DELIVERS
"SMILES &
CRIES"**

MONDAY, FEBRUARY 1, 2021

SpenDoe delivers his latest offering with "Smiles & Cries". As a hip hop artist out of Santa Cruz, CA, SpenDoe talks about life's ups and downs and the ways in which we deal with this type of rollercoaster. He addresses his own losses, but makes sure to mention his gains from his own experiences. Life is really about the smiles and the cries in between. "I've used these experiences to become stronger," he explains. "And not let things get the best of me".
