Re: 2024 Street Improvement Bids

The City received five bids for the above referenced project. Of the five bids, one was not a complete bid and is not being considered as it was for pavement markings only and not any street improvement work. The low bidder is Jake's Excavating with a base bid of \$194,037.73 with the bid alternate of \$11,573.97. Upon review the bid does meet all requirements within the bid documents.

I recommend the City Commission approve the base bid of \$194,037.73 with the bid alternate of \$11,573.97 for a total bid price of \$205,611.70 from Jake's Excavating.
