As is true of everything and everyone connected with such adversarial collusion, the true nature and aims of the nefarious idol (the particular prophetic topic of this paper) of the modern world remain cloaked behind deception, lies and intrigue.

This is, in fact, the little horn speaking swelling words of vanity and arrogance (Daniel 7:8, 11, 20), a nation unlike any other before it or since, busily engaged in unrooting three other modern nations in this day and age (verses 8 and 20), heavily engaged in intrigues and covert actions around the world in many other nations, including in America.

That little nation, laying false claim to being descendants of the peoples prophesied in scripture as Yasarel, is what calls itself "Israel" today! The intrigues it has spawned have already caused the fall of the kings and nations of Iraq and Libya, and most recently Egypt, and is presently seeking the downfall of Syria also, and even Iran, by similar means.

Why have we (America) been involved, for more than forty years, in the constant, ongoing, seemingly never-ending wars and conflicts in the Middle East, mostly on behalf of the self-righteous, little bully and aggressor "Israel," that seems to be at odds with all its neighbors, and even with the majority of its own population, all the time.

All of "Israel's" neighboring nations have good reason to fear and oppose its belligerent and violent aggressions, such as against Egypt in 1967 (a war falsely blamed on its victims), and Lebanon, and also threatened constantly against Syria.

The untold misery, suffering, death, destruction, and conflict instigated by this one arrogant and conceited nation called "Israel" — composed not of native inhabitants, but of invaders who have stolen from, and driven out, those who are, and were — in this age is incalculable. Any who dare speak up against its excesses and evils are quickly silenced by the scurrilous, malicious, and entirely false label of "anti-Semite" (Even against those who, unlike most who call themselves "Jews" today, are legitimate heirs and descendants of Sem through Abraham, Yatsaq and Ya'acob).

There are a people alive today who claim to be descendants of Abraham through Sem, one of Noah's sons, and therefore children of the covenant given through Moses, who covertly acknowledge and openly admit they are actually oriental descendants of Askenaz, a son of Gomer, who was the son of Yapeth, another of Noah's three sons.

"Yahveh has stirred up the kings of the Medes, because His purpose is to destroy Babylon (Mystery Babylon, or America)....

“Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts. Prepare the nations for battle against her – the kings of the Medes, their governors and all their officials, and all the countries they rule” (“Jeremiah” 51:11, 27-28).

The modern day Ashkenazim are none other than the middle ages converts to Judaism, whose descendants today (mostly of the bloodthirsty “Zionist” persuasion) have falsely laid claim to what is now called “Israel,” under the assumed but false name of “Jews,” who are also to be found throughout Europe, and even America today.

Falsely claiming to be a fulfillment of the gathering of the Creator's people (Descendants of Ya'acob), out of all nations, being restored to "their rightful inheritance," Zionist "Israel" today does not also exhibit the other requisites of those prophecies, of living at peace with their neighboring nations, much less with the "strangers" or "foreigners" in the same land (cf. Leviticus 19:33-34, 24:22; Ezekiel 47:22-23)!

This is why this modern great deception in no way matches the prophesied still future return of the true descendants of Abraham and children of Yasarel, who will live in a blessed land of abundance peaceably with the aliens or strangers in their midst, who at that future time will be given an inheritance in the land and treated as their equals (cf. “Isaiah” 56:3-8; “Ezekiel” 47:21-23). These prophecies, never yet fulfilled, which will one day soon come to pass, are a clear and evident proof that the marauding, destroying, terroristic inhabitants, claiming to be the “fulfillment” of these and other prophecies, are anything but legitimate claimants to the rights and blessings that are now, and will forever remain, beyond their hateful and greedy grasp.

Little wonder, however, in the largely adversarial and deceitful age in which we live, that these darkened blotches on the face of humanity are extolled, and their mostly innocent victims demonized, accused and ostracized at every turn. Most of those who are today so abused, murdered and otherwise bedeviled by their tormentors without cause, are in fact true descendants of Abraham, whose offspring will one day each inherit their portion of the rich blessings of prosperity and peace promised to him and his obedient children.

The so-called "secular" (actually irreligious) government of Zionism, is based upon the one religion (Judaism) that extolls, above scripture itself, a false "authority" known as "the Babylonian Talmud," with which it rules by means of deception and intrigue (mainly through its Mossad covert agents around the world). It is easy to see how, out of the five major religions that predominate in the world today, this one little (mostly anti-religious regime), abominable head of Zionism could very well be guilty of being anti-Messianic in nature.

It is also fairly obvious why this startling truth has been invisible to the world and, as a whole, unknown; in a world that wonders after this beast, and fears to oppose it in any way, no matter how great the atrocities it commits! These include setting up false front "opposition" such as "Hamas" — a supposed Palestinian "Islamic" organization — which acts only in ways that evoke "provocation" for "retaliation," while never doing any real harm or damage to its alleged "enemies." Compare this to the massive harm and damage being waged in an all-out war of genocidal aggression against the native Palestinian people,

including the elderly, women, children, injured, etc.; especially those now crowded by the millions into a narrow piece of land called the Gaza strip, with no escape from their tormentors, captors and murderers!
