WELCOME TO THE EVERGREEN DISC GOLF COURSE

The game of disc golf consists of throwing a flying disc from the teeing area to a basket by means of a throw. One stroke is counted each time the disc is thrown. The winner is the golfer with the lowest score. Players shall play the course AS THEY FIND IT leave natural terrain undisturbed and play the disc where it lies, except when thrown out-of-bounds.

A throw that lands out-of-bounds must be played from the point where the disc went out-of-bounds and incurs a one stroke penalty. Roads and private property are out-of-bounds. A disc stuck in a tree above 2 meters also incurs a 1 stroke penalty.

DO NOT TRESPASS! If your disc lands on private property consider it lost!

Never throw until the players ahead of you have completed the hole, and until the fairway is completely clear of spectators and park guests.
