

**Hawk Hollow Spring Scramble
May 2, 2021**

Local Rules: in addition to the 2019 USGA Rules of Golf and decisions, the following Local Rules shall be in effect:

Format: The format is four-person scramble—27 holes. For the scramble, the ball may be placed within one grip length from where it lies, no nearer the hole. However, you may not move the ball onto the putting green or into or out of a penalty area or bunker. On the green, the ball must be putted from where it lies.

Tees: Men 54 and younger play from the BLUE tees. Men 55 through 69 player from the WHITE tees. Women and men 70 and older play from the RED tees.

Ball Drop Area: There are NO ball drops for this tournament.

Range Finders that measure distance only, are allowed in this event.

Pace of Play Guideline is 15 minutes per hole.

Scorecards must be signed by two members of the team and returned to the pro shop immediately after the completion of your round. Remember, your signature is your word that the score listed for each hole is actual and correct. Protect your integrity.

Results for both the skins game and the scramble score will be emailed by noon on Monday, 5-3-21.

Prize payouts for the first three places. Ties will be broken as explained below. Also, we will conduct random drawings for free golf at our courses.

Tie Breaker: In the event of a tie for any of the first four places, the tie will be broken by a scorecard playoff beginning with hole twenty-seven—working backwards on the card until the tie is broken.

Skins Game: If there are no skins out for the round, we will determine the hole or holes with the fewest low scores and distribute the money in the skins game to the teams involved.

Thank you for your business.

Good Luck, Have Fun and Play Well
