

What is the function of the Forever Vital Support Team?

- Assisting you with testing to measure your vitality now and for the future.
- Suggest a constructive step by step Forever Vital plan in a clear and simple way.
- All men and women of the Team practice the Forever Vital method and support you from personal experience (no theory talk).
- We share > 25 years practical experience, objective knowledge and proven-to-work Forever Vital solutions, this saves you precious time, energy & money.
- Our caring support gives you a kick-start with optimal results which you can monitor and examine through a Check Scan (No more guesswork, just certainty of results).
- By learning through experience, you will quickly find out what works best for you; we will be on the sidelines in case you want to spar or need relevant information for the better result. Eventually you become 'your own doctor' with the Support Team at the sidelines after which you can make the better vitality decision.
- All support is considered man to man suggestions; you decide and take responsibility for your vitality, to increase confidence and trust in the natural state of vitality and our innate Self-Organizing capacity of our body and mind.
