**All South Shore School District Board of Education Meetings will be conducted as a virtual meeting due to an active emergency situation (COVID-19 Pandemic), meaning that multiple Board members may be participating in the meeting from remote locations through the use of communications technology and that public access to the meeting may be arranged through the use of technology.**

Those messages received prior to the start of the meeting will be provided to the Board President who may then allow them to speak during Public Participation.

*Any person wishing to attend who, because of a disability, requires special accommodations, should contact the office at least 24 hours before the scheduled meeting time, so appropriate arrangements can be made.*
