HELP WANTED

Qualified contractors get the opportunity to bid on pre-screened, third-party paid-for jobs. The contractors who will be allowed to bid on these jobs are restricted to a small number (see below).

The LVCAP Weatherization program is seeking Weatherization Private Contractors for Heat Systems and Hot Water repairs or replacements and Energy Conservation installation. Applicants must have proficient carpentry and energy conservation material skills, and Licensed HVAC, Plumbing and Electrical License as well as communication skills with clients. Applicants must comply with current codebooks and State Weatherization manuals.

Must be willing to travel and work throughout a 5 county designated service area (Bracken, Fleming, Lewis, Mason and Robertson Counties). Certificates of Insurance for General Liability and Comprehensive Coverage should meet minimum \$800,000. Master HVAC minimum Certificates of Insurance required in amount of \$500,000 for general liability and \$300,000 for property damage. An orientation meeting is mandatory and can be scheduled upon receipt of application. Application packets can be obtained at our Central Office Location or by calling 606-845-0081. jan16c
