Alternative Bottoms for Boys to Try This Winter

We all agree that 'Denim may be a love that never fades,' especially for teenagers . But that doesn't imply that they ought to not try other alternatives to Denim Jeans for boys.

From the age of 3-years, your boy starts to know his personality, and garments play a lively role in it. We understand that you simply want to get versatile clothes for them, that you simply can

pair up with everything like jeans, but you ought to also introduce them to alternative bottoms. Jeans are amazing & there's little question that, but it's okay to exchange them with something more cool & stylish.

Winter is upon us now, and it's the simplest time to undertake these alternative bottoms for boys.

1- Chinos Trousers:

Chinos, also referred to as Pantaloons Chinos by Spanish, have lighter fabric & finer finish compared to the Khakis, which can make your kids comfortable. Chinos are relaxed, easy to style, and appearance great with anything.

Chinos Trousers

How to style them

These boys' trousers are best for events where your boy can pair them with shirts. and that they also are an excellent choice for casual outings where they will pair them with a classy graphic t-shirt or sport shirt .

2- Corduroy Pants:

These corduroy pants were quite famous within the '70s, and now they're back in trend, and we're sure that your kids can rock these. Once, Julian Lloyd Jones- the founding father of East London tailor Casual Fitters said that 'Corduroy may be a great choice of winter fabric thanks to its sturdiness and heat .'

Corduroy Pants

And we accept as true with him, corduroy pants are tough, yet still soft & supple, which is best for winter. On top of that, they carry more life to the otherwise bland outfit.

How to style them

Pair them with any basic Black or White T-shirt or Shirt. they appear great with these monochrome colours. Add a jacket for extra warmth and a few loafers or sneakers to finish the design .

3- Denim Joggers:

Boys' Joggers pants are quite trendy immediately . Because who wouldn't just like the comfort of joggers with the design of denim?? When your kids don't want to urge out of their sweatpants, this may be the right alternative to convince them to decorate up. They definitely don't fall within the category of formals, but these denim joggers are often effortlessly styled for various occasions.

Denim Joggers

How to style them

There are not any of the belongings you can pair your boys' denim joggers with, and every one of them will help your kid look stylish. you'll either pair it with a clear white T-shirt and sneakers or a boys' shirt, jacket and blazer.

4- Sweatpants:

MINIBABY

Sweatpants!! Okay, can we not have to inform you how comfortable they're actually. Maybe within the summer, your kids wear boys' shorts or boys Bermuda round the house, but now that the temperature is dropping, you ought to advise them to modify sweatpants. they're made from a knitted cotton or cotton-polyester blend, and they will keep your kids nice and warm on chilly days.
