

Gentlemen, START YOUR ENGINES

the newsletter of the

Cobra Replica Club

East Anglia region 2021

May

Hello hello. 'Broadsword calling Danny Boy, come in'

We seem to be, optimistically, emerging from some kind of Groundhog Day. Hopefully, you all still well and facing the correct way and the past 6 months or so since the last newsletter seems a distant memory.

As we look out the window of Chez Brown, the sun is shining, and we look to a brighter day.

We have kept ourselves busy, hopefully you have too. On the car front, the grand old Dax is MOT'ed and ready to rumble. Also, Eileen's Triumph Spitfire resto / rebuild is very close to completion – just waiting for the seat reupholstery parts to arrive.

“What’s this?” you say. “A club newsletter!”

Well, yes. Things have started to happen and, therefore, it’s about time we sorted out a monthly meet.

At the end of last month was the **Federation of Historic Vehicle Clubs annual “Drive it Day”**.

This is always a good opportunity to go out and about in a special vehicle. So, Andy Soar of AS Motorsports decided to

have a suitably considered Open Day on Drive it Day.

And an excellent day out it was to. Steve took the Dax and met up, on a clear sunny day out in the open with other faces old and new at the home of the ASM RI Le Mans.

After so many months, it was heartening to hear so many optimistic comments.

We've been thinking about a sensible suitable venue, given current restrictions, to enable us to resume our monthly meets.

... and so, to **this month's (socially responsible distancing) meet** on Sunday 16th May at 12:00. The venue was enjoyed by some of us last year, and a sensible choice given the current guidance. So, let's return to the open-air taproom marquee at Starwing Brewery, Unit 6, Hall Farm, Church Road, Redgrave, Suffolk, IP22 1RJ. Bring warm clothes and empty stomachs (they have an outdoor pizza oven).

Details here – <https://starwingbrewery.com/the-tap-room/>
See you there.
