The Chairman opened the meeting and read the minutes of the meeting held on the 10th of March 2022. The Acting Treasurer then presented the 'Treasurer's Report' and the 'Accounts for Payment'. £7,696.26 for takings was good for a very quiet week.

The Chairman outlined a proposal from the Finance Committee for consideration by the full Committee:

It was proposed and seconded that the company be hired to perform stock checks and the Committee voted unanimously in favour.

The Clubs position regarding fund raising for charities will be added to the agenda at the next Finance Committee meeting.

An incident that occurred at the Club recently will be investigated and the findings of the investigation will be shared at the next committee meeting.
