

Russian Golden Age Cultural Program

February 2022

Russian Language Seniors Centre Without Walls

Nowadays, when communication with the audience can only be “remote”, the Inspiration Association, which has been successfully working in the Bernard Bethel Center for many years, starts communicating with theatergoers using a telephone receiver. In times immemorial, when there was no television, radio shows thundered all over the world, the voices of readers of stories, stories, poems sounded on the air ... The best actors performed. Apparently, now is the time to remember and use their invaluable experience to the best of their ability. From January 2021, the Bernard Bethel Center will begin regular telephone transmissions. Each transmission will last 45-60 minutes. To hear it, you need to dial 1-800-669-6180 cod 636466.#
