# BACHELOR PARTY RULES

## A GUIDE FOR ALL BACHELOR PARTY ATTENDEES

**Rule 1.** Never tell anyone what happens tonight. If anyone asks, say, "It was really boring, we just played Monopoly, watched a movie, and went to bed early".

**Rule 2.** The groom pays for nothing – Beers, shots, strippers, etc. This is his last night of freedom, make sure he enjoys it.

**Rule 3**. Keep the groom out of jail!

**Rule 4**. Bail the groom out ASAP if he goes to jail.

**Rule 5.** Phones and cameras away when strippers are at play.

**Rule 6.** Don't post on social media between midnight and 6am. There isn't anything the groom wants shared at these hours.

**Rule 7.** Pace your drinking. You know what you can handle, just don't be the guy that passes out early and misses all the good stuff.

**Rule 8.** No calling girlfriends or wives until the party is over.

**Rule 9.** The party isn't over until the groom says it's over.

**Rule 10**. Have the best fucking night of your life and enjoy your last night with the groom.
