

Scavenger Hunt

Saskatoon Afforestation Areas

Richard St. Barbe Baker Afforestation Area and George Genereux Urban Regional Park are amazing mixed woodlands forests on the prairies. In this scavenger hunt, if you are collecting any of the items below, ensure that they are picked up from the ground. For any items which you find not on the ground, just mark off with a checkmark that you have found them. Have fun with your searching!

Insect	Leaf	Needle	Cone
Twig	Bark	Seed	Soil
Mushroom	Moss	Rock	Bud
Feather	Trunk	Flowers	Branch
