Sunset Crater, and all of the other smaller craters within it – and in many other locations still visible on earth].

“In wrath you strode through the earth, and in anger you threshed the nations. You came out to save your people, to save your anointed one.

“You crushed the leader of the land of wickedness, you stripped him from head to foot. Pause and carefully consider this.

“With his own spear [Missile, laser or particle beam weapon?] you pierced his head when his warriors stormed out to scatter us, gloating as though about to devour the wretched who were in hiding.

“You trampled the sea with your horses, churning the great waters.

“I heard and my heart pounded, my lips quivered at the sound; decay crept into my bones, and my legs trembled.

“Yet I will patiently wait for the day of calamity to come on the nation invading us.

“Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, I will yet rejoice in Yahveh, I will be joyful in the Almighty One my Savior.

“The Sovereign Yahveh is my strength; He makes my feet like the feet of a deer, He enables me to go on the heights...” (Habakkuk 3:2-19).

In the battle of Armageddon, the world as a whole will one day actually gather and marshal all its coalition troupes together in an area called the plain of Meggido, north of Yeravsalem, to battle and try to prevent the Savior's return to rule over all nations on earth!)(Revelation 14:14-20, 19:11-21). As an interesting aside, the prophet surmised that the blood from the battle of Armageddon flowing as high as a horse's bridles at a distance of 180 miles (1,600 stadia; Revelation 14:20), could be fulfilled by an earthquake caused rift, similar to that which at that time will split the Mount of Olives in two, east to west, allowing a river to flow from under the returning Savior's Temple and Throne to the Dead Sea (Zechariah 14:3-4, 8).

This could carry runoff from the plain of Megiddo south, through the Dead Sea and into what would then become an outlet river from the southern tip of this body of salt water to the eastern most branch of the Red Sea, at the northernmost boundary being nearly exactly 180 miles from the battle site of Armageddon. Carried by the cleansing waters from the Savior's throne, this distance south, the blood of that historic battle could very well reach up to a horse's bridles as a result, in fulfillment of this rather startlingly graphic prophecy.

This would also be a very symbolic victory and event, as it was this very branch of the Red Sea that the tribes of Yasarel escaping Egypt traversed into what is present-day Saudi Arabia, where their Egyptian army pursuers were drowned and killed, by the very same Creator who would centuries later come the

first time as the Son of Man!

Like some nightmarish science-fiction scenario, humanity will fight the coming Kingdom of peace, and its Prince, the returning Savior Yahveh, with false conviction of their "right" to continue destroying the earth and all life upon it. The invading "aliens" will, however, include the prophets, apostles, righteous men, women, and kings from ancient times, up to and including some contemporary men and women, all of whom will take part in the wedding supper of the Lamb in heaven, before the throne of the Ancient of Days, Yahveh the Father; as participants in the first and more glorious resurrection. When the dead come back to life, and are raised up in the first resurrection (only), incorruptible spirit beings no longer subject to death, a period of three and a half years will elapse. During this time those who remain on earth, but did not qualify for this monumental blessing of the ages, all those who will maintain their faith, will be persecuted and attacked, tortured, starved, imprisoned and finally beheaded by the coming bestial ruler over the entire earth.

Populations will be decimated, with few surviving this terrible time; which is about to take place in short order, a very few years from this late date.
