Chapter 1

This introduction of the Book explains that these are the things that will shortly take place to bring about the Revealing of Jesus to the World.

The reason that Jesus says “**shortly take place**” is because it was given to John after the completion of the 69th Week of years.

Jesus knows that He has already explained to us in **Daniel 9** **that He cannot Return until** the completion of the 70th Week of years.

Jesus also knows that He told us in **Hosea 6** that there would be a **2,000 year gap between** the 69th & 70th Weeks of years.

Chapter 2 & Chapter 3

These chapters give us the 7 different types of “Proclaiming Christians” that will be found on the earth at the time the 70th Week of years begins.

We know from Matthew 13 that 75% of all “Proclaiming Christians” will “Fall Away” or “Draw Back” from their faith in Jesus over a period of time and stress. If their belief in Jesus’ Inheritance does not develop into a true love for Him, Jesus’ Father will cancel their engagement. Father is warning us of the testing that is about to come.

Chapter 4 & 5

This chapter gives us a glimpse into the 3rd Heaven called the “Throne Room of God”. This is where Jesus will stand before His Father’s Throne and “unseal the scroll”.

Only Jesus the Worthy Lamb can open the scroll and bring the Kingdom of heaven to earth.

Chapter 6

In this chapter the first 6 Seals of the 7 Seal scroll are opened. The period of time of these are derived from the “How Long Countdowns” given in Dan 8, Dan 12, Ezek 4, Rev 9, Jer 11, Jer 23, Isa 16, Isa 20, Isa 32.

Length of the 70th Week = 84 months x 30 days = 2,520 days.

Length of the start until the 1st Seal = (2,520 days – 2,300 days) = 220 days.

Length of the first 4 seals combined = (2,300 days – 1,335 days) = 965 days.

Length of the 5th Seal = 17 months called a “Year and some days” The 42 months of War on the Elect followers of Christ by satan begins. The “Great Tribulation” begins here and ends at the 7th Trumpet.

Length of the 6th Seal = 3 hours. This represents the last 3 hours of Jesus’ life on the cross. Israel’s time to stop the CURSE has expired. The CURSE on Israel begins 3 ½ hours later when the 1st Trumpet will be blown.

Chapter 7

The 144,000 virgin young men in Israel are sealed with the understanding of who gog is and who Jesus is. They realize that Israel has accepted (satan in disguise) as their wicked prince and they teach the people the truth. This begins at the 5th Seal when the Great Tribulation begins. Remember that the 42 months is the length of time satan has to make war with the elect using miracles. It began at the 5th Seal blasphemies of Dan 11:36 (30 days following the Abomination of Desolation Event) in Jerusalem to signify the loosing of the 5th Seal. The 2nd half of Chapter 7 gives us the result of the 42 months of Great Tribulation that will end at the blowing of the 7th Trumpet. The courtroom of Dan 7 will see more Christian Martyrs than anyone could count. Father will reach His verdict at the blowing of the 7th Trumpet.

Chapter 8

This chapter is about the first 4 Trumpet Judgments of 7 on Israel. The 7 Trumpet Judgments make up the 7th Seal. These 7 Trumpet Judgments on Israel are the “Curse that passes over 7 times” promised by Father on the last generation of Israel if they do not Return to Him and walk in His ways (the ways of His son Jesus). That way Jesus’ blood could Take Away their sins.

The length of the first 4 Trumpet Judgments = 240 days called the “Year of their punishment”.

This is when the leaders of Israel will have to drink wormwood & gall just like Jesus did.

Chapter 9

The first half of the chapter shows the people of Israel the difference between the blessed and the cursed. All people in Israel who do not have the Holy Spirit residing in their hearts will be tormented with very painful insect stings.

The length of the 5th Trumpet = 150 days.

The second half of the chapter explains how the Curse on Israel develops into a TEST of the Whole Earth. Now satan takes his War on the Elect to all 7 Continents using 200 million jihadist who take their orders from Baghdad.

The length of the 6th Trumpet = 390 days. (this is also phase 1 of the Siege of Jerusalem)

Chapter 10

This chapter gives us more information concerning the 6th Trumpet Events found in chapter 9 and alludes to what is going on in the Courtroom of Heaven found in Dan 7.

The “mystery of God” being revealed is not pertaining to Jesus’ Return during the days of the 7th Bowl Battle of Armageddon, but is about the rising of Elijah and Moses from the dead at the blowing of the 7th Trumpet. Once the World sees that event all but the nations that surround Israel will realize their mistake and denounce gog from Al Mawsil, Iraq.

In this chapter we also see John eating the same book that Ezekiel did in Ezek 3 & 4. It is the Book of the Siege of Jerusalem.

Chapter 11

This chapter is all about the “2 Witnesses” Elijah and Moses. It explains that they will arrive on the scene in Israel at the same time satan possesses the mind and body of gog from Al Mawsil, Iraq. Remember that the 42 month period starts 30 days following the 5th Seal’s Abomination of Desolation Event and ends at the blowing of the 7th Trumpet Judgment.

When Father reaches His verdict in Dan 7 the 7th Trumpet is blown by the 7th angel. (not by Jesus) Father has seen enough and awards the Kingdom to the Elect saints but the time to possess the land has not come yet. That will not come until all the Kingdoms of the Earth’s representatives are gathered into the Wedding Hall around Nazareth. Remember that the Siege of Jerusalem does not end until Jesus’ Arrival a few days following the pouring of the 7th Bowl’s “wrath of the Lamb”.

