The bestial conspiracy to control all nations on earth, and all peoples, under a one-world tyranny, is a very old one, dating back nearly two and a half centuries. Even then, around the time of the American revolution, it was foreshadowed and hidden behind the major events of the day, many of which were actually orchestrated — or at least manipulated — from behind the scenes, by a powerful little horn or nation that, at the time, did not yet exist, and would not for another two centuries.

As is true of everything and everyone connected with such adversarial collusion, the true nature and aims of this nefarious idol of the modern world remain cloaked behind deception, lies and intrigue. Lawyers, it turns out, are merely a fore-type in one small realm, the "legal" system, of a much more ubiquitous creation of the twentieth century, capable and guilty of far more heinous criminal acts, leading nations into destructive wars, or murdering whomever, whenever and wherever it pleases, all the while escaping detection. How is this done?

It only requires a closer examination of one particular form of modern idol to begin to unravel the truth of things as they truly are. That idol is the supposed super law enforcement agent, who can commit heinous crimes in full public view, including mass murder and mayhem, yet never face any consequences for their actions — given a carte blanche or "license" by powerful governments, condoning and supposedly legitimizing these actions — always justified as being "necessary" by the supposed presence of even more destructive individuals, working — so we are led to believe — for nations or mega-rich individuals, so overtly evil in nature we cannot help but "agree" with any extreme measures required to defeat them.

This is nothing less than the "secret agent" motif, begun during the second world war, that grew exponentially during the cold war era, which is personified in one of the most popular modern novel and film fictions ever, about a British super secret agent with a number designation for a name, and a license to kill. The substitution of numbers for names, by the way, as exemplified in the lyrics of a late "beatnik" early "hippy" era song: "Secret Agent Man," ("They've given you a number, and taken away your name.") should not be lost on you.

This is not unlike the fluorescent ink stamps on the back of hands (in violation of the scriptural prohibition against making marks or tattoos on our bodies, even of a temporary nature; cf. Leviticus 19:28) at amusement parks, to permit a paying visitor to leave and return the same day, and the current craze of tattoos in general, as a fore-type of the mark of the beast. Can you now begin to see how these

prophesied things have been happening in full view, while most are brainwashed into accepted these evils, while remaining entirely ignorant of their prophetic significance? This is, in fact, a key element of the prophesied final beast power to arise in this end age, known as "the mark of the beast," in fulfillment of the prophecy of Revelation 13:16-17, which is associated with the infamous number so little understood, and often falsely and wrongly applied to many down through the ages, "666" (Revelation 13:18).

The prophet came to understand that the number is not found hidden within some modern name, by the use of some form of cypher or code in which numbers are substituted for letters, but rather there is a phrase containing a name hidden within the number in several Old Testament scriptures where this same number appears, that reveals the actual nature of the beast — who he will come as and claim to be — in our modern age (See chapter 15 in Part 3 of the book "Unsealed At Last!: The Restoration of All Things Now Revealed..." by Zeravbabel of Yahvsave or Chapter 21 of the ebook "Salvation Lost? The Savior's True Name Revealed" by Hank Scott <http://www.aptpublishing.com/salvation> , for the revelation of this bestial name)!

The number of man, 6 (the number six stands for humanity, that was created out of the dust on the sixth day of creation), is just 1 shy of perfection, but misses that mark by focusing on the beast's/satan's mark instead!

The prophet has foretold of the demise of the American "dollar" since the mid-1980s, and exposed the fraud and unscriptural chicanery that it bears on its very face, all of which is described in detail in Part 5 of the book "Unsealed At Last!: The Restoration of All Things Now Revealed..." (the "dollar" fraud is also exposed in the ebook "F--d Up Money" <http://APTPublishing.com/economy>), and also discovered and set forth evidence, in the mid-80s, of the then soon-to-become ubiquitous use of this number in everyday buying and selling (without which neither would eventually be possible), hidden within a mark that could be scanned and read by computerized technology that was only then starting to become powerful enough to bring about a worldwide control of every monetary transaction.

Long before this was possible, the prophet realized and warned that the digitalization of currency into a form that could be encoded and tracked by such a mark was on its way, and with the eventual advent of a totally digital currency, along with a computerized bar-code or implanted chip to control all buying and selling, under the brief regime of a bestial coming dictatorship, that it would one day be possible to prevent men or women from buying or selling without such a mark, to starve those reluctant to accept such a mark into compliance or, in the alternative, to impose the death penalty against those who refuse. So-called "smart codes" that can be scanned by ubiquitous cell phone applications, and Bit Coin style currencies, are recent developments in this direction, which bankrupt governments will latch onto in a last ditch desperate effort to maintain and expand control over everything and everyone.

The United States federal government has been striving for many years now to institute a national identification card system on the American people (just as Japan wants to impose on its people), a precursor to this bestial numbering and marking system (analogous to the bar-coding of retail merchandise, only on humans, to track every financial transaction; i.e. "buying and selling, cf. Revelation

13:16-17).

