Salvation Prayer: I am lost and in need of salvation. Father, I believe, You sent Your Son to die for me. He was buried, and after the third day, He arose from the dead. I thank you that His blood erased my sins; giving me forgiveness of all my sins. This forgiveness, which I have not earned, nor do I deserve, I receive as a gift of

grace through faith. In Christ Jesus' name and by the power of His blood. Amen.