Chapter 12 & 13

These chapters are all about the 42 months of Great Tribulation when satan is here on earth possessing the mind and body of gog who arose to power in Mosul. Again this begins 30 days following the 5th Seal A of D Event and ends at the court verdict at the blowing of the 7th Trumpet. The “Fords of the Arnon River” in Jordan” will be a safe place to hide after the 7th Trumpet is blown. Hide until Father removes the strong delusion from the world. (Isa 16:1-5) This 42 months of delusion to TEST all who dwell on the earth is called the “Hour of Trial Mark of the Beast Test”. The non fruit bearing “withered branches” will be marked for destruction by Father’s Test.

Chapter 14

This chapter has 3 sections and spans the entire 45 day period of the 7th Trumpet Judgment. The First and Third sections of this chapter refers to the 7th Bowl Battle of the Great Day of God Almighty's revealing of Jesus Christ when Jesus is seen standing on Mount Olives (zech 14) and on Mount Zion with His glorified exceedingly great Bride Army.

The middle section of this chapter shows what the 3 "Court Reporting" angels are saying following Father's verdict that is read at the blowing of the 7th Trumpet. Even though Baghdad will not fall until the Battle at the end of the 7th Trumpet period, when Father speaks His Judgment it is as if it has already happened. These angels are simply reporting what Father has just proclaimed. Baghdad and her kingdom will fall during the 7th Bowl's Battle.

The Battle will start on the last day of the age and last for many days into the Millennium. Jesus and His army will Thresh, Tread and Trample from the Baghdad to Cairo. (Isa 27:12).

Chapter 15

This chapter explains the excitement and joy that is going on in heaven when Father reaches His verdict at the 7th Trumpet. Even though the Siege of Jerusalem must continue up until Jesus' Return a few days following the pouring of the 7th Bowl Storm / Earthquake, the Elect martyrs before the throne know that Father is done using gog as His rod of anger and now Father begins bringing about the fall of the Beast kingdom. This is the same group of Martyrs we saw in Chapter 7 but now they are preparing to Return with Jesus on their "White Horses" mode of transportation.

Chapter 16

This chapter is all about the 7 Bowls that are poured during the 45 days of the 7th Trumpet period. Even though Father has already reached His verdict to award the kingdom to Jesus and His Bride, Father has to get all of the World's representatives to the (Wedding Hall of Matt 22) around the hill of Nazareth. We see at the end of the 6th Bowl that the nations have gathered and that Jesus is now ready to Return as a Thief. The 7th Bowl Storm is poured and breaks down the Siege Wall around Jerusalem to let the flood of Jihad pour in. The unmarked inhabitants are TAKEN AWAY and the Marked Tares are left in the city to be burned. Jesus does not Return until a few days following this STORM's going forth. (Isa 28, Isa 24, Ezek 13 ect) After ½ of Jerusalem is TAKEN AWAY then Jesus will PUNISH the bad nations that have come against His people, His land and His Inheritance. (Zech 14) He shall AVENGE the innocent blood of His Elect Bride and gather the remnant of Israel one by one.

Chapter 17 & 18

These two chapters give us more detail into what this Kingdom is that Baghdad will be the Headquarters of during the time that satan is possessing the mind and body of gog from Al Mawsil, Iraq. The beast caliphate will turn into a true kingdom at the 5th Seal and will not fall until Jesus and His Weapons of Indignation destroys her at the 7th Bowl Battle of the Great Day of God Almighty which will last for the first many days of the Millennium. Now that Chapter 16 has brought us up to the Battle and Chapter 17 & 18 has described who it is that we will be fighting, it is time to “Get it On” in the Valley of Decision in chapter 19.

Chapter 19

This chapter starts out giving us the results / celebrations of the “many days” of threshing the land by Jesus and His Weapons of Indignation armies. Then it goes into the specifics of the Battle to include the fate of gog the beast and his false prophet.

We also see the Elect martyrs mentioned that reminds us of the 5th Seal passage declaration. The Elect Bride of Christ has proven to the hosts of heaven that they are worthy of the Kingdom by not loving their lives to the death. (Rev 12:11) [Isa 66:18-21](#) explains to us that only the people between Baghdad to Cairo will see the Glory and the Face of Jesus upon His Return. The rest of the world will have to be told what occurred in the middle east.

Chapter 20

This chapter explains what will happen on earth for the next “literal” 1,000 years following Jesus’ “Take Over” of the planet. The Old Testament is full of information concerning what this time called the Millennium will be like. Somewhere between 10 % to 50% of the earth will be alive following the 70th Week of years Events. Jesus will rule the planet from Jerusalem as a very Jewish King.

Following the end of the 1,000 year reign of Christ satan will be let out of prison by Father and permitted to test the earth again. This acts as a final sifting of the earth to see who should be permitted to enter into Eternity.

Chapter 21 & 22

These chapters describe what the “place” is that Jesus has been preparing for us for the last 2,000 years. It is a beautiful huge city called the New Jerusalem. Father will bring it down from heaven to earth and present it to Jesus.

Chapter 22 ends with reminding everyone what you have to do to be found worthy to spend Eternity with Father and Son in this city.
