

## Wildwoods of Saskatoon

Community place making, hope for the environment, compelling portraits of Saskatoon's forgotten heroes. The wildwood's best kept secrets escalate into legends.

Opening up to a deeply resonant perspective on greenspace heritage and the grandeur of forests director James Hay weaves the conversation from breathtaking aerial forest scenes and archival footage in a call to consciousness.

With financial Support from the City of Saskatoon and the Government of Canada Environment and Climate Change Canada

Thank you to the Saskatchewan Environmental Society, Meewasin, the family and friends of George Genereux and Richard St. Barbe Baker, Saskatoon's Detective Sargeant Bruce Gordon, the University of Saskatchewan Archives and Special Collections, the City of Saskatoon Archives, and the Saskatoon Public Library Local History Room.