The "four horsemen of the apocalypse" of Revelation 6:2-8 are associated with this same bestial power, that puts to death all who stand against or opposed to it (Revelation 6:9-11); a symbology used in yet another ancient prophecy concerning chariots pulled by different colored horses (cf. Zechariah 6:1-8). Yet even here many false ministers have given corrupt and misleading interpretations of these symbols.

By the way, the first horseman of the apocalypse (Revelation 6:2), riding a white horse to deceive mankind into thinking it is the Savior Himself, but carrying a bow by which it conquers and seeks to conquer all people on earth, could be none other than scientists/medical doctor false-"saviors," whose "bow" is the hypodermic filled with poisonous vaccines, which are SHOT into people, creating a mark upon the flesh (the proposed crypto currency would work in conjunction with a new micro-ink implanting with a vaccine shot, which could be read by an app on a cell phone, giving the individual's history; medical and also personal work/financial history, etc.).

This leads directly to the second red horseman of the apocalypse (Revelation 6:4) which is warfare conducted to bring the entire earth into submission to the first horseman. And that will be an economic/pandemic war that results in inflation and food shortages, the third black horseman of the apocalypse (Revelation 6:5-6). Finally, the fourth pale horseman of the apocalypse is death and the grave, which naturally follows the first three as a direct consequence (Revelation 6:8), which is the beast power's final 3 1/2 years of rule on earth, opposed by the prophesying of the two witnesses (Enoch and EliYahv) the entire time!

The Bible forewarned us about the Covid-19 vaccine in the prophecy of the Four Horsemen of the Apocalypse, the first "horseman" in white (lab coat) bearing a bow with which to shoot others (vaccine needle) and carrying a crown (corona, fake "virus"), going forth to conquer the world (via lockdowns, fake quarantines, business and church closures, etc.), and about to usher in the second horseman of nearly endless war, and the third horsemen of manmade famine and starvation as a direct result, including the prohibition against buying or selling unless taking the name and mark of the beast first, finally followed by the fourth and final horsemen, a total weaning of the present world population via deadly wars, manmade plagues, executions, etc. (see: Revelation 6:2-8)!

Could the name of the rider of this last horse be Bill Gates (the "gates of hell" or the grave) (referring to the eugenicist/vaccine pushing mass-murderer former CEO of Microsoft, who wants to destroy most of the present population on earth with his deadly vaccines)!?

Bill Gates' new patent W0/2020/060606 is all about creating a digital currency that links to an individual's actions to determine what they are allowed to buy or sell. Bill Gates also has plans to implant a permanent but invisible ink mark under the skin with his vaccines that can be read by a special cell phone app, that would include your medical history and other personal information (like whether or not you're authorized to buy or sell).

That's exactly what the prophet has been writing and warning people against (the Mark of the Beast) since at least 1987!

It is apparent from the fact that the beast power will seek a death penalty against those who refuse to bow down and worship his idol, or take his name or numbered mark in their foreheads or hands (Revelation 13:15-17), that some of the laws the beast will change deal with the death penalty. Because of such a change in the international law, superseding the laws of individual nations, countless innocent people will be beheaded, or put to death by guillotine once again, because they will refuse to worship the beast's image or receive the mark of his name or number (Revelation 20:4).

The disciples understood that the "EliYav" who had already come was the Savior's cousin Yahvhanan the Baptist (the name "John" is an English corruption, similar to the German Johann, pronounced Yohann, of this name; "Matthew" 17:18). The fact that this man was beheaded is, like the French Revolutionary period in more recent times, a prophecy of the time when the beast's temporary kingdom over all the earth in the near future will result in those who refuse to accept his corrupt and evil dominion being beheaded (or guillotined), once again (Revelation 13:7; 20:4).

This is the one thing no other religious "ministry" in this age teaches, all of which look backward so intently they miss the major truth going forward into the beasts' waiting clutches!

The moral code, as given through Moses, sets forth the conditions for humanity's relationship with their Creator and with each other. And no substitute, not even one masquerading as superior or prior to this law (but in fact, which came through Nimrod and ancient Babylon -- such as the wicked "Noahide" law now embraced by presidential fiat of "executive order", which will once again enforce beheading) can ever take its place, or prevent justice from prevailing in the end.

Like the old Roman Empire, which began as a republic, America also started as a republic but was quickly side-tracked, first into a democracy and, finally, into a personality-cult style empire, where presidents take upon themselves ever more dictatorial power under the guise of executive orders (with the help of their willing accomplices, the unelected news media talking heads and editorialists, and a weak, easily blackmailed congress). Like these popular or despised leaders, the beast power is also prophesied to suffer a near-death wound to the head, possibly from an attempted assassination. In Daniel 7:20, 24 we learn that three of the horns, or rulers (Presidents?), will fall due to a little horn with a boastful mouth, the beast; which is another of the ten horns, who will suffer a mortal wound in the head, yet survive (Revelation 13:3, 5-6).

Yaravsalem was to be surrounded by armies, and utterly destroyed, as it was in 69-70 C.E., approximately 40 years after this prophecy foretold it, a harbinger of which was to be the setting up of an abomination in the sacred place of the Temple, something which only the righteous would truly comprehend or understand, causing them to flee the city to save their own lives (215 "Matthew" 24:15-19; Mark 13:14-17; Luke 21:20-24).

