Finding of No Significant Impact

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named City as decided not to prepare an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (P.L. 91-190).

The reasons for such decision not to prepare an EIS are as follows:

1. No significant impacts of the project were identified in the environmental review.
2. Thresholds of 24 CFR 58.37 will not be exceeded.

An Environmental Review Record respecting the proposed project has been made by the above-named City which documents the environmental review of the project and more fully sets forth the reasons why an EIS is not required. This Environmental Review Record is on file at the above address and is available for public examination in the lobby of Ironwood Public Safety, 123 W. McLeod Ave., Ironwood, MI 49938, 24 hours per day. It is also available for examination online at www.cityofironwood.org.
