## SOS

Whether you're sending out an SOS, a message in a bottle, or if you're trying to put time in a bottle, our new SOS drive is for you. Real glass bottle with a bit of room to put product or a written message and a cork top to seal it up. It sits great on a desk for maximum branding. Laser etch the glass, create a label, or print direct with your logo and you have an amazing promo piece your clients will be talking about for quite some time.
