Failing to understand the correct identification of modern nations in scriptural prophecy -- particularly the United States, Great Britain (also specifically named and prophesied in scripture), Germany, Russia, China and Japan (among others) -- has resulted in the utter failure of prophecy theorists to correctly understand all of the prophecies related to this age.

1. The Twelve Tribes of Yasrael:

The English and related European peoples -- the Germans, Irish, Scottish, English, French and Scandinavians, among others -- are all direct descendants from the ancient twelve tribes of Yasrael, who are almost entirely unaware of their true ancestry.

Most of the descendants of the rebellious, stiff-necked, backsliding Yasarel are presently situated in Europe, Great Britain, Australia, Canada and the United States.

2. America / Ephraim:

The prophet discovered that the United States, as a whole, is described prophetically as mainly descendants of Ephraim (while the United Kingdom, along with Canada and Australia, are descendants of Manasseh), according to the prophecies of Genesis 48:17-20, and particularly the entire book of "Hosea."

While a more accurate modern translation of the blessing on Ephraim, in which nations can also be rendered as states in modern English, reads: "Nevertheless, his [Manasseh's] younger brother [Ephraim] will be greater than he, and his descendants will become a united states.... "So he put Ephraim ahead of Manasseh." (Genesis 48:19 and verse 20!)

Also regarding America, long after the fall of ancient Babylon, another prophecy of a coming destruction of a modern Mystery Babylon superpower nation, of which the United States appears to be the ultimate fulfillment, was given in words hauntingly similar to those of the prophet just quoted:

"Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: "With such violence the great city of Babylon will be thrown down, never to be found again"" (Revelation 18:21).

Not only that, but the major city in America today -- in fact in the entire modern world, New York City -- the "Big Apple" -- is the subject of numerous scriptural prophecies in both Old and New Testaments. In fact, New York City is a prophetic type for the entire nation of America. It represents what will happen to

the United States in the very near future. The description of Mystery Babylon the Great, in Revelation 18, is that of a city, of which New York fulfills all the fascinating facets of the pithy prophecy, in minute detail.

3. Great Britain / England:

Of Manasseh Yasarel said: "He also will become a people, and he also will become great," (Genesis 48:19) just as the main country of the United Kingdom is otherwise called "Great Britain" to this day.

4. The United Kingdom:

The United Kingdom are descendants of Manasseh.

5. Canada:

Canadians and Australians, are descendants of Manasseh.

6. Russia / Assyria:

Modern-day Assyria is none other than Russia, and Russians are Modern day descendants of the ancient Assyrians.

7. Israel:

"Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts." ("Jeremiah" 51:27).

The modern day Ashkenazim are none other than the middle ages converts to Judaism, whose descendants today (mostly of the bloodthirsty "Zionist" persuasion) have falsely laid claim to what is now called "Israel," under the assumed but false name of "Jews," who are also to be found throughout Europe, and even America today.

This is, in fact, the little horn speaking swelling words of vanity and arrogance, a nation unlike any other before it or since, busily engaged in unrooting three other modern nations in this day and age, heavily engaged in intrigues and covert actions around the world in many other nations, including in America.

Claiming to be the "promised seed" and descendants of Abraham, a descendant of the son of Noah named Sem, while actually admitting to being of oriental stock through the offspring of a different son of Noah, Yapheth and his grandson Askenaz in particular (Genesis 10:2-3); i.e. "dwelling in the tents of Sem," (Genesis 9:27) modern Ashkenazim "Jew" Zionists, in particular, are actually the bad seed sown among the Creator's select people of Yasarel ("Matthew" 13:24-30). For instance, falsely claiming to be a fulfillment of the gathering of the Creator's people (descendants of Ya'acov), out of all nations, being restored to "their rightful inheritance," Zionist "Israel" today does not also exhibit the other requisites of those prophecies, of living at peace with their neighboring nations, much less with the "strangers" or "foreigners" in the same land (cf. Leviticus 19:33-34, 24:22; Ezekiel 47:22-23)! Some of the native peoples whom the Zionists have persecuted, and murdered, include those actually descended from

Yasarel and Abraham, within the land of their promised inheritance, such as the murder of British officers just prior to declaring the new nation (which was not, and will endure for but a short while compared to other nations) of "Israel," in 1948 (or 1908 A.R.).