When a walking, talking abominable robotic automaton image of the beast is set up, those refusing to bow down before it, or worship the beast by taking the mark of his name and number (the sign of slaves), to participate in a new digital currency that can be controlled by such symbols (similar to the new encoded squares called "smart codes"), those refusing will be executed, during the beast power's future reign of terror, for a period of 105 days, (just 14 days more than one season of the year),

apparently!

The beast power will then do away with the daily offering of morning and evening prayers, at the Al'Aqsa mosque on the former Temple Mount, by descendants of Abraham through Yasmael, setting up the beast's abominable image there, which starts the clock ticking on the 1,260, 1,290 and 1,335 days. The resurrection will take place, most likely at the end of the 1,260 days, during which a small group of faithful elect will be protected in a place of safety, crossing over a body of water to reach it when, like the Pharaoh of ancient Egypt, the beast's pursuing army is lost at sea; as many ships and airplanes before it have mysteriously disappeared, in locations such as the Bermuda Triangle (Revelation 12:13-16)!

The deaths of those left behind, who are not righteous enough yet to qualify for this supernatural protection of being hidden away during this time, will take place next, (Revelation 12:17) which may actually begin on or about the 1,230th day, and last through the 1,335th day (a total of 105 days or 15 weeks, recall), when the Savior and His resurrected elect return to the earth, following the wedding supper of the Lamb, which takes place during this same time before the heavenly Father's Throne, whereupon the beasts and their empire are destroyed. For 1,260 days the two witnesses will oppose the beast with their testimony and prophesying from the streets of Yeravsalem, causing all military and SWAT-style attacks against the two witnesses to result, instead, in the destruction of their attackers (Revelation 11:3-5), until near the very end of the 1,335 days, three and a half days before the first resurrection of the dead begins, with them coming back to life before the startled eyes of the wicked world, on the 1,264th day (cf. Revelation 11:11-12).

This is why those surviving to see that day are called blessed, for many of those people remaining on earth will perish during the following terrible time of trumpet judgments — just as the ancient Egyptians suffered in the days leading up to the Passover celebration, and the final departure of the Yasaremites from Egypt — similar judgments also taking place during the time of the testimony of the two witnesses (Revelation 11:6).

After the resurrection, during the time of the Lamb's wedding supper celebration in heaven, for a period of about 30 days, an angel (in a "flying saucer" or UFO) will traverse the world, warning the inhabitants of the earth of the coming judgment, and to repent of their sins (Revelation 14:6-13); while the 144,000, who refuse to worship the beast, or his image, and reject his mark, name and number, are sealed and protected (Revelation 14:1-5). After this the final deadly seven plagues of the Creator's wrath will pour forth, against the rebellious inhabitants of the earth, for a period of about 40 days, which will culminate in the final battle of the beasts' war against the returning Savior, and His elect and angels, at Megiddo, called Armageddon; shortly after the Savior returns to the Temple Mount, following a great earthquake, when the Mount of Olives is torn in half, resulting in a valley running east and west down the middle of it (Revelation 11:13; "Zechariah" 14:3-4)!

The end of the daily prayers on the Temple Mount will be a key, pivotal event (cf. Daniel 9:27, 11:31, 12:11; "Matthew" 24:15-16; Mark 13:14), that will signal the start of all these startling, final disasters of the despotism, that is even now conspiring and working silently to install itself into power over all nations on earth, in the days and few years remaining before the true Y2K (year 2,000 A.R.); which

occurs in the Gregorian calendar year 2030 (The first resurrection being some time before that?)!

What the adversary (a created being himself, and formerly one of the angels who are very top archangels in authority under the Creators themselves (Ezekiel 28:12-16)) never knew is that his entire rebellion is not only doomed to fail in the end -- resulting in his own destruction and the ultimate removal of all evil permanently (Ezekiel 28:18-19) -- but that he actually has been the very catalyst which helped bring about the final result he so despises and seeks to prevent. Yes, despite himself and all his evil plans, devices and schemes -- which began with violence in trade, by making people into slaves, like cattle, little more than a commodity to be bought, sold and traded (Ezekiel 28:15-16) -- the adversary has never been stronger than his very Creators, who are now in the process of turning his great rebellion and evil into the greatest blessing these Almighty Creators can bestow upon any of their created beings. That is to be born of the Spirit -- recreated as one of them...

Despite these dire predictions of what is about to take place, in the very near future (should you survive long enough to actually see it), there is plenty of hope for the humble, the truly kind, the generous, the meek, the poor and the oppressed. In this world they may not have much hope, for their enemies and foes seek them out and persecute them to death (those who refuse to bow down and worship the coming beast or his image, and refuse to take his name or numerical mark upon their flesh — hand or forehead — without which they will no longer be allowed to buy or sell). A time when, apparently, the guillotine, or another form of beheading, will be the preferred means of execution, once again (Revelation 13:15-17)! Those who patiently endure, and are faithful even unto death, will receive the great reward of being resurrected back to life, in spirit-quickened bodies, no longer capable of dying, at the beginning of the coming new millennium.
