## What Makes Essential Oils Special?

Essential oils are concentrated aromatic extracts from flowers, fruits, woods, and botanicals. They preserve the plant's natural fragrance, giving a **pure, authentic scent** experience.

Delora essential oils are:

- **100% natural**
- **Alcohol-free**
- **Chemical-free**
- **Safe for children and sensitive individuals**

Unlike synthetic fragrances, they offer **balanced, clean aromas** that enhance mood, transform ambiance, and create a **calm, inviting home**.

## Why Essential Oils Are a Home Fragrance Essential

Scent is a **powerful emotional trigger**. Natural essential oils let you shape the atmosphere safely and luxuriously:

- **Create a signature scent:** Select from fragrance families like Citrus, Floral, Fresh, Fruity, or Woody to craft a personalized home aroma.
- **Clean, safe experience:** Free from chemicals and alcohol.
- **Enhance any room effortlessly:** From bedrooms to living areas, oils improve mood and ambiance.
- **Family-friendly:** Safe for children, allergy-prone, or sensitive household members.

With essential oils, you're not just adding fragrance—you're **elevating your home naturally**.