8. Ararat:

Ararat, on Bible maps placed due north of ancient Babylon, and a little east of ancient Nineveh (also due north of ancient Babylon), situated between the Black and Caspian Seas, today occupies the nations of Turkey, Syria, Georgia, Armenia, Azerbaijan, Iraq and northern Iran.

9. Iran:

The Medes, formerly of the "Medo-Persian" empire (which destroyed ancient Babylon), in fact are the peoples of modern-day Persia, or Iran!

"Yahveh has stirred up the kings of the Medes, because His purpose is to destroy Babylon.... "Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts. Pre- pare the nations for battle against her – the kings of the Medes, their governors and all their officials, and all the countries they rule" ("Jeremiah" 51:11, 27-28).

10. Iraq:

The nation of Iraq, situated between the Black and Caspian Seas, is in Ararat.

11. Tyre:

Ancient Tyre is a prophetic metaphor for any such economically/politically powerful cities built, as it was, on land reclaimed from the sea, as was Venice also, for instance.

Still Future Prophecy:

In the battle of Armageddon, the world as a whole will one day actually gather and marshal all its coalition troupes together in an area called the plain of Meggido, north of Yaravsalem, to battle and try to prevent the Savior's return to rule over all nations on earth!)(Revelation 14:14-20, 19:11-21). As an interesting aside, the prophet surmised that the blood from the battle of Armageddon flowing as high as a horse's bridles at a distance of 180 miles (1,600 stadia; Revelation 14:20), could be fulfilled by an earthquake caused rift, similar to that which at that time will split the Mount of Olives in two, east to west, allowing a river to flow from under the returning Savior's Temple and Throne to the Dead Sea (Zechariah 14:3-4, 8).

This could carry runoff from the plain of Megiddo south, through the Dead Sea and into what would then become an outlet river from the southern tip of this body of salt water to the eastern most branch of the Red Sea, at the northernmost boundary being nearly exactly 180 miles from the battle site of

Armageddon. Carried by the cleansing waters from the Savior's throne, this distance south, the blood of that historic battle could very well reach up to a horse's bridles as a result, in fulfillment of this rather startlingly graphic prophecy.

This would also be a very symbolic victory and event, as it was this very branch of the Red Sea that the tribes of Yasarel escaping Egypt traversed into what is present-day Saudi Arabia, where their Egyptian army pursuers were drowned and killed, by the very same Creator who would centuries later come the first time as the Son of Man!

Like some nightmarish science-fiction scenario, humanity will fight the coming Kingdom of peace, and its Prince, the returning Savior Yahveh, with false conviction of their "right" to continue destroying the earth and all life upon it. The invading "aliens" will, however, include the prophets, apostles, righteous men, women, and kings from ancient times, up to and including some contemporary men and women, all of whom will take part in the wedding supper of the Lamb in heaven, before the throne of the Ancient of Days, Yahveh the Father; as participants in the first and more glorious resurrection. When the dead come back to life, and are raised up in the first resurrection (only), incorruptible spirit beings no longer subject to death, a period of three and a half years will elapse. During this time those who remain on earth, but did not qualify for this monumental blessing of the ages, all those who will maintain their faith, will be persecuted and attacked, tortured, starved, imprisoned and finally beheaded by the coming bestial ruler over the entire earth.

Populations will be decimated, with few surviving this terrible time; which is about to take place in short order, a very few years from this late date.

As the prophet ("Hosea") ended his accurate foretelling of things to come, centuries and millennia in advance, he also defined the difference between those who are the Creator's elect and everyday Americans, Canadians, Britons, Australians, and Europeans, among others:

"Who is wise? He will realize these things. Who is discerning? He will understand them. "The ways of Yahveh are right; the righteous walk in them, but the rebellious stumble in them." ("Hosea" 14:9)
