

Remote frequency therapy wherever you are in the world 'It Works'

Bio-Atunement

This document is to indicate some general information for optimal effect and result of the Bio-Atunement.

Frequency therapy works when a corresponding frequency is emitted that corresponds to the complaint. Identification of the core problem is thus essential.

Hence the 3 ways of Bio-Atunement;

1. in case of emergency [Prepaid rescue family package](#),
2. relief of '[body foreign substances](#) ' or
3. [Personal Frequency Plan](#) following [the Vital Blood Scan](#) to determine core problem. Or in case of animals, the determination by a vet or other expert.

To achieve the optimum effect:

To achieve optimal results, communication concerning the changes is necessary, however small. Changes are not only physical, but also changes mentally or emotionally. The better we know how you or your pet is responding to the Bio-Atunement, the better the adjustments we can make and quicker the results.

Feedback sequence Bio-Atunement:

- At the start, please report us the next day
- If the next day there is nothing special to report then once a week is enough
- Always report changes (via [email](#)) and if you are unsure, or serious changes, give us a call.

Bandwidth of what is treatable with frequency therapy:

As long as the tissue is not irreparably damaged, recovery is possible. Should something be irreparably damaged, then frequency therapy can relieve pain and reduce anxiety, unease in the body and or mind, in other words with frequency therapy you can improve the quality of life by reducing suffering, which is desirable.

How long is Bio-Atunement needed?

Acute conditions are problems that have occurred recently, such as flu, sore throats, or headaches. Symptoms related to these issues usually take Bio-Atunement hours up to days to get relieve. **From 12 hours to maximum a week.** Bio-Atunement Remote gives people enough freedom to continue their daily activities without interruption.

Chronic conditions are unbalanced negative energies that have a chance to “settle down” in your body. These energies take a significantly longer time to rebalance, depending on the conditions. Many of them require several Generators to run **continuously for minimum 3 weeks till half a year.** In homeopathy, they apply the rule that for every ailment that lasts 12 years, 1 year of recovery is needed. We need more nails than 1.

Serious conditions will usually require at least **3 months** of frequencies energy rebalancing sessions unless the condition has occurred recently. The most serious conditions will require remote Bio-Atunement continuously for **up to 6 to 12 months.** However, this is **only a very rough guideline.**

Last note:

No body is the same and nobody knows in advance how a body will respond, this depends on so many factors, like age, general condition of body, mind and emotion and so on that an average indication is only an average indication and nothing more.

It goes without saying that the right motivation along with the necessary building blocks, such as the right nutrition, minerals, exercise, attention from care givers, detox methods and so on, work in synergy with the Bio-Atunement support for the best long-term results of the desired vitality.
