Once you know where to look, and are aware of the exact definitions of the original words used, there is no doubt that the United States was indeed mentioned by name in scriptural prophecy. Not only that, but the major city in America today -- in fact in the entire modern world -- is the subject of numerous scriptural prophecies in both Old and New Testaments, once you know where to look.

There is an accurate prophetic fulfillment to be found in the one "great" city, extolled in popular song and culture around the world, which has spawned so many other economies, governmental systems and cities just like it worldwide.

The prophet readily recognized that only one modern city on earth fulfills all the fascinating facets of the pithy prophecy, in minute detail, of Revelation 17 and 18, which is modern Mystery Babylon, the great whore city:

"...I saw a woman [in the desert] sitting on a scarlet beast that was covered with blasphemous names and had seven heads and ten horns...." (Revelation 17:3).

"Mystery Babylon the Great, the mother of whores and abominations of the earth" (Revelation 17:5).

"The woman you saw is the great city that rules over the kings of the earth." (Revelation 17:18).

the modern epitome of which is none other than New York City!

That's right, New York City -- the "Big Apple" -- itself is mentioned and described in minute detail in some major scriptural prophecies dealing with our present age, and the near future! In fact, New York City is a prophetic type for the entire nation of America. It represents what will happen to the United States in the very near future. As with ancient Babel, this modern city stands for the state and nation of the United States and, by extension, for the entire world that is influenced, controlled by, or imitates it.

The prophet has taught the full truth of the identity of the whorish woman called Mystery Babylon the Great in Revelation 17:5, 7, 18:2, and verses 11-19, since the 1980s when it was revealed in this age.

Let's begin with the fact that the description of the prophesied Mystery Babylon the Great, in Revelation 18, is that of a major port city of international maritime commerce, where the merchants of the world do commerce through their maritime shipping (Revelation 18:11-13, 17-19). The prophetic description of this woman found in Revelation 18, is the prophetic description of one major modern port city, in the scriptures known as "Jeremiah" and Revelation, being exposed by the very statue/idol that

stands in its harbor today as a stark testimony of the fulfillment, now and in future, of these astounding prophecies.

The description is that of a great city (verses 10, 16, 19, 21; also 17:18), which is a major port city that trades by means of ships from around the world (Revelation 18:17-19), doing business in every imaginable cargo of rich goods and commodities (verses 11-13). No other city on earth comes anywhere close to the description given of this city in Revelation 18, of a major port city made rich by all the merchants of the earth, serviced by their fleets of cargo ships daily delivering their finest goods and merchandise. "Every sea captain, and all who travel by ship, the sailors, and all who earn their living from the sea... where all who had ships on the sea became rich through her wealth!" (Revelation 18:17, 19).

America (and New York City, in particular) enriches itself and multinational corporations (merchants) at their expense. To put it in prophetic scriptural terms: "For all the nations have drunk the maddening wine of her adulteries. The kings of the earth have committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries" (Revelation 18:3). This city has major ports, through which pass not only merchandise but also people, who become enslaved to the bestial system of government in the hopes of getting rich, or at least "welfare" and "social security" for the rest of their lives, while other native citizens slave to provide all these benefits and "entitlements."

New York City is also an amazing carbon copy of the ancient city/nation state of Babylon -- based on maritime law through ancient Rome, and more anciently the law of merchants and contract law, which started with Babylon and was transposed to the Medo-Persian Empire, the Greek Empire of Alexander the Great and his four generals, the Roman Empire, of which England was its furthest outpost, and finally transposed from the United Kingdom (or the City of London, to be more precise) to New York City, and from there to all of America, Canada, and the rest of the world.

Mystery Babylon is also a city that rides to world dominance and power on the back of a bestial, would-be world ruling government, that will finally turn against and destroy this great whore.

This is also a city that sits astride the beast power of a growing worldwide despotism (Revelation 18:3, 9; Revelation 17:2-3, 7), having a powerful influence over people around the world and influencing the politics of the entire world (Revelation 18:23) and rules over the rulers of nations in a mysterious fashion (Revelation 17:18 and 18:23), plus home to a military supra-governmental entity responsible for innumerable deaths around the world (Revelation 18:24).

