International Online Premiere

**Richard St. Barbe Baker OBE, Hon. LL.D.
Global Conservationist and Humanitarian**

David Suzuki, David Attenborough, we know who they are and the fantastic work they are doing. Richard St. Barbe Baker started the first pioneer green group for the environment - The International Tree Foundation. It went viral and spread worldwide.

**Be like a tree in
pursuit of your
cause.
Stand firm,
grip hard,
thrust upward.
Bend to the
winds of heaven.**

**From our hearts.
With our hands.
For the earth.
All the world
together.**

A powerful & dynamic speaker, Baker planted seeds in the hearts of people, influencing tree planting & tree protection internationally.

Hear from global conservationists & ecologists who went on to make a huge impact.
