Winter Trail Network of Richard St. Barbe Baker Afforestation Area Urban Regional Park

This 326 acre woodland oasis planted under the 1972 Green Survival Program was preserved in perpetuity as an urban regional park. The Fatlanders Fat Tire Brigade created the Winter Trail Network. The park name honours a global pioneer of land reclamation through tree planting, the founder of the International Tree Foundation; Richard St. Barbe Baker LLB OBE. Explore stbarbebaker.wordpress.com

Respect the Forest

- Follow the trails
- Respect at-risk species
- Remove anything you bring in
- No motorized vehicles
- No open fires or camping
- Protect the trees and forest
- No cutting trees
- Do not bring in wood (it may have Dutch Elm Disease)