This can be none other than New York City itself, home to the major manipulators of world commerce and government today, and "rules" over even Washington D.C., and all the other nations, through Wall Street (the stock, bond and commodities markets), Madison Avenue (advertising, stage, radio, television and film entertainment venues), "The Federal Reserve" board and banks (being anything but federal in fact, itself represents the intrusion of a great bestial extra-governmental monetary system and central bank (the major headquarters of its constituent private banks being in New York City) into a prominent and influential position of national and world monetary dominance), the "United Nations" (a bestial attempted world ruling quasi-governmental group (Revelation 18, verses 3, 9-10) and the prototype for a world government and a prototype of the beast power this "woman" rides to her eventual destruction.)

with its so-called “peace-keeping” forces, the former “World Trade Center,” the Council on Foreign Relations and the Trilateral Commission (representing the true ruling powers invisibly controlling America and, by extension, the world) and many other similar allegedly cherished, but actually abominable and bestial attempts to take total control over all America, and ultimately all nations on the earth today.

Today, though the nation's capital is presently and ostensibly Washington D.C., the original capital and true hub of international influence and financial or political control, and seat of its economic and media power-base, was and still is centered in New York City, in the state of New York. The beast power this great whore (represented by the Statue of Liberty itself) – sitting upon seven hills or governmental divisions (New York City being composed of seven boroughs or districts) – has ridden to power is none other than the United States constitution and its head- quarters in the former “New Rome,” now called Washington in the District of Columbia (formerly begun, under president Washington, in New York City before the capitol was built, and the seat of government formally moved to the district of Columbia).

The very name “Columbia” is yet another reference to this selfsame great whore, in the guise of the entire nation of America, depicted through the centuries (and in the Capitol rotunda ceiling fresco) as a war-like, martial sword-bearing female (also depicted atop the U.S. Capital dome in Washington D.C. and also above the Texas capitol building in Austin) subjugating all other political and national powers on earth (supposedly as a liberator from all despotic tyranny, other than that of her own “democratic” variety, apparently)!

That female idol is also the blindfolded female with a sword and scales that is supposed to depict the American system of “justice.” It is, in fact, in another form, represented as the idol statue of Liberty which sits in New York harbor on Ellis Island, by which it is best known today. Named Libertas in ancient Rome, this was the idol personification of a free female who, in turn, was a version of the more ancient Greek idol called Eleutheria or Artemis, a “virgin” supposed to be responsible for fertility and childbirth, which in turn was just another version of the even more ancient Babylonian and Egyptian idols variously called Isis, or Semiramis, and Esther in “Hebrew” (or Easter). In short, Columbia—which is just another name for Libertas—is nothing less than a modern representation of a great whore! So all the states and nations today following this idolatrous concept of supposed “freedom” (Particularly religious in nature, as in allegedly “free” to engage in even the most idolatrous false worship of demons) are actually just daughter whores of the main originator of this modern form of idolatry!

That a statue of Columbia/Libertas, etc., has stood in New York's harbor since 1886, a gift from France less than a century following the bloody and viciously violent French Revolution (a prophetic fore-type of the coming beast's kingdom foretold in the book of Revelation), marks that city as the quintessential modern fulfillment of the prophecy concerning Mystery Babylon, found in the 17th and 18th chapters of Revelation.

The government behind this city — that of the United States of America — has a flag that, besides the “non-color” white, is composed of two primary colors: blue (the same thing as “purple” in the scriptural account), and red (or “scarlet.”), believe it or not (Revelation 17:4).

The further descriptions of this city as a great cultural center, full of music and other of entertainment venues as well nightlife (Revelation 18:22), tradesmen of every description (verse 22), and lit by many lights while a long sought after site for marriages and rich merchants of wealth (verse 23).

One and only one major port city is also an entertainment mecca (for stage, movies, television and radio). Predominantly “liberal,” it is generally hated by true “conservatives.”

This modern multi-paganism embracing governmental construct, with the madness and insanities it imposes, puts commerce, wealth and pagan religious observances above all else (in the form of entertainment as a type of modern idol-worshipping religious practice, from radio and television, to movies and the stage).

The United States, and New York state in particular, and New York City specifically—as the main conduit for all legal immigration into America—represent, as no other nation, state, or city ever could, the Babylonian amalgam, or the Babel-like conjoining of all the races, languages, and cultures of the world, New York City welcoming all peoples, races and nationalities to its babylonian, merchant-lined shores and stores (Revelation 17:15)!

As America became prosperous, so also did all the peoples of the world look to it for a piece of the action; for “their” piece of the American pie. It has become commonplace, if not common knowledge, for foreigners to come to America solely to receive its welfare benefits, such as “Social Security,” which many also continue receiving long after leaving the U.S. to return to their native countries!!

This one city, more than any other, became the real melting pot of every race known to man.

“She held a golden cup in her hand, filled with abominable [unclean] things and the filth of her adulteries. This title was written upon her forehead: ‘Mystery Babylon the Great The Mother of Prostitutes and of the Abominations of the Earth.’... “Then the angel said to me, ‘The waters you saw, where the prostitute sits, are peoples, multi- tudes, nations and languages.’... ““Fallen! Fallen is Babylon the Great!... For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries.’... ““When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her. Terrified at her torment, they will stand far off and cry.... ““The merchants of the earth will weep and mourn over her because no one buys their cargoes any more.’ ” (Revelation 17:1-2, 4-5, 15, 18:2-3, 9-11).

This major port city of great wealth, commerce, and world-swaying political and economic influence, further described as "Mystery Babylon the Great, the mother of whores and abominations of the earth" (Revelation 17:5), is precisely why the whore of Mystery Babylon is just that, with many daughter prostitutes, or cities of like immorality, around the world (verse 5). Where in the world today do we see such a city, a city that has many imitators (daughter whores) around the world, and a city that hosts a would-be world-ruling government? And is it really possible the beast government the great whore rides is none other than the United States of America (in cohorts with the British and Russian governments, through their would-be world- ruling alter-ego, the United Nations)?

How could it be that the entire world wonders after the U.S. and its space program, entertainment industry, news media, and economy, among other modern “wonders,” without it perfectly fulfilling this pivotal prophecy (cf. Revelation 13:3) which is modern Mystery Babylon (which also represents the great whore city of that country, New York City)!!?

As I started to reveal in a series of related articles, starting in 1979, the United States—in addition to representing the modern day descendants of the Yasarelite tribe called Ephraim, with Great Britain, Canada and Australia being the modern descendants of the divided tribe of Manasseh—as a whole Americans are also the modern Babylonians.

Like the ancient nation of Babylon, founded upon the city of Babel where the language was divided and the races scattered around the world as a result, Americans are a modern equivalent of all the races coming together once again under one language (English), to try and rebuild the ancient tower of Babel. That “tower” today is none other than the so-called “International” Space Station, built and serviced by all those space shuttle launches and flights over the years.

So many other cities, nations and states have imitated and followed after this mesmerizing city that is leading the world to the brink of disaster, that it truly is a mother of many harlots.

“Come, I will show you the punishment of the great prostitute, who sits on many waters. With her the kings of the earth committed adultery and the inhabitants of the earth were intoxicated with the wine of her adulteries.’... “She held a golden cup in her hand, filled with abominable [unclean] things and the filth of her adulteries. This title was written upon her forehead: ‘Mystery Babylon the Great The Mother of Prostitutes and of the Abominations of the Earth.’... “Then the angel said to me, ‘The waters you saw, where the prostitute sits, are peoples, multi- tudes, nations and languages.’... ”

“Fallen! Fallen is Babylon the Great!... For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries.’... “When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her. Terrified at her torment, they will stand far off and cry.... “The merchants of the earth will weep and mourn over her because no one buys their cargoes any more.’ ” (Revelation 17:1-2, 4-5, 15, 18:2-3, 9-11).

You would have to be deaf, dumb and blind to not recognize New York City, Wall Street, Madison Avenue, the Broadway national stage, screen, television and radio entertainment mecca (which predates Hollywood), the former “World Trade Center,” The Counsel on Foreign Relations, and the United Nations among numerous other similar prophetic fulfillments in these inspired descriptions.

No other city on earth also contains the means by which this modern whoredom has so captivated the nations of the earth, by means of its propaganda “news” and entertainment media, including stage plays, its Madison Avenue advertising ad-men, its Wall Street stock and commodities markets, it's “Federal Reserve” steering committee and major banks of the world, and its would-be world ruling “super power” called the United Nations!

What is this mystery?

Two hallmarks of this modern Mystery Babylon are its sorceries or “magic arts” (Revelation 18: 23; cf. Revelation 9:21 and Nahum 3:4), translated from the Greek pharmakia, meaning drugs – whether “legal” over-the-counter or prescription, or illegal – and the Mystery surrounding this modern Babylon.

The fact that America was founded by satan (under the name and guise of “Lucifer”) worshiping deists, who were members of the secret society known as freemasonry, conceals many hidden, secretive facts underlying America’s constitution and form of allegedly “democratic” government (which, in reality, was established as a Republic).

A certain secretive cabal of foreign and domestic conspirators have contrived, since even before America became a nation (or amalgamation of nation-states), working steadfastly to enslave first Americans and, through them, the entire world to the coming bestial world despot or dictator, about to be unveiled in the very near future. Underlying this secretive and ancient sex worshiping mystery religion, that originated in the ancient land of Babel under a despot named Nimrod, and his mother/“wife” named Semiramis, Isis, Istar or Esther (an entire false book of the Jewish and Christian Bibles being devoted to this mythology) – secret societies or groups such as the Scottish Rite of Freemasonry, the Skull and Bones society of Yale, and many other similar mysterious veiled and cloaked institutions – is the fact of how they have manipulated and placed their adherents into high positions of power and influence within government and industry, from the American president on down (or up, as the case may actually be).

The hidden, mysterious symbology and secretive, deceptive slogans and insignia of the mystery religion worshipers is found throughout modern America, from the unfinished pyramid topped by the “all-seeing” eye of Lucifer, on the back of the (alleged) one dollar bill, to the phrase beneath this obverse to the “Great Seal” (Novus Ordo Seclorum).

It’s modern English equivalent, “new world order,” is a phrase that has been parroted and promulgated by various co-conspirator presidents such as George H.W. Bush, Bill Clinton, and such alleged “presidents” as George Bush and America’s first black Jewish/Muslim/Christian” non-American alleged “president” Barack Hussein Obama, among others (including their ally Henry Kissinger, on behalf of the behind-the-scenes manipulators, controllers and world power- brokers, the Rockefellers and Rothschilds).

America’s true political origin is shrouded in mystery – especially America’s economic history, including the first and second Banks of America – right down to the economic blackmail and conspiracy that put both the “Federal” Reserve and IRS in place, which has led inevitably to every depression, recession and economic malaise America has suffered since 1913.

The leaders responsible for New York City's and the United States' future are misleading it and them to the brink of total disaster in the near future. And where Mystery Babylon New York City goes, the rest of the United States, or modern Babylon as a whole, is bound to follow!

In the prophecy about Mystery Babylon (a "mystery " because almost nobody today recognizes it

for what it actually is, and for its covert spy and similar agencies like the CIA), the judgment against this whorish city was pronounced: "Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: 'With such violence the great city of Babylon will be thrown down, never to be found again'" (Revelation 18:21).

Obviously this was not concerning ancient Babylon, which was already long vanished from the world scene when this prophecy was delivered. Nor did it have to do with any modern nation such as Iraq, situated in the same area as ancient Babylon, or even the Vatican in Rome, neither of which could ever fulfill the descriptions of Mystery Babylon being a major port city of world renown, where:

"Every sea captain, and all who travel by ship, the sailors, and all who earn their living from the sea... where all who had ships on the sea became rich through her wealth!" (Revelation 18:17, 19).

The words of this prophecy closely parallel those of a much more ancient prophecy against Babylon, not only the ancient city-state and nation, but also its modern-day equivalent:

"When you finish reading this scroll, tie a stone to it and throw it into the Euphrates [river]. Then say, 'So will Babylon sink to rise no more because of the disaster I will bring upon her. And her people will fall'" ("Jeremiah" 51:63-64).

The future destruction of that city, and the nation behind it, was prophesied as a righteous judgment for all the sins committed by this city against the peoples of the earth (Revelation 17:17-18). One of those major sins, even against its own peoples, has been the ongoing genocidal debacle and holocaust known as abortion, approved by the commandment-breaking nation of the United States for the past 42 years!

This and countless, endless foreign wars and intrigues, and false flag operations taking innocent lives domestically (Waco, Oklahoma City federal building, the World Trade Center in New York City on September 11, 2001, etc.), is all adding up to a time of resounding righteous judgment against the guilty harlot of the nation known as the United States today!

(The World Trade Center destruction in New York City on September 11, 2001, that recent attack in a historically violent manner unlike any other city to suffer such destruction in this age in recent times, is a haunting prophetic fore-type of the final, yet future, total destruction of this city, and certainly is a modern prophetic fore-type of the prophesied destruction of modern Mystery Babylon, in the very location from which it now corrupts the earth with its insane political, religious, secular and entertainment/ news and legal ideas.)

How many of the aborted babies were intended by our Creator to be prophets, who never lived to see the light of day, as a result of the influence of this one city on national and world politics? How many have been permanently silenced?

This major port city of great wealth, commerce, and world-swaying political and economic influence, is further described as: "Mystery Babylon the Great, the mother of whores [other cities/nations in her exact political, military and economic image] and abominations [violent crimes against humanity; lawless in terms of the Creator's Ten Commandments] of the earth" (Revelation 17:5).

A city that in the end is hated, attacked and destroyed by the beast power coalition (Revelation 17:16-17), the beast power, which represents all the people or nations of the earth (Revelation 17:15) also hates the prostitute and destroys her in the end, very probably with nuclear devastation (verse 16):

"The beast and the ten horns you saw will hate the prostitute. They will bring her to ruin and leave her naked; they will eat her flesh and burn her with fire" (Revelation 17:16).

This political system is a threat to the beast power, simply because it implies the idea of freedom from restraint, which competes with the bestial impetus for total subjugation of all people on earth, under its murderous and controlling system of socialism.

"Your oarsmen [leaders] take you out to the high seas. But the east wind will break you to pieces in the midst of the sea" ("Ezekiel 27:26").

This relates directly to the east wind of Katrina, and the destruction and havoc it helped to inflict upon the modern Tyre of New Orleans! Of course there is another type of Tyre in the modern world, a once famously prosperous island situated off the mainland of Europe, known today as Great Britain, with its super prosperous City of London. The modern prophet sees this as a prophetic fore-type of what will eventually become of both New York City and Washington D.C., both built on land reclaimed from swampy marshland, and both former or current seats of government of the United States, the former also being the seat of the bestial prototype called the "United" Nations!

Here is how the author of Revelation put this still future event, long after the fall of ancient Babylon, modern Mystery Babylon's prophetic fore-type:

"Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues..." (Revelation 18:4), and: "The beast and the ten horns that you saw will hate the prostitute. They will bring her to ruin and leave her naked; they will consume her flesh and burn her with fire.' For Yahveh has put it into their hearts to accomplish His purpose by agreeing to give the beast their power to rule, until Yahveh's words are fulfilled" (Revelation 17:16-17).

Once again, these words prophesying a still future judgment on a modern Mystery Babylon (Revelation 17:5, 7) echo and exactly mirror the words of the ancient prophecy:

"Then the angel said to me, 'The waters you saw, where the prostitute sits, are peoples, multitudes, nations and languages.'... "Fallen! Fallen is Babylon the Great!... For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries.'... "When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her. Terrified at her torment, they will stand far off and cry.... "The merchants of the earth will weep and mourn over her because no one buys their cargoes any more'. " (Revelation 17:1-2, 4-5, 15, 18:2-3, 9-11).

These awfully sinful crimes against the Creator's Law and Commandments, in utter rebellion against Him, are in fact a hallmark of this modern Mystery Babylon:

“I set a trap for you, O Babylon, and you were caught before you knew it; you were found and captured because you opposed Yahveh.... “Summon archers against Babylon, all those who draw the bow. Encamp all around her; let no one escape. Repay her for her deeds; do to her as she has done. For she has defied Yahveh, the sacred One of Yasrael’ (“Jeremiah” 50:24, 29).

Notice how these prophetic words are also repeated by the prophet of Revelation:

“In one hour such great wealth has been brought to ruin!... “In one hour she has been brought to ruin. Rejoice over her, O heaven! Rejoice you elect, and apostles and prophets! Yahveh has judged her for the way she treated you.’ “Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: ‘With such violence the great city of Babylon will be thrown down, never to be found again.’ ‘In her was found the blood of prophets and of the elect, and of all who have been killed on the earth’”(Revelation 18:17, 19-21, 24).
